

Swiss Post

John M.T. Balmer, Laura Illia, Almudena González del Valle Brena

The Carriage of Goods in Swiss Law Vesna Polić Foglar, 2022-08-19 The Swiss legal regime differs considerably from the regimes of its neighbouring countries. Swiss law on the carriage of goods is based on the provisions of the Code of Obligations from the early 20th century. Some other laws, various ordinances and international conventions that govern different modes of transportation also apply. All this makes this field of law complex – not only for non-Swiss professionals. This book gives a comprehensive overview of the contract of carriage and the carriers' and freight forwarders' liability, the insurance of goods and of liability, the jurisdiction of Swiss courts and the possibilities of recourse actions. The Carriage of Goods in Swiss Law provides valuable knowledge to properly handle transport business, claims and insurance. It offers reflections on the shortcomings and the development of Swiss laws and regulations. Written for practitioners and lawyers in the country and abroad, the book can serve to all those whose claims may be decided before a Swiss court. Vesna Polić Foglar is an of-counsel in Zurich with over 20 years of experience. She specialises in Swiss transport law, the international carriage of goods, transport insurance and in dealing with transport claims.

Postal Services in the Digital Age M. Finger, B. Bukovc, M. Burhan, 2014-06-11 In recent years, the postal sector has undergone radical changes, which have primarily been driven by operational and technological developments. Not only has the advent of Information and Communication Technology (ICT) added competition to the market, but it has also provided ample opportunity for the broadening and improvement of services and product range. This book deals with the challenges faced by the postal sector in the digital age, and with the vast opportunities that technological advancements offer postal operators with regard to developing new business solutions and services tailored to the needs of their customers. It provides an analysis of these opportunities and identifies the ways in which postal operators might benefit from the digital age and new market requirements. The book is divided into three main parts: various digital dimensions; e-commerce challenges; and opportunities for partnership with governments. A final chapter discusses the developments described in the book and the views and ideas of the authors. The book will be of interest to all those responsible for developing and running postal services, as well as to anyone affected by the changes which have already taken place or the possibilities opening up for new and improved services.

Saving the Mail Rick Geddes, 2003 A comprehensive overview of the U.S. Postal Service, its organization, and its performance since its creation by the 1970 Postal Reorganization Act.

Innovation Management and Corporate Social Responsibility Reinhard Altenburger, 2018-09-21 This book provides readers with in-depth insights into Corporate Social Responsibility (CSR) and sustainability strategies, as well as their impacts on product and process innovation, business models and social innovation around the globe. It explains how resource issues, climate change, the impacts of pollution and economic activities, and emerging social challenges inevitably lead to changes in the business environment, cost structure and competitive advantage. Further, it highlights how these changes influence the process of innovation, and how companies can gain an edge by integrating stakeholder groups in their innovation process, and by considering sustainability and the needs of society at large. The book reflects the immense strides made in recent years in the discussion about the relationship between business and society, and demonstrates the increasing impact on innovation management.

The Future of the Postal Sector in a Digital World Michael Crew, Timothy J. Brennan, 2015-11-28 Worldwide, postal operators have been slow to address the threats from and opportunities created by electronic competition. The European Commission and member states are wrestling with these issues, while

at the same time continuing to deal with the interrelated issues of implementing entry into postal markets and maintaining the universal service obligation. The Postal Accountability and Enhancement Act of 2006 in the U.S. exacerbated financial and managerial problems faced by USPS that result in part from electronic substitution for letter delivery. A major aim of this book is to examine policies to address postal operations in a digital world and ways in which postal operators might reinvent themselves to respond to threats and exploit opportunities. Potential opportunities examined include parcels, e-commerce, digital delivery, regulatory innovations and pricing. This book will be of interest to postal operators, regulatory commissions, consulting firms, competitors and customers, experts in the postal economics, law, and business, and those charged with the responsibility for designing and implementing postal sector policies. Researchers in regulatory economics, transportation technology and industrial organization will also find considerable food for thought in this volume.

Economy, Company, Management Jean-Paul Thommen, Stefan Grösser, 2014-02-01 This book presents the fundamentals of business administration upon which the individual functions such as marketing, production, finance, human resources and management are based. It focuses on the following questions: - What is the relevant macroeconomic context for a company? - What are the main characteristics of a company? - Which tasks does managing a company involve? - How important is the environment of a company? - Which goals does a company pursue? The book aims at everyone who deals with these basic questions of business administration and who wants to understand how a company functions in its economic, ecological, social, and legal environment.

Progress in the Competitive Agenda in the Postal and Delivery Sector Michael A. Crew, Paul R. Kleindorfer, 2009-01-01 Regulation continues to be an important issue in the postal and delivery sector of the global economy. This latest volume in the Advances in Regulatory Economics series reflects the latest research on trends and policies affecting the postal sector and progress made in the industry's competitive agenda. It is global in scope and covers a broad range of legal and economic issues from leading scholars, researchers, and policy makers. Topics covered include: service quality and price caps, the impact of price regulation on service quality, financing the USO, cost analysis and pricing of innovative postal products, postal demand studies, the effects of intermedia competition; mail order demand; Internet advertising, trends in direct mail, legal and regulatory issues related to the postal sector, competitive strategies in the parcel market, and environmental impacts of mail. The book also provides concrete analyses of the driving forces underlying restructuring, transformation and privatization strategies of postal operators. Scholars and practitioners in public sector economics and postal regulation will appreciate this in-depth treatment of their industry.

