Sweet Nothings Catherine Anderson,2007-01-02 Discover why readers and critics have called the Coulter family novels “romantic through and through” (Publishers Weekly) with this poignant contemporary romance from New York Times bestselling author Catherine Anderson. Molly Wells is keeping a lot of secrets. Such as why she’s stolen her ex-husband’s expensive stallion and driven him hundreds of miles to the ranch of horse whisperer Jake Coulter. And why she’s arrived with no job, no money, and an all-consuming fear. Molly may be willing to risk everything to save the stallion, but it’s herself she really needs to save... By making a place for Molly on his ranch, Jake suspects that he may be harboring a thief. But there’s something about this courageous yet vulnerable woman that tugs on his heartstrings. He yearns to shower her with the greatest gifts he has to give—his home, his heart, and his life to share. But until she’s strong enough to accept them, all he can offer is the patience to win her slowly, the strength to fight her enemies, and the promise to love her forever...

**Sweet Nothings** Janis Thomas,2013-07-02 Life’s sweetest moments happen when you least expect them . . . When Ruby McMillan’s husband announces one morning that he’s dumping her for another woman, she’s unable to decide which indignity stings the most: the dissolution of their eighteen-year marriage or the deflation of her white-chocolate soufflé with raspberry Grand Marnier sauce. Without a good-bye to their two teenaged children, Walter leaves Ruby to cope with her ruined dessert, an unpaid mortgage, and her failing bakery. With only royal icing holding her together, Ruby still manages to pick herself up and move on, subsidizing her income with an extra job as a baking instructor, getting a “my-husband’s-gone” makeover, and even flirting with her gorgeous mortgage broker, Jacob Salt. For as long as she can remember, Ruby has done what’s practical, eschewing far-fetched dreams and true love in favor of stability. But suddenly single again at the age of forty-four, she’s beginning to discover that life is most delicious when you stop following a recipe and just live.

Sweet Nothings: the Chosen One Prequel Macy Blake,2018-09-24 Sam Baker couldn't be more normal. He's a teacher at the local middle school and the most exciting part of his day is dealing with a classroom full of hormonal preteens. His life takes a turn for the weird one stormy night when he finds a small boy on his doorstep. A boy who growls, flashes unnaturally blue eyes, demands for Sam to call the alpha-- whatever that is-- and gives Sam the one name he wishes he could forget: Vaughn Jerrick. Vaughn Jerrick is the alpha to a pack of wolf shifters and a doctor to the supernatural world. After sharing a steamy one night stand with Sam years ago, Vaughn couldn't consider the possibility of a future with the man, no matter how much he wanted him. Bringing a human into his world is against the rules, but one phone call changes everything, and Vaughn finds himself face-to-face with the man who could give him everything he's ever wanted. Rescuing one small child turns into saving six from a dark and uncertain fate, and although Sam doesn't understand the world he's been forced into, he would never turn his back on children in need, even if it means confronting his past with Vaughn. As Vaughn and Sam join forces to protect the children put into their care, the future they've both dreamed of is within their reach, but first they need to survive the sinister force looking to rip away everything they've come to hold dear.

*Sweet Nothings by Moonlight* Jo McNally, 2020-06-01 He's back to prove their love is worth another chance, but old secrets may jeopardize his plans for a new beginning. The last person Evie Rosario ever expected to see back in Rendezvous Falls was Mark Hudson. High school sweethearts despite their vastly different upbringings, she thought they were meant to be—until he left suddenly with no explanation. Now focused on her family's business, Evie's invested in her future, not her past, no matter how good Mark still looks. She hates that the spark is still there, but is he really here to stay? After a decade away, Mark's heart still races each time he sees Evie. He left town years ago thinking he was protecting her from his family's scheming, but all he did was hurt her and forgo his dreams of being an artist, forced to follow a path that's never been his. Mark has never stopped loving Evie, and he's returned to right the wrongs that pulled them apart. But, with her guard up, will he be able to convince her they deserve a second chance at first love?

Sweet Nothings Megan Derr, 2021-04-19 All Oakley wants is a quiet life, to run his cupcake shop in peace, chat with the regulars, and be left alone otherwise. Well, he'd also like a lover and a house full of kids, but thanks to his asshole relatives and their attempts to murder prominent members of the Lost Shifters Foundation, that's not likely to happen anytime soon. So he settles for quietly pining after men who will never look at him that way. Then a sudden burst of impulse leads to a date-a date quickly ruined by an unexpected murder that is almost immediately followed by another, and another...

