

Syusuke Fuji

Yusaku Hanakuma

First Snow on Fuji Yasunari Kawabata, 2000-10-12 The stories of Yasunari Kawabata evoke an unmistakably Japanese atmosphere in their delicacy, understatement, and lyrical description. Like his later works, *First Snow on Fuji* is concerned with forms of presence and absence, with being, with memory and loss of memory, with not-knowing. Kawabata lets us slide into the lives of people who have been shattered by war, loss, and longing. These stories are beautiful and melancholy, filled with Kawabata's unerring vision of human psychology. *First Snow on Fuji* was originally published in Japan in 1958, ten years before Kawabata received the Nobel Prize. Kawabata selected the stories for this collection himself, and the result is a stunning assembly of disparate moods and genres. This new edition is the first to be published in English.

Fujirama Philip J. Cunningham, 2016-12-12 FUJIRAMA is a work of fiction, a fun-filled meditation on what it means to be in Japan without really being part of it, to find oneself at odds with everything despite those memorable moments when it seems like anything is possible. The story follows the twists and turns of American rewriter at a Japanese TV station who cranks out rewrites and snappy slogans until he suddenly finds himself a fugitive from society, escaping to the mountains as an illegal alien. Collin is aided in his escape from the law by two female co-workers from the TV station -- office assistant Jianhong, and superstar announcer Miki-- who are poles apart in power and status, but share the common frustration of trying to make it in a man's world. Even when the three principal characters end up in the same bed, they dream very different dreams. Set against the magnificent backdrop of Mount Fuji, the characters battle the elements, the expectations of society, and one another during an off-season Sino-Japanese friendship climb recorded by a TV documentary crew. The risk of earthquakes and avalanches is never far, but pales before human folly that threatens the peace and amity between nations. Even in its cruelest incarnations, nature is a terrible beauty, but also, ultimately, an inspiration and guide. The three main characters fall in and out of trouble and in and out of love, but face no greater challenge than looking in the mirror. Packed with wit, conflict, insouciance, insolence and devilish fun, FUJIRAMA offers an off-the-rails adventure that offers serious food-for-thought and insightful observations along the way. Mount Fuji itself might be said to be a character in the drama, too, an aloof witness to the folly of men and women as a foolhardy TV crew crawls up its sweeping surface in an epic search for truth, beauty and love in all the wrong places.

Voices of a Distant Star Makoto Shinkai, 2002 Mikako Nagamine is recruited as a pilot to fight in the interstellar war against a force of alien invaders, leaving behind her one true love. Mikako's only connection to Noboru Terao, who continues living the life of an ordinary student, is through cell phone text messages. As Mikako travels light years away, it takes longer and longer for Noboru to receive her messages, until finally one arrives eight years and seven months after she sent it...

Tokyo Zombie Yusaku Hanakuma, 2008 Horror-comedy manga about two blue-collar factory workers and jiu-jitsu experts who deal with a zombie uprising in Tokyo. Fujio and Mitsuo accidentally kill their overbearing boss and bury him in a man-made mountain, where tons of rotting garbage contaminated with industrial waste transforms the bodies of the dead into ravenous, flesh-eating zombies. A few years later, post-apocalyptic Tokyo has become a feudalistic society in which the rich make slaves fight zombies in gladiator death matches. Fujio and Mitsuo meet again...

Geschmacksmustergesetz Rudolf Nirk, Helmut Kurtze, 1997

Comics and Pop Culture Barry Keith Grant, Scott Henderson, 2019-12-13 It is hard to discuss the current film industry without acknowledging the impact of comic book adaptations, especially considering the blockbuster success of recent superhero movies. Yet transmedial adaptations are part of an evolution that can be traced to the turn of the last century, when comic strips such as “Little Nemo in Slumberland” and “Felix the Cat” were animated for the silver screen. Representing diverse academic fields, including technoculture, film studies, theater, feminist studies, popular culture, and queer studies, Comics and Pop Culture presents more than a dozen perspectives on this rich history and the effects of such adaptations. Examining current debates and the questions raised by comics adaptations, including those around authorship, style, and textual fidelity, the contributors consider the topic from an array of approaches that take into account representations of sexuality, gender, and race as well as concepts of world-building and cultural appropriation in comics from Modesty Blaise to Black Panther. The result is a fascinating re-imagination of the texts that continue to push the boundaries of panel, frame, and popular culture.

Yeah, reviewing a book **Syusuke Fuji** could amass your near friends listings. This is just one of the solutions for you to be successful. As understood, achievement does not recommend that you have fantastic points.

Comprehending as with ease as bargain even more than additional will pay for each success. next to, the proclamation as capably as insight of this Syusuke Fuji can be taken as skillfully as picked to act.

Table of Contents Syusuke Fuji
