Talon Dale Mayer,2018-08-07 Talon Lore, a former SEAL, has spent the last two years recovering from the damage done when his squad's truck drove over an antitank landmine. Six other team-mates were also badly hurt, the seventh dead, in what their team leader Badger Horley realized later had to be a trap set to take them out. After his best friend is run down, Talon realizes his murder ties in with the original incident that drove him and his squad hell-bent for revenge. A year ago, Talon walked

away from his girlfriend, Clary Witcher when she'd given him an ultimatum he couldn't win. Clary is the sister of his best friend killed in the hit-and-run. Determined to tell Clary in person that her brother's death was no accident and keep her safe from those now targeting her, Talon struggles with the haunting prospect of a reunion. Clary has never forgotten and never forgiven herself for chasing the man she loved and still loves away with her stupid, take-it-or-leave-it threat. Her brother's death is a tragedy she's barely dealt with when Talon shows up with answers that only beg more questions. He won't leave her side, certain her brother wasn't the only target. But Clary has learned one thing from her time away from him: Love--not trouble--needs to be Talon's reason for staying with her...even if sending him away means jeopardizing her own life. military romance; military; mystery and suspense; Action and adventure; Navy SEAL romance; SEAL; alpha hero; Romantic Suspense; Mystery; Suspense; light action; romance; Hero, strong female;

Dragons walk among us in human form...but soon the secretive Talon organization will make its move to fly from the shadows and take over the world, in this fiery young adult fantasy series perfect for fans of Marie Liu, Cassandra Clare and Gena Showalter! TALON To take her rightful place in the Talon organization, young dragon Ember Hill must prove she can hide her true nature and blend in with humans. Her delight at the prospect of a summer of “normal” teen experiences is short-lived, however, once she discovers that she’s also expected to train for her destined career in Talon. But a chance meeting with a rogue dragon will soon challenge everything Ember has been taught. ROGUE Ember Hill left the dragon organization Talon to take her chances with rebel dragon Cobalt and his crew of rogues. But she can’t forget Garret, the soldier of the dragonslaying Order of St. George who saved her from a Talon assassin—and by doing so, signed his own death warrant. SOLDIER Forced to choose between becoming an assassin for the dragon organization Talon and being hunted forever as an outcast, Ember Hill now stands with Riley and his band of rogue dragons. She’s lost contact with her twin brother, Dante, a Talon devotee, as well as Garret, the former enemy soldier who challenged her beliefs about her human side. LEGION Dragon hatchling Ember Hill was never prepared to find love at all—dragons do not suffer human emotions—let alone with a human, and a former dragonslayer at that. With ex-soldier of St. George Garret dying at her feet after sacrificing his freedom and his life to expose the deepest of betrayals, Ember knows only that nothing she was taught by dragon organization Talon is true. Talon, Come Fly with Me Gigi Sedlmayer, 2009 Talon: Come Fly With Me, is about the life of nine-year-old girl, Matica. Matica lives in a remote village on a dry plateau in the Andes of Peru. She

moved here with her Australian missionary and schoolteacher parents when she was five years old. Ever since Matica could remember, she faced cruel rejection because of a growth handicap that traps her in a body of a two-year-old. Because of her appearance, the local Indians wouldn't accept her into their community or allow her to play with their children. Under the watchful eyes of her parents, lonely Matica explores the plateau of the Andes. She found a pair of condors soaring near the mountains and with patience and a sense of adventure she befriended them. She named the condors Tamo and Tima and a strong bond and love developed between them. The adventure of this book begins two years later, as Matica helplessly witnessed poachers stealing the condors' egg from their nest. After a dramatic fight between Tamo and the poachers, the poachers abandoned the egg leaving it far from its nest. Being unable to bring it back to the nest, Tamo and Tima sent signals to Matica to take care of their egg. Later on, during Matica's tenth birthday, the condor egg hatches. The hatchling is called Talon and this story focuses on the self journey of Matica, as she teaches the little hatchling to fly. This experience changes her life completely and enables her to see a positive side to her handicap.
