Swan Songs Lee Scott,2021-12-14 An experimental and humorous modern satire about Leonard Swanson, a hip-hop visionary from the north-west of England, as he works in factories and tries to make the greatest rap album of all time. Unfortunately making the greatest rap album of all time was to be put on hold as the insidious Job Centre advisors had finally had enough of my shit. I would be forced to sign up to one of the town's two recruitment agencies, or I would be starved of weed money. Leonard Swanson lives in an obscure north-western town – the kind that has a knack for swallowing you whole. He is supposed to be making the greatest rap album of all time, *Swan Songs*, but instead is forced to work in one of the town's factories, picking things up and putting them down for twelve hours in a giant white room. *Swan Songs* follows Leonard as he works, quits, signs on, and travels the country, playing in small capacity venues for even smaller capacity audiences, for which he gets paid in booze, drugs and a night on a bed bug-ridden mattress somebody dragged in from the street, all the while making the album he thinks will change hip-hop forever. Part Alan Sillitoe and part William Burroughs, UK rapper Lee Scott's debut novel, partially based on his own experiences of becoming a rapper in Runcorn, is an experimental and humorous modern satire about the perils of being a hip-hop visionary far from the beaten track...

Swan Song Robert McCammon,2016-07-26 In a nightmarish, post-holocaust world, an ancient evil roams a devastated America, gathering the forces of human greed and madness, searching for a child named Swan who possesses the gift of life.

Swan Songs & Swine Songs E.C. Lin,2021-12-28 ABOUT THE AUTHOR Born, raised, and educated on the island of Formosa, which means “beautiful” in Portuguese, E. C. Lin came to America legally in his twenties to seek freedom and adventure. He diligently studied English as his fourth language, after the Formosan, the Chinese, and the Japanese. He also worked hard on his chemistry and got a good job at the Chicago lab of a giant chemical company named Sun where he was treated fairly and nicely. Lin loves American music. After getting tired of doing cover songs, he taught himself guitar playing and song writing. And he has begun to compose his own music. After a while, he has developed quite a repertoire. In two different years, Lin entered two original tunes each in the Billboard Magazine’s prestigious song contest, to which songwriters the world over, submitted their best work. After several rounds of tough elimination, all four songs had reached the finalist level. Although none of them was placed in the top three spots, Lin is elated to know that he is competing with world-class songwriters. And for his efforts, Lin has been awarded with a certificate of achievement for

each tune. Another year, Lin was a winner in the Chicago-Sun Times's writing contest that was to promote an epic musical, honoring Elvis Presley. All five award-winning songs are included in this publication for readers to enjoy. Lin urges readers not to think of other tunes that he didn't enter into contests that usually require an entry fee. (Entry fee in the Chicago Sun-Times's contest was free). Lin used to showcase his work in the Chicago area's night clubs—often backed up by John Rice's hot band. Some of Lin's signature songs had become hits. Lin loves dogs, cats, movies, gardening, swimming, dancing, and traveling that help him active and young. In the summer of 2016, he made a bold move to Las Vegas where he enjoys three free concerts on Fremont Street nightly and tries not to be robbed by no-arm bandits. That's another story.

Swan Songs Brian M. Stableford, 2002 Grainger, narrator and anti-hero, is a cynical pacifist light years removed from the typical space jock, who is indentured against his will as pilot of the revolutionary starship Hooded Swan. This work is a collection of all six Hooded Swan novels published in one omnibus edition.

Swan Songs Alexandra Moss Zannis, 2014-07-26 I have given this book of poems the title *Swan Songs* since, as it implies, swan song means the last appearance of someone or some thing. I don't plan to publish another book of poetry and for that reason this title. A well-known poet once said something to the effect, If a poet writes one memorial poem in his lifetime, he should be happy, and since this is my third book, I feel I have little more to offer. In this book, you will find many subjects, most of which I have encountered and about which I wrote a poem. Some are humorous, but the majority are thoughtful and serious. I hope you will take the time to read the poems whose titles draw your interest.

Swan Song of My Era (U.S. Edition) Elsie Swain ,2021-04-20 What happens when Hope Vale, an aspiring Vitiligo make-up artist who wants to eradicate the market of whitening products meets Spes Zrey, an arrogant Hugo-Boss awardee struggling to shape her Designer dream, as they envision reshaping Asia into the next Fashion empire together? Swan Songs Salima Ira Swain,2020-12-30 Swan Songs: Melodies of My Spirit is published in color and in black and white. This is the black and

white publication. The poems in this book are the sounds that sing in my spirit, inspired by my willingness to understand my sorrows and expand my Peace and Joy. Each Melody is introduced by a quote from A Course In Miracles. Each poem is preceded by a drawing or photo of swans personally owned by the author. As a reference of time, each poem is followed a date note in parenthesis. The majority of these poems were written in the last three months. They were inspired by an invitation to write from my Brother-In-Love, Na'Im Najieb. Aka iRev is a contemporary mystic, author, musician, speaker, and teacher of the wisdom and principles of A Course In Miracles. He patiently and graciously guided me through the entire process of writing, editing and publishing my first book. SIS 1/1/2021

Swan Song Armen Davoudian,2020-10-13 Poetry. California Interest. Middle Eastern Studies. LGBTQIA Studies. Winner of the 2020 Frost Place Chapbook Competition. A swan song is a song of departure: after a lifetime of silence, the legend goes, the mute swan breaks into song just before leaving this world for good. Armen Davoudian's SWAN SONG chronicles what it's like to take leave of a home, a country, a past life. In their search for a home in language, these poems combine the formal resources of English and Persian poetry, turning the immigrant's permanent sense of loss and rootlessness, the gay person's sense of alienation, into artistic assets--positions of outsiderhood from which to witness and record.
