Stephen Pantoja

Bronze Aegis Stephen Pantoja, 2019-09-18 The undead legions of Iuzerak have gathered under the banner of the villainous Black Friar, who seeks the Obelisk of Life to resurrect the dead god and unleash hell on the world of Tellus. Only the unlikely alliance of a novice wizard, a volatile mercenary, a renegade elven princess, a dishonored assassin, a doomed minotaur, a thieving gnome, and a defective mech, stand any hope of stopping the army of darkness known as the Hellmongers.

Noah Damaris Kofmehl, 2022-06-01 Die Welt ist gottlos und blutrünstig, als der junge Noah von Sklavenhändlern ins Zentrum des Bösen verschleppt wird. Nur eine Handvoll Menschen kennen noch ihren Schöpfer und Noah ist einer von ihnen. Als es kaum noch Hoffnung gibt, hört er inmitten seiner Qualen immer wieder Gottes Stimme, ein leises Flüstern in seinem Herzen ... Es zeigt sich: Wenn Gott einen Plan hat, wird er ihn ausführen. Er wird die Welt vernichten. Und sie erlösen.

Positioning the Brand Rik Riezebos, Jaap van der Grinten, 2012-03-15 Positioning is hot. Not only in the realm of consumer goods manufacturers, but also for other companies, institutions, governments and even individual persons. An explosion of good quality products on the market and targeted media and advertising campaigns has led to an increasing interest from organizations as to how to strategically position their brand. Up to now, only a few books on positioning were published. Positioning the Brand picks up the gauntlet with an approach based on two fundamental choices: Firstly, the book was written from the perspective of the brand manager, and has therefore been shaped as a practical roadmap. Secondly, this book advocates a new stance on positioning, teaching the reader to look from the inside-out, instead of adopting the usual outside-in methodology. This inside-out approach departs

from an analysis of the corporate identity, enabling better fulfilment of external positioning, and ensuring internal support. This book is intended for (future) managers, marketing professionals and communication professionals responsible for the commercial success and reputation of a brand. The contents have a practical set-up, reinforced by engaging examples, and enable the reader to individually complete a positioning process.

Fury of Magnus Graham McNeill, 2021-01-05 Delve deeper in to the Siege of Terra with this fantastic novella from Graham McNeill Of all the Emperor's sons who fell to Chaos, it is perhaps Magnus the Red whose tale is the most tragic. Sanctioned because of his desire for knowledge, chastised, judged and shattered to his very elements - there is much for the Crimson King to feel vengeful for. Yet revenge is not the only thing that draws him to Terra alongside the Warmaster's besieging armies. He seeks something, a fragment, the missing piece of himself that lies within the most impregnable place on the planet - the inner sanctum of the Imperial Palace. As the greatest conflict of the ages reaches fever pitch, Magnus fights his own inner battle. To be whole once more, he must not only overcome the fiercest of defences, but also face the one being whom he loves and hates with equal fervour more than any other - his errant father, the Emperor of Mankind.
