But she is saved by the most unlikely of heroes, Triktapic, an elfin assassin in the service of the dark elf king. When Trik realizes Cassie is his Chosen, his loyalties become divided. Will Trik continue to serve his dark nature, or will he choose the one destined for him and leave his life of darkness behind. His decision just might cost them both their lives. Elfin Quinn Loftis, 2012-12-23 Never fall for a dark elf assassin. Before tonight, Cassie Tate's biggest concerns were whether she could pass Algebra and how she was going to keep Elora, her emo best friend, from dressing her in a skimpy fairy costume for Halloween. Then Cassie saw something no human was ever supposed to see ... an elf in its true form. The penalty for such a transgression ... death. The only one who can save Cassie now is the person most unlikely to do so. Triktaptic--assassin, spy, and the most feared warrior in the entire dark elf army. Known to his associates as Trik, the dark elf assassin is the best to ever do the job. He kills who he must, has mercy on no one, and never tires of seeing his prey fall. The dark elf king has plans to expand his kingdom into the human world, and Trik will lead the charge. But when a chance encounter brings the assassin face-to-face with the

most beautiful human he's ever seen, Trik faces uncertainty for the first time in his life. He knows the girl is much more than a simple human, but he fears the truth of her identity will slay him faster than an army of light elves. Now, Trik has a choice. Will he continue to follow the darkness in his soul that has led him so faithfully his entire life, or will the light and goodness within a simple human girl be enough to overcome the darkness in his heart. The widow runs the keep with an iron fist, her daughters and everyone else fear her. A quick, by chance glimpse of a young, beautiful woman has him determined to meet her. Syndra of Mardoon knew that after her father's death, her stepmother would never allow her to be anything more than a servant in her own home. With the scheming ploys put forth by her stepmother already in play, Syndra is reluctant to believe that the handsome new lord can

set things right at Mardoon. But one touch of Keran's lips convinces Syndra otherwise, and she finds herself surrendering to him... mind, body and soul. Publisher's Note: This historical romance is intended for adults only and contains elements of intrigue, suspense, mystery, danger, sensual themes, and power exchange. Misguided Nathan Zako Forester, 2024-01-17 About the Book It has been over three centuries since the Captain of the Guard, Molglove Deathblade, single-handedly overthrew High King Oedipus. Since then, he has crushed every insurrection that has threatened his reign, causing most to give up hope of escaping his tyranny. But there are few that still fight against him. Rosner of Tikthrim did not think he would be one of them. Strange things happen in a rapid series of events, all stemming from whispers in the wind. Given nothing but a fairy tale of a promise, Rosner is forced to begin a journey across Omnimentus, undergoing trials he is wildly unprepared for. His only driving force is the desire to find, and save, his brother. Secrets are revealed, or further complicated. A world which Rosner never dreamed of experiencing opens to him, but all he wants is his brother.

Surrender Quinn Loftis, 2015-09-15 "So I just might die a virgin after all. That's what sucks about the end of the world, you just don't plan for it and once it's upon you it's too late. It's been a few weeks since I've had time to actually write anything down, which sucks because more has happened in my life in the past three weeks than it has in all my seventeen, (soon to be eighteen) years. So I'm going to give you a quick recap, because my diary is totally a living breathing thing and really cares...not. Basically we are on the run from Lorsan, the dark elf king, while also looking for the Book of the Elves, which he stole

(butt head), while at the same time attempting to shut down the sale of Rapture, a liquid drug the dark elves devised to enslave the human race. If you ask me their goals are a little lofty, but then nobody asked me, and therein lies their problem. But our problems don't end there. On top of trying to get Rapture out of the human realm and taking out Lorsan, we also have to rescue Cassie's parents. Apparently there's a dark elf who is delusional and believes Cassie is his Chosen reincarnated. So naturally he thought kidnapping her parents would win her heart. Loser. What happen to love notes and flowers? Anyways, now you're caught up, roughly. The point is, life is about as jacked up as it can get at the moment. I would like to be able to give some Braveheart worthy speech and say that we totally got this, but honestly, I have no idea if we can pull this off." ~Elora

The Passion of Orpheus Bryce Walton, 2011-05-23 He was the last man and only he make the music to bring life again...excerpt Brother Hammond pointed to the far horizon. The City's in that direction, but I can't say how far, my boy. I've forgotten. But a long way. You'll take some cheese and pemmican biscuit, but you'll have to forage along the trail. It'll be dangerous- strange beasts and who knows what kind of men? A hawk dropped through the clouds and fell like a black stone past the high promontory on which Jonathan Scott stood. Brother Scott said, I've prayed all day, since you told me I was chosen to carry the Song, that the Divine Ultimate Reality behind appearances would guide me in safety. You were chosen, my boy, because you play the Song with greater passion than any of us. Brother Hammond's harsh brown robe flattened in the high wind against his bent, bony frame. He took the ritual cylinder from the cloth bag suspended from his neck. He turned a dial to refresh his mind with the Temple Voice. He was old, and sometimes he forgot the

