The Best Non-Violent Video Games James Batchelor, 2023-10-30 What if there were video games that weren't about killing things? The world's biggest entertainment medium has come under decades of scrutiny because of its violent content. But here's a little known fact: from the very beginning, non-violent video games have done as much, if not more, to shape the industry than violent ones. *The Best Non-Violent Video Games* is the first ever guide to the full breath of interactive entertainment.

Discover the true variety the medium has to offer and learn how developers constantly find new ways to engage people by challenging their minds, testing their reflexes, and even tugging at the heartstrings. Take a journey through more than three hundred video games, stretching back to the very dawn of the industry and extending right up to modern day indie hits. You'll learn more about the origins of some of gaming's biggest franchises, discover underrated gems from developers of all sizes, and perhaps even find some new favorites. Written by a journalist with over 15 years of industry experience and more than 30 years of gaming experience, this guide is for anyone seeking something truly different from the video games space without dealing with guns and gore, or those simply looking for a change of pace.

101 Reasons Why I'm Not Taking a Bath Stacy McAnulty,2016-07-26 No one likes baths. What a waste of time! There's so much more important stuff to do! Plus, baths are super dangerous for a number of reasons. You want me to list a few? Most household accidents happen in the bathroom. Scientific fact! A kid in Texas turned into a prune after taking a bath. Scientific fact! If you need more evidence, allow me to point you to an excellent book called 101 Reasons Why I'm Not Taking a Bath. It's full of insightful and logical reasons why you should definitely not be subjected to this useless ritual. Joy Ang and Stacy McAnulty really understand how dumb baths are, and have done a top-notch job of demonstrating why.

Bathroom Readers' Institute,Susan Steiner,2012-09-01

Another variation of successful bathroom reader single topic books. Most bathroom readers are sold to males, this book would target female audience. Pitch to all women who have bought for their man or to men to buy for women and give them equal time. Why a book celebrating Mommy?

Mom will be tickled pink by these 300 pages we've lovingly put together.
