Fadeout Joseph Hansen,2014-01-30 After forty years, Hammett has a worthy successor' The Times Dave Brandstetter stands alongside Philip Marlowe, Sam Spade and Lew Archer as one of the best fictional PIs in the business. Like them, he was tough, determined, and ruthless when the case demanded it. Unlike them, he was gay. Joseph Hansen's groundbreaking novels follow Brandstetter as he investigates cases in which motives are murky, passions run high, and nothing is ever as simple as it looks. Set in 1970s and 80s California, the series is a fascinating portrait of a time and a place, with mysteries to match Chandler and Macdonald. In Fadeout, Dave is sent to investigate the death of radio personality Fox Olsen. His car is found crashed in a dry river bed. But there is no body - and as Dave looks deeper into his life, it seems as though he had good reasons to disappear.

The Syndicate 2 Brick,Storm,2017-01-31 All hell has broken loose, and the McPhearson clan is right in the middle of the chaos. After finding out their beloved foster mother, Claudette McPhearson, was anything but the sweet old woman they thought her to be, Javon, Shanelle, and the rest of their siblings hit the ground running in order to keep the Syndicate operating and to keep themselves alive. That also means they have to lose some of the people they love the most. With the legacy of their mother and her plans for them in motion, the McPhearson children are operating on a broken foundation. Attacked on all fronts, Javon and Shanelle are struggling to keep the family normal, while following the criminal plans of their dead mother. The Syndicate is growing, and Javon is determined to bring in new blood while looking for those who killed Claudette. Not to mention, something odd is going on with all of his siblings that threatens to rock the family to the core. Will the McPhearson clan fall in order for the Syndicate to rise, or will the truth end the legacy before it can even begin?

The Syndicate Shelena Shorts,2012-07 For centuries, the Petrescu family has been protecting society from a danger that moves among the population undetected. Eighteen-year-old Vasi Petrescu has never had a problem carrying out his duty, but, when ordered to eliminate a seventeen-year-old girl, he is immediately taken out of his comfort zone. The Syndicate has never targeted a female before, yet somehow this one has ended up on more than one hit list. Vasi would like to find out why, but there may not be time. Now, he'll have to decide whether or not to keep her alive even if it means going against his own family. The action, mystery, and conspiracy in The Syndicate will take readers on an immersing journey in which decisions are not only life changing, but irreversible.

The Syndicate 3 Brick,Storm,2017-10-31 When Claudette McPhearson died, she left eight foster children to fend for themselves after they discovered the truth about her secret life. She was the leader of the Syndicate, a criminal enterprise that had a stronghold on the underworld. Much to her children's chagrin, it was up to one of them to step up and take the lead. Javon, her oldest and most trusted son, took on that mantle. It was a role he had never wanted, but with threats to his family coming from every direction, he had no choice. One year later, Javon has taken the Syndicate to the next level. Javon seems untouchable, and the Syndicate can't be stopped, but as it grows, it draws attention. This time, it's from the Commission, the ruling body of the world's most dangerous mafias. "You scratch my back and I'll scratch yours" comes into play as the Old Italian needs Javon's help. The Commission has been threatened, and they call on the Syndicate for reinforcements. The Syndicate aims to help its allies, but the past comes knocking at the McPhearsons' door. With everything coming full circle, Javon will find that not everyone can be trusted, and ghosts from the past always have a way of coming back to haunt you.

The Syndicate: Beyond the Legend Sean Stalzer,2011-06-01 Continue on a fascinating journey through the history of online gaming as seen through the eyes of The Syndicate, one of the oldest and most successful player organizations in the history of gaming. Learn the secrets to creating, maintaining and growing your own stable online community. More than fifteen years of Syndicate experience are boiled down into a formula for success that you can apply to your guild. Time tested methodologies and lessons are shared to help you create success for yourself and your friends. Look into the future of MMORPGs. The key to the future success of online gaming is meeting an ever changing set of player expectations. We explore how developers can and should meet them in the years ahead. The successful games of the future will be the ones nimble enough to meet those expectations. Also included are forewords by John Smedley (President of Sony Online Entertainment) and Curt Schilling (Founder of 38 Studios and 3 Time World Series Champion). Visit us at LLTS.org

The Business of Crime Humbert S. Nelli,1981-04-15 A myth-dispelling, analytical survey of Italian involvement in organized crime, from late-nineteenth-century Sicily to present-day America, and of the careers of prominent Italian-American mobsters.

Beyond the Dream Syndicate Branden W. Joseph,2008-05-16 Examining Tony Conrad's collaborative interactions as a guiding thread by which to investigate the contiguous networks and discursive interconnections in 1960s art. Tony Conrad has significantly influenced cultural developments from minimalism to underground film, concept art, postmodern appropriation, and the most sophisticated rock and roll. Creator of the structural film, The Flicker, collaborator on Jack Smith's Flaming Creatures and Normal Love, follower of Henry Flynt's radical anti-art, member of the Theatre of Eternal Music and the first incarnation of The Velvet Underground, and early associate of Mike Kelley, Tony Oursler, and Cindy Sherman, Conrad has eluded canonic histories. Yet Beyond the Dream Syndicate does not claim Conrad as a major but under-recognized figure. Neither monograph nor social history, the book takes Conrad's collaborative interactions as a guiding thread by which to investigate the contiguous networks and discursive interconnections in 1960s art. Such an approach simultaneously illuminates and estranges current understandings of the period, redrawing the map across medium and stylistic boundaries to reveal a constitutive hybridization at the base of the decade's artistic development. This exploration of Conrad and his milieu goes beyond the presentation of a relatively overlooked oeuvre to chart multiple, contestatory regimes of power simultaneously in play during the pivotal moment of the 1960s. From the sovereign authority invoked by Young's music, to the paranoid politics of Flynt, to the immanent control modeled by Conrad's films, each avant-garde project examined reveals an investment within a particular structure of power and resistance, providing a glimpse into the diversity

of the artistic and political stakes that continue to define our time.

