Monsterland Nathan Ballingrud,2020-10-02 Previously published as North American Lake Monsters. Monsterland is a new anthology TV series from Hulu based on Nathan Ballingrud's striking, bleak, and luminous debut collection, starring Kaitlyn Dever, Kelly Marie Tran, Jonathan Tucker, and Taylor Schilling, and more. Ballingrud's Shirley Jackson Award winning collection of gothic and uncanny stories investigates the loneliest and darkest corners of contemporary American life. Ballingrud's stories are love stories. They're also monster stories. Sometimes the monsters collected here are vampires or werewolves. Sometimes they wear the faces of parents, lovers, brothers, ex-wives—or the faces we see in our mirrors. The people in these stories, ex-cons, single parents, unemployed laborers, kids seduced by extremism, are stranded by life, driven to desperate acts by love and a longing for connection. Sometimes they're ruined; sometimes redeemed. They are always recognizably, wonderfully, terrifyingly human, even at their most monstrous.

You and I, as Mothers Laura Prepon,2020-04-07 "[Prepon] returns to the written word with this heartfelt, honest look at motherhood, styled as both informative guidebook and raw memoir." —Entertainment Weekly When actor, director, and author Laura Prepon first became a mother, she felt raw, full of stress, and blindsided. She sought out resources to help navigate this huge life transition, but only found books about childcare with almost nothing on the shelves about momcare. So, Laura decided to write the book she was looking for. You and I, as Mothers: A Raw and Honest Guide to Motherhood is part memoir, part handbook, as Laura digs into her own unconventional upbringing and investigates how it shaped her as a person and as a mother, with intimate stories and never-before-shared anecdotes brought forth in an effort to understand our collective experience as mothers. The book is packed with practical tips for moms of any age, at any stage of motherhood, such as stress reduction techniques, self-care, protecting one's partnership, asking for help, and getting a global perspective on maternity. Also included are easy and delicious

recipes, from ideas for kids-friendly food, to romantic dinner dates, and batch-cooking favorites that will help any parent feed their family. Unfiltered, honest, and insightful, Laura encourages the reader to acknowledge their challenges, embrace their strengths, and celebrate their victories as we navigate the greatest adventure of all: motherhood. “Every mother, partner, and friend can benefit from the evocative and hard-earned wisdom within these pages.” –Mila Kunis “A powerful multi-hyphenate manifesto examining the most important and often overlooked realities of modern motherhood, written with wit, extraordinary grace, and real guts.” –Amber Tamblyn

Shadows Bright as Glass Amy Ellis Nutt, 2011-04-05 On a sunny fall afternoon in 1988, Jon Sarkin was playing golf when, without a whisper of warning, his life changed forever. As he bent down to pick up his golf ball, something strange and massive happened inside his head; part of his brain seemed to unhinge, to split apart and float away. For an utterly inexplicable reason, a tiny blood vessel, thin as a thread, deep inside the folds of his gray matter had suddenly shifted ever so slightly, rubbing up against his acoustic nerve. Any noise now caused him excruciating pain. After months of seeking treatment to no avail, in desperation Sarkin resorted to radical deep-brain surgery, which seemed to go well until during recovery his brain began to bleed and he suffered a major stroke. When he awoke, he was a different man. Before the stroke, he was a calm, disciplined chiropractor, a happily married husband and father of a newborn son. Now he was transformed into a volatile and wildly exuberant obsessive, seized by a manic desire to create art, devoting virtually all his waking hours to furiously drawing, painting, and writing poems and letters to himself, strangely detached from his wife and child, and unable to return to his normal working life. His sense of self had been shattered, his intellect intact but his way of being drastically altered. His art became a relentless quest for the right words and pictures to unlock the secrets of how to live this strange new life. And what was even stranger was that he remembered his former self. In a beautifully crafted narrative, award-winning journalist and Pulitzer Prize finalist Amy Ellis Nutt interweaves Sarkin’s remarkable story with a fascinating tour of the history of and latest findings in neuroscience and evolution that illuminate how the brain produces, from its web of billions of neurons and chaos of liquid electrical pulses, the richness of human experience that makes us who we are. Nutt brings vividly to life pivotal moments of discovery in neuroscience, from the shocking “rebirth” of a young girl hanged in 1650 to the first autopsy of an autistic savant’s brain, and the extraordinary true stories of people whose personalities and cognitive abilities were dramatically altered by brain trauma, often in shocking ways. Probing recent revelations about the workings of creativity in the brain and the role of art in the evolution of human intelligence, she reveals how Jon Sarkin’s obsessive need to create mirrors the earliest function of art in the brain. Introducing major findings about how our sense of self transcends the bounds of our own bodies, she explores how it is that the brain generates an individual “self” and how, if damage to our brains can so alter who we are, we can nonetheless be said to have a soul. For Jon Sarkin, with his personality and sense of self permanently altered, making art became his bridge back to life, a means of reassembling from the shards of his former self a new man who could rejoin his family and fashion a viable life. He is now an acclaimed artist who exhibits at some of the country’s most prestigious venues, as well as a devoted husband to his wife, Kim, and father to their three children. At once wrenching and inspiring, this is a story of the remarkable human capacity to overcome the most daunting obstacles and of the extraordinary workings of the human mind.

