Miami Beach Horacio Silva,2020-10-01 Considered by many as the country's most dynamic, fastest growing and sexiest city, Miami is more popular than ever before. Yet, it is a city that doesn't merely change but evolves, never rewriting the past, just adding to its illustrious heritage. And this is the real beauty of Miami. The chic Surf Club and the vibrant Faena Hotel did not replace the emblematic Raleigh of the 1940s nor the Ritz Carlton of the 50s, rather they complement them. Classics like Joe's Stone Crab continue to serve their signature fare to sell-out crowds each night, as new establishments attract with name chefs. The iconic art deco architecture remains on full display as the modern Herzog & de Meuron-designed Perez Art Museum stands in stark contrast. Replete with arts and culture year round from the international art at The Bass to the street art of Wynwood Walls, each December, the city is taken over by the global cultural elite for Art Basel Miami Beach, a fair that attracts over 80,000 visitors who turn out for the momentous art, such as Maurizio Cattelan's show stopping "Comedian", and the exuberant festivities hosted each evening.

Book, Bath, Table, and Time: Fred P. Edoe,2007-12-01 Book, Bath, Table, and Time: Christian Worship as Source and Resource for Youth Ministry, offers practical and proven ideas that center youth ministry in liturgy and worship, with playfulness and practicality to successfully engage the younger generation. With solid theological grounding, Fred P. Edie provides suggestions on how youth can practice the ordo, the ancient church's ordered life around its liturgical holy things: bath (Baptism); book (Scriptures); table (Eucharist); and calendar (the prayerful patterning of time). Through this book, youth leaders will be able to guide Christian youth to experience God's presence and take up their baptismal vocations before God and for the world.

St. Moritz Chic Dora Lardelli,2020-01-01 Nestled in Switzerland's alpine Engadin Valley, St. Moritz stands on its own amidst a sea of celebrated ski resorts in that it has long maintained an elusive allure. The winter home of personalities from Gunter Sachs and Gianni Agnelli to Sofia Loren, Elizabeth Taylor, Audrey Hepburn, John Lennon, and Claudia Schiffer, there are few places in the world that manage to unite so many of the top names in cinema, art, and fashion all in one place, year after year. Author Dora Lardelli takes the reader on a journey through Chanel and Hitchcock's favorite haunts and the hidden parties at Badrutt's Palace where royalty goes to play, without forgetting the natural beauty, village charm and architectural mastery that define it. St. Moritz also takes readers on a majestic tour of its special events, from Winter Olympics to the annual Snow Polo World Cup, as well as the summertime Jazz Festival and the British Classic Car Meeting. In St. Moritz creatives and royals share skiwassers slope-side on the sheepskin benches of El Paradiso, pause to sip champagne on long strolls around its frozen, crystalline lake and enjoy coffee and confections at the centuries old Hanselmann. St. Moritz has never lost its inimitable appeal, and will continue to reign as an elegant hideaway for all those who have come to call it a home away from home.

St. Tropez Soleil Simon Liberati,2020-03-01 The legend of St. Tropez starts with a dog, a rooster, and a martyr; and it leads to movie stars, world-renowned artists and distinguished writers. Located on the sparkling French Riviera, St. Tropez has enjoyed the spotlight for more than half a century, for better or worse, with celebrities flocking to this idyllic locale for its beaches and a dose of Mediterranean sun. A picturesque oasis, St. Tropez has served as inspiration for a who's who of notable writers from Françoise Sagan to Colette; as well as renowned artists Paul Signac and Henri Matisse; and even filmmakers. However, St. Tropez would not be the same without then belle du jour Brigitte Bardot, her films and lovers and many other famous couples including Annabel and Bernard Buffet and Bianca and Mick Jagger.

Caribeños at the Table Melissa Fuster,2021-09-15 Melissa Fuster thinks expansively about the multiple meanings of comida, food, from something as simple as a meal to something as complex as one's identity. She listens intently to the voices of New York City residents with Cuban, Dominican, or Puerto Rican backgrounds, as well as to those of the nutritionists and health professionals who serve them. She argues with sensitivity that the migrants' health depends not only on food culture but also on important structural factors that underlie their access to food, employment, and high-quality healthcare. People in Hispanic Caribbean communities in the United States present high rates of obesity, diabetes, and other diet-related diseases, conditions painfully highlighted during the COVID-19 pandemic. Both eaters and dietitians may blame these diseases on the shedding of traditional diets in favor of highly processed foods. Or, conversely, they may blame these on the traditional diets of fatty meat, starchy root vegetables, and rice. Applying a much needed intersectional approach, Fuster shows that nutritionists and eaters often misrepresent, and even racialize or pathologize, a cuisine's healthfulness or unhealthfulness if they overlook the kinds of economic and racial inequities that exist within the global migration experience.