Switzerland, Post Report , 1985

OECD Reviews of Regulatory Reform: Switzerland 2006 Seizing the Opportunities for Growth OECD, 2006-03-31 This review explores the opportunities for better regulation within the Swiss institutional framework.

Capitalism, The Swiss Model Alan W. Ertl, 2014-06-10 An economic survey of the Swiss economy, demonstrating successful functional capitalism.

Emerging Competition in Postal and Delivery Services Michael A. Crew, Paul R. Kleindorfer, 2013-03-09 Emerging Competition in Postal and Delivery Services brings together practitioners, postal administrators, the courier industry, regulators, academic economists and lawyers to examine important policy and regulatory issues facing the postal and delivery industries. This volume reviews such topics as cost and productivity analysis, universal service and entry, demand analysis and the structure of postal payment system, price regulation and competition.

Electronic Voting Robert Krimmer, Melanie Volkamer, David Duenas-Cid, Peter

Rønne, Micha Germann, 2022 This open access book LNCS 13353 constitutes the proceedings of the 7th International Conference on Electronic Voting, E-Vote-ID 2022, held in Bregenz, Austria, in October 2022. The 10 full papers presented were carefully reviewed and selected from 39 submissions. The conference collected the most relevant debates on the development of Electronic Voting, from aspects relating to security and usability through to practical experiences and applications of voting systems, also including legal, social, or political aspects, amongst others.

Agreement Between the United States Post Office Department and the Swiss Postal Administration, Concerning the Exchange of Parcel Post with Regulations of Execution Etats-Unis. Post office department, Suisse. Administration des postes, 1932

Contemporary Perspectives on Corporate Marketing John M.T. Balmer, Laura Illia, Almudena González del Valle Brena, 2013-07-24 Corporate marketing and corporate communications are topics that have grown in scholarly and practical importance in these last decades. Fields such as branding, marketing communications and public relations have all contributed to this boost. Whilst there is a large amount of literature on each of these disciplines, there is little systematic development from the perspective of corporate marketing and corporate communication studies, although these two have the most to contribute to how companies manage their brands, image and corporate identities in the 21st Century. This book seeks to redress this balance and provide insights, via case studies or histories, on issues such as nation branding, managing multiple corporate identities during merger and acquisitions and establishing a company's CSR and green image. Scholars from various disciplines within the fields of public relations, branding, marketing and corporate identity have come together in *Contemporary Perspectives on Corporate Marketing* to offer the latest approaches and studies in these areas. As such, it will become a platform for developments in the field and serve as a respected reference resource for corporate marketing and corporate communication studies.

The Postal and Delivery Contribution in Hard Times Pier Luigi Parcu, Timothy J. Brennan, Victor Glass, 2023-03-10 This book includes original essays by prominent researchers and practitioners in the field of postal and delivery economics, originally presented at the 29th Conference on Postal and Delivery Economics held online, September 1-3, 2021. The central focus of the book is the short and long-term impact of covid-19 pandemic on the sectors, both from the economic and regulatory perspectives. Other important topics include the unstoppable growth of e-commerce and the implications for delivery market; solutions for the "last mile", and the associated challenges in terms of sustainability. Chapters also discuss traditional topics for postal and delivery sectors, such as the competitive dynamics in the sector, the business strategies of postal operators, as well as the definition and funding of the Universal Service Obligation. This book will be a useful tool not only for graduate students and professors interested in postal and regulatory economics, but also for postal administrations, consulting firms, and federal government departments.

Handbook of Worldwide Postal Reform Michael A. Crew, Paul R. Kleindorfer, James I. Campbell, 2009-01-01 The postal and delivery sector has been the subject of considerable interest in recent years. This book brings together a number of contributions directed at understanding developments in the field of postal reform. The authors review the experience and plans of individual countries to provide some perspective on the problems faced in the area and the varied approaches being taken to address it. They also review key elements of policy and strategy that are important in this debate.

Postal Strategies Pier Luigi Parcu, Timothy J. Brennan, Victor Glass, 2023-04-25 This edited book includes original essays by prominent researchers and practitioners in the field of postal and delivery economics, originally presented at the 30th Conference on Postal and Delivery Economics

held in Rimini, Italy, May 25-27, 2022. The central foci of the book are the role of digital platforms in the postal sector and the impact of vertically integrated firms in delivery markets. Other important topics include the regulation of parcels and their environmental footprint, in light of the innovations affecting the so-called last mile, and the effects of the COVID-19 pandemic on the postal sector, on both the global and local levels. Chapters also discuss traditional topics for postal and delivery sectors, including postal costs, the funding of Universal Service Obligation (USO) and the related role of Universal Service Providers. This book is a useful tool not only for graduate students and professors interested in postal and regulatory economics but also for postal administrations, consulting firms, and federal government departments.

U. S. Postal Service Phillip Herr, 2011-05 The foreign postal operators (foreign posts) in industrialized countries have been experiencing declining letter mail volumes and have modernized their delivery and retail networks to address this challenge. This report reviewed the innovations and initiatives that foreign posts are using and the lessons the U.S. Postal Service (USPS) might learn to help it address plummeting mail volumes and record financial losses. The report examines initiatives foreign posts have implemented to improve mail delivery and retail networks and related results, and modernization strategies used by foreign posts that can inform consideration of proposals to improve USPS's financial condition and customer service. Illus. This is a print on demand report.

Swiss Post Introduction

In the digital age, access to information has become easier than ever before. The ability to download Swiss Post has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Swiss Post has opened up a world of possibilities. Downloading Swiss Post provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of

a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Swiss Post has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Swiss Post. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Swiss Post. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Swiss Post, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Swiss Post has

transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Swiss Post Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