Undiscovered Country Jennifer Gold, 2017-04-11 You can run from grief, but it will follow... Cat’s life is divided. There is the time Before her mom died, and After. When her mom got sick, Cat still did her homework and got accepted into college, while her father slowly shut down. Now, everything seems meaningless. Before, Cat was happy and had momentum. After, she feels stuck. And angry. There might be five stages of grief, but Cat can’t get past stage two. She’s so filled with rage, her doctor tries to medicate her. A pill to make her feel like a zombie? No thanks. When Cat finds a brochure for Students Without Boundaries – a volunteer program that will send her to South America – she grabs it. It’s her escape from the memories of her mother and the reality of her absence. But life as a “voluntourist” is not an escape. The new people and places Cat meets bring new perspectives and challenges she never expected. Life may still have meaning after all.

Menstruation Now What Does Blood Perform? Berkeley Kaite, 2019-04-01 Each of the eight chapters in this volume addresses menstruation and/or menstrual blood in various media sites with a view to answering the question, what does blood perform? Menstrual blood may be enduringly feminine but it is never just one thing. *Menstruation Now* contains chapters on: the shifting “conversation” of menstruation in contemporary advertising; menstrual blood and the “female complaint” in Alice Munro’s short story, “Chance”; the signification of menstrual blood in legal discourse; blood as a para-text in pornographic films; the placement of Jacqueline Kennedy Onassis’s phantasized menstrual blood in biographies of her; contemporary menstrual art; menstrual blood as liminal space in Ingmar Bergman’s film *Cries and Whispers*; and, unruly blood in the TV show *Orange Is the New Black*. Blood is performative: disruptive, noisy, aesthetically fluid, difficult to discipline. It can thus, now as always, be performed again in the service of new meanings and experiences.

Born with Teeth Kate Mulgrew, 2015-04-14 Raised by unconventional Irish Catholics who knew how to drink, how to dance, how to talk, and how to stir up the devil, Kate Mulgrew grew up with poetry and drama in her bones. But in her mother, a would-be artist burdened by the endless arrival of new babies, young Kate saw the consequences of a dream deferred. Determined to pursue her own no matter the cost, at 18 she left her small Midwestern town for New York, where, studying with the legendary Stella Adler, she learned the lesson that would define her as an actress: Use it, Adler told her. Whatever disappointment, pain, or anger life throws in your path, channel it into the work. It was a lesson she would need. At twenty-two, just as her career was taking off, she became pregnant and gave birth to a daughter. Having already signed the adoption papers, she was allowed only a fleeting glimpse of her child. As her star continued to rise, her life became increasingly

demanding and fulfilling, a whirlwind of passionate love affairs, life-saving friendships, and bone-crunching work. Through it all, Mulgrew remained haunted by the loss of her daughter, until, two decades later, she found the courage to face the past and step into the most challenging role of her life, both on and off screen. We know Kate Mulgrew for the strong women she's played -- Captain Janeway on Star Trek ; the tough-as-nails Red on Orange is the New Black. Now, we meet the most inspiring and memorable character of all: herself. By turns irreverent and soulful, laugh-out-loud funny and heart-piercingly sad, Born with Teeth is the breathtaking memoir of a woman who dares to live life to the fullest, on her own terms.

Orange Is the New Black Piper Kerman, 2010-04-06 #1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for Orange Is the New Black “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.”—People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.”—Elizabeth Gilbert, author of Eat, Pray, Love “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.”—Los Angeles Times “Moving . . . transcends the memoir genre’s usual self-centeredness to explore how human beings can always surprise you.”—USA Today “It’s a compelling awakening, and a harrowing one—both for the reader and for Kerman.”—Newsweek

Legendary Locals of Wayland Evelyn Wolfson, 2015-03-09 Wayland’s historic district is dominated by the 1815 First Parish Church, designed and built by Andrews Palmer of Newburyport, who adapted an Asher Benjamin design. The Rev. Edmund Sears served as minister for 17 years and wrote “It Came Upon the Midnight Clear” for a First Parish Sunday school celebration in 1849. Wealthy Bostonians soon established summer homes in town. Willard Austin Bullard purchased the residence beside the church and christened it Kirkside, and William Power Perkins purchased Mainstone Farm and established the first Guernsey cow farm in the state. By the mid- to late 1800s, Cochituate Village was dominated by a well-established shoe industry and stately Victorian homes lined the streets. A little more than a century later, the town was preparing for an influx of folks from the city. Howard Russell and Allen Benjamin created an official town map, designating streets, and delineating the established uses for the town’s 15.2 square miles. Thanks to the vision and hard work of these men and others like them, the town still retains a semblance of its rural atmosphere with almost 3,000 acres of permanently protected open space.