America's White Table Margot Theis Raven,2013-08-15 The White Table is set in many mess halls as a symbol for and remembrance to service members fallen, missing, or held captive in the line of duty. Solitary and solemn, it is the table where no one will ever sit. As a special gift to her Uncle John, Katie and her sisters are asked to help set the white table for dinner. As their mother explains the significance of each item placed on the table

Katie comes to understand and appreciate the depth of sacrifice that her uncle, and each member of the Armed Forces and their families, may be called to give. It was just a little white table... but it felt as big as America when we helped Mama put each item on it and she told us why it was so important. We use a Small Table, girls, she explained first, to show one soldier's lonely battle against many. We cover it with a White Cloth to honor a soldier's pure heart when he answers his country's call to duty. We place a Lemon Slice and Grains of Salt on a plate to show a captive soldier's bitter fate and the tears of families waiting for loved ones to return, she continued. We push an Empty Chair to the table for the missing soldiers who are not here... Margot Theis Raven has been a professional writer working in the fields of radio, television, magazines, newspapers, and children's books for 30 years. Margot's first children's book, *Angels in the Dust*, won five national awards, including an IRA Teacher's Choice Award. Her first book with Sleeping Bear Press, *Mercedes and the Chocolate Pilot*, was the runner-up for the 2004 Texas Bluebonnet Award. She lives with her family in Charleston, South Carolina. Mike Benny's illustrations have appeared in *Time*, *GQ*, *New Yorker* and *Sports Illustrated* Magazines. He has also been awarded two Gold Medals from the Society of Illustrators. This is Mike's first children's book. He lives in Austin, Texas with his wife Mary Ann and daughter Adele.

Truth's Table Ekemini Uwan, Christina Edmondson, Michelle Higgins, 2022-04-26 A collection of essays and stories documenting the lived theology and spirituality we need to hear in order to lean into a more freeing, loving, and liberating faith—from the hosts of the beloved Truth's Table podcast "The liberating work of Truth's Table creates breathing room to finally have those conversations we've been needing to have."—Morgan Harper Nichols, artist and poet Once upon a time, an activist, a theologian, and a psychologist walked into a group chat. Everything was laid out on the table: Dating. Politics. The Black church. Pop culture. Soon, other Black women began pulling up chairs to gather round. And so, the Truth's Table podcast was born. In their literary debut, co-hosts Christina Edmondson, Michelle Higgins, and Ekemini Uwan offer stories by Black women and for Black women examining theology, politics, race, culture, and gender matters through a Christian lens. For anyone seeking to explore the spiritual dimensions of hot-button issues within the church, or anyone thirsty to deepen their faith, Truth's Table provides exactly the survival guide we need, including: • Michelle Higgins's unforgettable treatise revealing the way "racial reconciliation" is a spiritually bankrupt, empty promise that can often drain us of the ability to do real justice work • Ekemini Uwan's exploration of Blackness as the image of God in the past, present, and future • Christina Edmondson's reimagination of what a more just and liberating form of church discipline might look like—one that acknowledges and speaks to the trauma in the room These essays deliver a compelling theological re-education and pair the spiritual formation and political education necessary for Black women of faith.

The Cat's Table Michael Ondaatje, 2012-06-12 From Michael Ondaatje: an electrifying new novel, by turns thrilling and deeply moving -- one of his most vividly rendered and compelling works of fiction to date. In the early 1950s, an eleven-year-old boy boards a huge liner bound for England. At mealtimes, he is placed at the lowly Cat's Table with an eccentric and unforgettable group of grownups and two other boys. As the ship makes its way across the Indian Ocean, through the Suez Canal, into the Mediterranean, the boys find themselves immersed in the worlds and stories of the adults around them. At night they spy on a shackled prisoner -- his crime and fate a galvanizing mystery that will haunt them forever. Looking back from deep within adulthood, and gradually moving back and forth from the decks and holds of the ship to the years that follow the narrator unfolds a spellbinding and layered tale about the magical, often forbidden discoveries of childhood and the burdens of earned understanding, about a life-long journey that began unexpectedly with a sea voyage.

All Options on the Table Rachel Elizabeth Whitlark,2021-11-15 When is preventive war chosen to counter nuclear proliferation? In All Options on the Table, Rachel Elizabeth Whitlark looks beyond systemic and slow-moving factors such as the distribution of power. Instead, she highlights individual leaders' beliefs to explain when preventive military force is the preferred strategy. Executive perspective—not institutional structure—is paramount. Whitlark makes her argument through archivally based comparative case studies. She focuses on executive decision making regarding nuclear programs in China, North Korea, Iraq, Pakistan, and Syria. This book considers the actions of US presidents John F. Kennedy, Lyndon B. Johnson, George H. W. Bush, Bill Clinton, and George W. Bush, as well as Israeli prime ministers Menachem Begin, Yitzhak Rabin, and Ehud Olmert. All Options on the Table demonstrates that leaders have different beliefs about the consequences of nuclear proliferation in the international system and their state's ability to deter other states' nuclear activity. These divergent beliefs lead to variation in leaders' preferences regarding the use of preventive military force as a counter-proliferation strategy. The historical evidence amassed in All Options on the Table bears on strategic assessments of aspiring nuclear powers such as Iran and North Korea. Whitlark argues that only those leaders who believe that nuclear proliferation is destabilizing for the international system will consider preventive force to counter such challenges. In a complex nuclear world, this insight helps explain why the use of force as a counter-proliferation strategy has been an extremely rare historical event.