older words. You hear the words, Jonathan, my boy? Even the Voices of the Temple are fading, growing old. The words were scratchy and distant. Brother Hammond blinked and whispered. It was so long ago when we Elders were sent from the Temple with the Song. Four hundred years-. Longevity is a hard burden, my boy. Maybe you should be grateful you don't have to carry it. Jonathan's shoulder-length blond hair glittered as he threw his head back to the sun. His eyes were bright with the ecstasy of anticipation. He would carry the Song! The cylinder spoke in a kind of fading whisper: The Word is the Song! The two on the height repeated it, chanting softly: The Word is the Song. The Song is the WordThe Song is the Word. The Song is the Key to salvation, for all hope and realization . . . Jonathan's eyes were glassy and hot, and his throat felt dry. Sanctus . . . Sanctus . . . Spokesman of the Divine, Revealer of the Reality behind Appearances ... the Integrating Principle of the Universe . . . So they listened and repeated the old, old instructions from the Temple .. Jonathan said goodbye to the people who lived in the Valley of the Preservers of the Song. A hundred and thirty in all- men, women and children- the workers coming in from the fields to their stone huts, the women preparing the evening meal in open stone furnaces to be served on flat stone plates.

Rapture Quinn Loftis, 2013-12-24 Triktapic, the deadly dark elf assassin, has been restored by the Forest Lords to his rightful place as king of the Elven realm. Now, he must face his former comrades as he attempts to stop Lorsan, king of the dark elves, from enslaving the human race. Lorsan has already begun distributing Rapture, the irresistible drink that destroys those who unknowingly become addicted to it. Will Cassie, his Chosen, be able to give Trik the strength he needs to face his dark past? Meanwhile, Cassie's best friend, Elora, is in a fight for her own life. They fight for a King once lost, but now found. They fight for the human realm that doesn't yet know it is in need of saving. They fight for love; a love that has already been discovered and a love that is waiting to be revealed. Despite their valiant efforts, the band is captured and held captive by the dark elf king. The peaceful world that Cassie and Elora knew is long gone, shattered by their realization that elves walk secretly among them, and are bent on their destruction. Soon, each of the girls will be forced to choose her own path. Cassie must decide to which world she belongs and Elora must decide if she will fight for a warrior hell bent on keeping her from his side. Two species, human and elf, stand on the precipice of war, united in one goal; shatter the dark elf king's plan, and unite a divided race under the rule of the one true King.

The Representation of Meaning in Memory (PLE: Memory) Walter Kintsch, 2014-05-23
Originally published in 1974, this volume presents empirical and theoretical investigations

of the role of meaning in psychological processes. A theory is proposed for the representation of the meaning of texts, employing ordered lists of propositions. The author explores the adequacy of this representation, with respect to the demands made upon such formulations by logicians and linguists. A sufficiently large number of problems are encompassed by the propositional theory to justify its use in psychological research into memory and language comprehension. A number of different experiments are reported on a wide variety of topics, and these test central portions of this theory, and any that purports to deal with how humans represent meaning. Among the topics discussed are the role of lexical decomposition in comprehension and memory, propositions as the units of recall, and the effects of the number of propositions in a text base upon reading rate and recall. New problems are explored, such as inferential processes during reading, differences in levels of memory for text, and retrieval speed for textual information. On the other hand, a study of retrieval from semantic memory focusses on a problem of much current research. The final review chapter relates the present work to other current research in the area at the time.

Pleasure Rites Ines Johnson, 2021-04-20 What starts as a simple ritual soon turns carnal when a monk falls for a betrothed woman under his tutelage. Growing up in a world where men outnumber women ten to one, I escape a lonely existence and become a Pleasure Monk. When one of our precious, rare women chooses the men who will be her protectors and bondmates, I instruct them in the art of feminine pleasure. Though I can never find a love of my own, at least I have a purpose in teaching others to cater to a woman's every sexual need. Or I had a purpose. My services were sought after by many bonded females.

Until the day I screwed up. Literally. Now I have a final chance to redeem myself. If I fail again, the entire Order of Pleasure Monks is in jeopardy. However, when I meet my new charge, all my plans crumble into dust. Lady Chanyn is pure perfection, a blessing from the Goddess, who awakens my heart and my loins. I will risk anything to have her—my brothers, my vows, my future. I will not stop until she is mine.

Alta:Trials R.L. Robinson,2023-10-06 From her seat above the world, the goddess watched a rotting sea of boiling flesh spill from the dark corners of her lands, gathering and melding into a horrid beast with a single purpose, to drown her lands in suffering. The goddess leaned forward in her seat, looking down on her world, moving her vision back and forth along the endless, ever forking stream of time, searching intensely for a break in her protections. A place this creature could have exploited to get past her veil and onto Alta, hoping she would be able to seal it, preventing what was coming. She found nothing. This darkness would make it past her defenses. She had to accept that and focus on what to do next. What could she do to save her world? The answer came quickly, closely followed by a commingling of anger and disappointment. What she had to do was clear; she would need to act from within the veil. It was the only way to save Alta. It was also impossible. By her own law, the goddess couldn't intervene directly in matters that were within the veil. Leaving her no choice. She needed a surrogate. A creature that would wield a fraction of her divinity and be reborn in her world to stand against this darkness. It was her only choice. It also made her sick to think of. In a flash, she conceived of a better idea. One that

wouldn't put her power into unworthy hands. Her vision switched to a world barren of magic and gods to find what she needed. Her sight settled on a nameless mortal. A mortal whose hands were drenched in blood and whose mind was broken beyond repair. His life was meaningless, and his soul would be damned in any just world, making him perfect. The goddess sat back in her throne and put her plans into motion. The trial of Alta had begun.
