Tales of Symphonia Hitoshi Ichimura, 2010

The Cambridge Companion to Video Game Music

Melanie Fritsch, Tim Summers, 2021-04-29 A wide-ranging survey of video game music creation, practice, perception and analysis - clear, authoritative and up-to-date.

Musophilia Oliver Sacks, 2010-02-05 What goes on in human beings when they make or listen to music? What is it about music, what gives it such peculiar power over us, power delectable and beneficent for the most part, but also capable of uncontrollable and sometimes destructive force? Music has no concepts, it lacks images; it has no power of representation, it has no relation to the world. And yet it is evident in all of us—we tap our feet, we keep time, hum, sing, conduct music, mirror the melodic contours and feelings of what we hear in our movements and expressions. In this book, Oliver Sacks explores the power music wields over us—a power that sometimes we control and at other times don't. He explores, in his inimitable fashion, how it can provide access to otherwise unreachable emotional states, how it can revivify neurological avenues that have been frozen, evoke memories of earlier, lost events or states or bring those with neurological disorders back to a time when the world was much richer. This is a book that explores, like no other, the myriad dimensions of our experience of and with music.

Switched Jen Calonita, 2018-03-06 The fourth installment in the beloved Fairy Tale Reform School series where the teachers are (former) villains Reform or relapse? Things at Fairy Tale Reform School are great. Rumpelstiltskin has been ousted, and everyone is buzzing

about the fact that Beauty and Prince Sebastian (aka the Beast) have joined the teaching staff. Everyone, that is, except Gilly, who can't seem to focus on anything but Anna. How is it that her beloved sister somehow went bad and joined up with Rump? And why doesn't anyone seem to care? Sure, the Royal Court says they're working on it, but they've got exactly nothing to show for it. But when new-kid Jack joins FTRS with tales of his own family being snatched by Rump, Gilly knows she's in good company. Jack wants answers, just like Gilly. And if the Royal Court can't get the job done, then maybe it's time to break some rules... This series is perfect for read-alongs between parents and kids and engaging reluctant readers.
