Swampy and Friends Kent "Swampy" Glade,2020-12-26 Once upon a time long ago when the rivers ran wild and the animals ran free, there was a wetland that loved the land... He loved the land and his friends in the swamp so much, but when things changed, he started to become sick. With his friends, he was able to get well again.

Swampy Bill Marsh,2012-10-01 Charming, funny autobiographical stories from one of Australia's best-loved authors of Australiana. For me, Beckom was one vast playground. From the plover-infested homestead to its dam crawling with yabbies; along the meandering mysteries of the Mirrool Creek; up to the forgotten pine forest; over to the dusty silos of harvest; this was my backyard. I could leave home at sunrise and return ragged at sunset, my heart overflowing with a day of games and adventures. What more does a kid need? In this collection of stories, Bill 'Swampy' Marsh takes us from his childhood in a small outback town in the 1950s and coming of age at an all-boys bush boarding school, to his journey as an adult, when he revisits and reflects on youth by travelling in his father's footsteps through rural Australia. Loveable and eccentric characters are brought to life with humour and affection as we are led through mateship and manhood, cricket and footy, young love and heartbreak, battlers and larrikins, courage and loyalty. these are tales of everyday life in rural Australia. the simple things. the important things ...

**Swampy Goes to Prom** Jeremy Dorfman,2015-12-25 A satirical spin on young adult supernatural romance, this is the story of Swampy, a horrifying monster of the deep who is unleashed on the town of Bluford Springs when a brand new shopping mall is built on top of the swamp land he calls home. It is the story of Lindsay Morpletople, a girl with a disturbing fetish for violence whose twisted pangs of desire cause her to fall for Swampy, even though he murders several of her closest friends at their initial meeting. It is the story of Teddy Bigshartz, a nerdy high school junior who is so in love with Lindsay that he befriends Swampy and sneaks him into B.S.H.S. as thinly disguised student Seth Manster, hoping to love her vicariously through her chosen monster mate. (It is also the story of a vampire fraternity's battle with crystal meth dealers, a lovelorn witch's lonely trip to the moon in the late 1960s, and MORE!) Swampy Goes to Prom is a tale of romance and psychological trauma and madcap slapstick and bravery and a climactic prom showdown involving turd demons from hell.

Shadow and Shelter Anthony Wilson,2009-09-18 To early European colonists the swamp was a place linked with sin and impurity; to the plantation elite, it was a practical obstacle to agricultural development. For the many excluded from the white southern aristocracy—African Americans, Native Americans, Acadians, and poor, rural whites—the swamp meant something very different, providing shelter and sustenance and offering separation and protection from the dominant plantation culture. Shadow and Shelter: The Swamp in Southern Culture explores the interplay of contradictory but equally prevailing metaphors: first, the swamp as the underside of the myth of pastoral Eden that defined the antebellum South; and second, the swamp as the last pure vestige of undominated southern ecoculture. As the South gives in to strip malls and suburban sprawl, its wooded wetlands have come to embody the last part of the region that will always be beyond cultural domination. Examining the southern swamp from a perspective informed by ecocriticism, literary studies, and ecological history, Shadow and Shelter considers the many representations of the swamp and its evolving role in an increasingly multicultural South.

**Born Tying Knots** Samuel Makidemewabe,1976 What happens in the world? The world's not made up of things, and names aren't things either, and the mystery is, how do events and names cross paths and marry? Howard Norman's naming poems step out of the dreamtime, the time of creation, when everything spoke to each other. They are each a glimpse into the teachings of the old timers, the old original Way. I love them because they make me laugh, they are what really happens in the world--Gary Snyder (Back cover).

My Swampy Valentine Fiona Simpson,2006

Muskegowuck Athinuwick Victor P. Lytwyn,2002-03-06 The original people of the Hudson Bay lowlands, often known as the Lowland Cree and known to themselves as Muskegowuck Athinuwick, were among the first Aboriginal peoples in northwestern North America to come into contact with Europeans. This book challenges long-held misconceptions about the Lowland Cree, and illustrates how historians have often misunderstood the role and resourcefulness of Aboriginal peoples during the fur-trade

era. Although their own oral histories tell that the Lowland Cree have lived in the region for thousands of years, many historians have portrayed the Lowland Cree as relative newcomers who were dependent on the Hudson's Bay Company fur-traders by the 1700s. Historical geographer Victor Lytwyn shows instead that the Lowland Cree had a well-established traditional society that, far from being dependent on Europeans, was instrumental in the survival of traders throughout the network of HBC forts during the 18th and 19th centuries.

*IT's All Geek to Me!* SJ Swampy, 2022-08-28 The premise for this book was an introspection into Information Technology (IT) which I felt has neither been done before or in this style. All the events and conversations written have all happened and, to reduce folk's embarrassment, everyone in the book has been given an appropriate nickname to hide their true identity.

**Swamp Song** Ron Larson, 1995 Florida has more swamps and marshes than any other state except Alaska. One-third of it is covered with cypress domes, wet prairies, mangrove swamps, sawgrass glades, pitcher plant savannahs, and other wetlands. Swamps in Florida are the last refuge of panthers, wood storks, black bears, and many rare plants such as the ghost orchid and hand fern. In this intimate account of a world of biological richness, Ron Larson offers everyone from bird watchers and canoeists to botanists and policy makers an introduction to Florida's forested wetlands.

**Swampy Jo** Jennifer Rouse Barbeau, 2010-09-15 Sarah Jo, nicknamed Swampy Jo for her poor hygiene, is disappearing, due to her obsession with diet and exercise. This coming-of-age story follows Sarah's navigating her parents' divorce, and trying to decipher the sign of the Mystic Cross in time to save the life of a remote boy whose fate is linked to hers.