The Syndicate Guy Bolton, 2018-09-20 THE HOTLY ANTICIPATED NEW THRILLER FROM THE AUTHOR OF THE PICTURES – SHORTLISTED FOR THE CWA NEW BLOOD AWARD. June 1947. Jonathan Craine has left his old life in Hollywood behind him. But when notorious gangster Bugsy Siegel is murdered, Craine is summoned back to Las Vegas to find his killer. All he has helping him is a lone crime reporter with her own agenda. He only has five days. Or there will be fatal consequences for Craine and his son.

The Grapevine of the Black South Thomas Aiello, 2018 In the summer of 1928, William Alexander Scott began a small four-page weekly with the help of his brother Cornelius. In 1930 his Atlanta World became a semiweekly, and the following year W. A. began to implement his vision for a massive newspaper chain based out of Atlanta: the Southern Newspaper Syndicate, later dubbed the Scott Newspaper Syndicate. In April 1931 the World had become a triweekly, and its reach began drifting beyond the South. With *The Grapevine of the Black South*, Thomas Aiello offers the first critical history of this influential newspaper syndicate, from its roots in the 1930s through its end in the 1950s. At its heyday, more than 240 papers were associated with the Syndicate, making it one of the biggest organs of the black press during the period leading up to the classic civil rights era (1955-68). In the generation that followed, the Syndicate helped formalize knowledge among the African American population in the South. As the civil rights movement exploded throughout the region, black southerners found a collective identity in that struggle built on the commonality of the news and the subsequent interpretation of that news. Or as Gunnar Myrdal explained, the press was the chief agency of group control. It [told] the individual how he should think and feel as an American Negro and create[d] a tremendous power of suggestion by implying that all other Negroes think and feel in this manner. It didn't create a complete homogeneity in black southern thinking, but it gave thinkers a similar set of tools from which to draw.

Charm of Favor Brooks Agnew, 2017-12-25 For nearly 5,000 years, the world had been ruled from wooden ships by one man. 241 years ago, the Founding Fathers declared a new course for the human race. Freedom and Liberty were unalienable rights given by God, not government. Through these rights, the People would control a revolutionary new type of government declared in 1776. Unsuccessful in war against the Americans, less than 75 years later, the Globalist Elites formed a new Syndicated Party that would remove the power of Congress, and began legislating from secret think tanks. Again, and again they tried to destroy America, even going so far as to assassinate its Presidents. In 1929, they collapsed the money supply, evaporated the Middle Class, and established the Agency Government. Almost immediately, that untouchable government began ruling the country. In 2001, they changed the world forever. By 2016, the Clinton Crime Syndicate had become a global consortium of bribery, influence peddling, murder, and subterfuge planning to seize the Presidency itself. But things did not go as planned. For 30 years, Donald Trump refined and polished his plan to make America great again. His upset victory in 2016 came at the hands of tens of millions of awakened Americans who had nearly lost hope. Now, the Syndicate is planning another catastrophic attack to win back their power and subdue the most powerful nation in history. This book is based on a true story of that struggle against those who seek global domination. The events are portrayed as accurately as possible. Travel with my fictional characters on a journey through truth that you will never forget. None of the names have been changed, in memory of the actual men and women who lost their lives fighting the most powerful and corrupt crime syndicate the world has ever known.

Terminal Point K. M. Ruiz, 2012-06-19 Blade Runner meets X-Men in this follow-up to *Mind Storm* where humanity faces extinction and it's up to a group of rogue psions to save society. Fans of Charles Stross and Hannu Rajaniemi will lose themselves in this adventure as Threnody Corwin and her team of rogue Strykers contend with the aftermath of the events in *Mind Storm* and the unlocking of a new kind of psion power. They're on the run with Lucas Serca, who is closer than ever to destroying the World Court and his father's grip on the planet. Targeting the hidden cache of the planet's food supply meant to transform Mars into a paradise for the chosen few, Lucas triggers an escalating fight with the ruling government as worldwide chaos ensues. It's up to Threnody to save society before it destroys itself, but the cost is high and in the end, there is no such thing as compromise. There is only survival. In *Threnody Corwin*, K. M. Ruiz has created the coolest and most bad-ass sci-fi heroine since Signourney Weaver portrayed Ripley in the *Alien* films and *Terminal Point* takes her to the next level.

Syndicate Introduction

In todays digital age, the availability of Syndicate books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Syndicate books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Syndicate books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Syndicate versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Syndicate books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them.

This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Syndicate books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Syndicate books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Syndicate books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and

manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Syndicate books and manuals for download and embark on your journey of knowledge?