Sweet Nothings Tory Baker, 2020-02-24 Luke Drake is obsessed with his job. He lives and breathes it. He likes routine and being able to keep his world calm while chaos is all around him. Every single morning, Kinsley Alexander can look at the clock and know when the next bell above the door goes off, it's going to be Luke. Kinsley thinks Luke Drake is a jerk. He doesn't have time for the world around him and she's pretty sure his most prized possession is his phone. It's either glued to his ear, or his thumbs are moving a million miles a minute across the screen. On a fluke, she decides to write little messages on his cup. Maybe it will make him come up for air and enjoy life. If anyone ever needed that, it would be Luke. When that doesn't seem to work, she gets up the nerve to talk to Luke instead. Finally, Luke sees something other than his phone. What he sees is beauty so incredible it takes his breath away. What he sees is Kinsley and he's not letting her get away. She's meant to be his. Tory's back to wish you a Happy Valentine's Day. Except she's not bringing you candy or flowers. She's bringing you an over the top Alpha that might be hard to wrangle, but is proof that when a girl

whispers a few little words, while love is in the air, miracles happen. If sweet, hot, melt in your mouth heroes are your dessert of choice. Don't worry, Tory has you covered with this one.

**Sweet Nothings** David Harrower, 2010-03-04 A young man has an affair with a married woman. He is terrified her husband will challenge him to a duel and kill him. Meanwhile he toys with the affections of another and, for a moment, life seems full of joy. The doorbell rings. The husband enters the room. Based on Schnitzler's play *Liebeleil*, David Harrower's *Sweet Nothings* captures the power of sexual longing, the cruelty of tradition and the vulnerability of those in love. The play premieres at the Young Vic, London, in March 2010. 'I write of love and death. What other subjects are there?' Arthur Schnitzler.

**Sweet Nothings** Jim Elledge, 1994-06-22 In the final section of the book the poets comment on the relationship between their works and rock and roll.

Murder Unmentionable Meg London, 2012-09-04 *Sweet Nothings* has it all: silk ribbon, Venetian lace, the best bra fitter in town... and two unsolved murders. Emma Taylor thought she knew what to expect when she abandoned life as a big-city fashionista to help her aunt, Arabella, breathe new style into *Sweet Nothings*, her waning lingerie boutique. As Emma settles back in to Paris, Tennessee—a world where pie is served with a parable and a pitcher of sweet tea is the cure for most of life's ills—her escape seems smooth as silk. But when the town acquires a touch of unneeded *je ne sais quoi* with the arrival of Emma's philandering ex, an unseemly murder turns her world inside out. As the police's top suspect, Emma is going to need more than fishnets to snare the real killer. And when she and Arabella refuse to let death threats wrapped in knifed nighties stall *Sweet Nothings'* vintage lingerie fashion show, it becomes increasingly clear that any garter may hide a gun and that bullet bras might have to live up to their name...

Sweet Nothings Ana Grasya, 2022-03-25 May the heart, in its exhaustion, remember to rest and indulge into the sweet memories of love songs resounding from its yesteryears. These are the soft rambles that filled your mind as you lay awake in bed at the early hours of dawn. Those austere longings that snared your heart, relentless as the wind blowing on the trees, swift as the waves kissing the sand, tenacious as the rain chiming in with the beat of the music coming from your stereo, they are here—neatly scribbled and compiled into an anthology. These are your stories. The love notes you hastily jotted down at the last page of your high school textbook, the poems you composed during your weekend getaways, the letters you struggled to ink on stationeries while ardently wishing that one day, the love of your life will find and read them. They are finally here. The long walks on the beach. The late-night conversations. The sultry kisses at the back seat of your car. The lingering glances. The love songs. The promises. The sweet nothings! They are all here, captured in prose and poetry. So, dear reader, bury your nose on the pages with utmost gusto. Whether you are a sojourner, a bold and willing settler, or a classic runaway in love, you've had your own share of sweet nothings, I am sure. Allow yourself to remember. Allow yourself to rediscover your youth, relive the love stories that ended, make peace with the pains they caused. Above all, allow yourself to breathe and celebrate the love stories that won over the years and stayed.
