Teacup Rebecca Young,2016-10-04 A stunning picture book that addresses life's big journeys with hope, beauty, and reassurance School Library Journal [STARRED REVIEW!] "[A] moving, allegorical tale... inspiring reflection and empathy" Kirkus Reviews [STARRED REVIEW!] "A potent discussion starter... Enchanting, beautiful, and full of hope. " Booklist [STARRED REVIEW!] "A lyrical tale of leaving home and finding a new one...Thought-provoking and arrestingly beautiful." A boy must leave his home and find another. He brings with him a teacup full of earth from the place where he grew up, and sets off to sea. Some days, the journey is peaceful, and the skies are cloudless and bright. Some days, storms threaten to overturn his boat. And some days, the smallest amount of hope grows into something glorious. At last, the boy finds land, but it doesn't feel complete . . . until another traveler joins him, bearing the seed to build a new home. With lyrical text and gorgeous artwork, this poignant picture book is perfect for discussing all of life's toughest challenges—a big move, a divorce, long-distance separation, or even the current refugee crisis—in a way that's reassuring and inspiring for children and adults alike.

Storm in a Teacup: The Physics of Everyday Life Helen Czerski,2017-01-10 "[Czerski's] quest to enhance humanity's everyday scientific literacy is timely and imperative."—Science Storm in a Teacup is Helen Czerski's lively, entertaining, and richly informed introduction to the world of physics. Czerski provides the tools to alter the way we see everything around us by linking ordinary objects and occurrences, like popcorn popping, coffee stains, and fridge magnets, to big ideas like climate change, the energy crisis, or innovative medical testing. She provides answers to vexing questions: How do ducks keep their feet warm when walking on ice? Why does it take so long for ketchup to come out of a bottle? Why does milk, when added to tea, look like billowing storm clouds? In an engaging voice at once warm and witty, Czerski shares her stunning breadth of knowledge to lift the veil of familiarity from the ordinary.

A Teacup Collection Kathleen Morris,2015-03-17 In paintings as pretty as the porcelain they depict, this gift book celebrates one of the finest teacup collections in the world: the 300-piece archive of the Clark Art Institute, which dates back to the eighteenth century and represents coveted designs of the day from Europe and China. Artist Molly Hatch, with exclusive access to this largely unviewed collection, pored over the details of each cup to create this visual treat. Including page after page of paintings of the cups, and led off by introductory essays, this is both an intriguing reflection on the art of collecting and an utterly charming gift for tea drinkers and teacup collectors.

Whiskey in a Teacup Reese Witherspoon,2018-09-18 Academy award-winning actress, producer and entrepreneur Reese Witherspoon invites you into her world, where she infuses the southern style, parties and traditions she loves with contemporary flair and charm. Reese Witherspoon's grandmother Dorothea always said that a combination of beauty and strength made southern women 'whiskey in a teacup'. We may be delicate and ornamental on the outside, she said, but inside we're strong and fiery. Reese's southern heritage informs her whole life, and she loves sharing the joys of southern living with practically everyone she meets. She takes the South wherever she goes with bluegrass, big holiday parties, and plenty of Dorothea's fried chicken. It's reflected in how she entertains, decorates her home, and makes holidays special for her kids - not to mention how she talks, dances and does her hair (in these pages, you will learn Reese's fail-proof, only slightly insane hot-roller technique). Reese loves sharing Dorothea's most delicious recipes as well as her favourite southern traditions, from midnight barn parties to backyard bridal showers, magical Christmas mornings to rollicking honky-tonks. It's easy to bring a little bit of Reese's world into your home, no matter where you live. After all, there's a southern side to every place in the world, right?

Murder in a Teacup Vicki Delany, 2022-06-28 In national bestselling author Vicki Delany's second delightful Tea by the Sea mystery, Cape Cod tearoom proprietress and part-time sleuth, Lily Roberts, stirs up trouble when she unwittingly serves one of her grandmother's B&B guests a deadly cup of tea... Lily has her work cut out for her when a visit from her grandmother Rose's dear friend, Sandra McHenry, turns into an unexpected—and unpleasant—McHenry family reunion. The squabbling boils over and soon Tea by the Sea's serene afternoon service resembles the proverbial tempest in a teapot. Somehow, Lily and her tearoom survive the storm, and Sandra's bickering brethren finally retreat to Rose's B & B. But later that evening, a member of their party—harmless Ed French—dies from an apparent poisoning and suddenly Tea by the Sea is both scene and suspect in a murder investigation! Mercifully, none of the other guests fall ill. They all ate the same food, but Ed insisted on bringing his own special blend of herbal teas. So it seems, amid the whining and dining, someone snuck up to one of Lily's cherished teapots and fatally spiked Ed's bespoke brew, but who? Was it Ed's long-estranged sister-in-law? Did teenage troublemaker Tyler take a prank too far? Or perhaps the family's feuds have been steeping for longer than anyone realizes? It's up to Lily, Rose, and their friends to get to the bottom of the poisoned pot and bag the real culprit behind the kettle murder plot.

Karen, the older sister, thinks running a haunted teahouse might be fun, until the sisters come home one night to find the attic stairs covered in a trail of what appears to be blood. Is it a ghost or a warning? The teahouse's new mascot, a psychic macaw, may provide some unexpected clues, but the sisters will encounter many more surprises before they solve this mystery.
