La Santo's - You're Mine Tamia Saxton,2022-04-12 About the book: Do you know the La Santo's? You're about to very soon. After this you'll never forget the name! When Tamia leaves London will she ever find happiness in Italy or will it bring pain and misery all over again? When Tamia and Lorenzo meet will they come together or will it ruin them? Will Tamia be able to save his heart and pull him out the dark? Will Lorenzo be able to save Tamia from the deepest parts of herself? Will there ever be a happy ending through the pain and suffering that they go through? I guess you're going to have to find out. About the author: I was born and raised most of life in Washington D.C. I have two sisters and one brother, one niece and nephew that I love all of them dearly and hold them close to my heart. I'm thankful to my sisters and brother for believing in me but I'm mostly grateful for my best friend that I've known since sixth grade Tyshia. I would also like to thank my other best friend Shaneya. I went to Thomas Stone High School, it was a rocky four years but I made it through. I've made good friends there that I'm very thankful

for.
