Tekkon Kinkreet Taiyō Matsumoto,2007 Black and White, two orphans who roam the streets of Treasure Town, beat down any thug or yakuza who threaten their home.

TEKKONKINKREET: Black & White Taiyo Matsumoto,2007-09-25 2008 Eisner Comic Winner Street urchins Black and White have skyscraper-sized chips on their shoulders, but are fiercely loyal to each other. Black is especially quick to avenge any slight against his dim-witted pal. The result? The citizens of Treasure Town are afraid of them, the police are afraid of them--even the local yakuza gangsters are afraid of them But when the crime boss known as the Rat returns to Treasure Town, it looks like there's gonna be a rumble... The violence in this unique European-influenced manga title is more mindful than it seems at first glance, and the subtle relationships between its unique cast of characters are marked by surprising poignancy.

Tekkonkinkreet: Black & White 30th Anniversary Edition Taiyo Matsumoto,2023-11-28 In the somewhere-sprawl of Treasure Town, two young boys, Black and White, rule the streets. Like avatars of the city itself, they are its will and its voice, full of love and compassion, as well as danger and violence. As they leap from rooftop to rooftop, from lamppost to lamppost, nothing escapes their notice. But the city is changing beneath their feet as a yakuza-backed corporate development moves in. When the gangsters make a play to remove Black and White, the boys push back. The police have an interest in Black and White as well, trying to make sure things don't get out of hand—but things will. A battle begins between corruption and innocence, a struggle for the soul of the city itself, that will change Black and White and the city around them forever. -- VIZ Media

Tokyo on Foot Florent Chavouet, 2012-10-23 This prize-winning book is both an illustrated tour of a Tokyo rarely seen in Japan travel guides and an artist's warm, funny, visually rich, and always

entertaining graphic memoir. Florent Chavouet, a young graphic artist, spent six months exploring Tokyo while his girlfriend interned at a company there. Each day he would set forth with a pouch full of color pencils and a sketchpad, and visit different neighborhoods. This stunning book records the city that he got to know during his adventures. It isn't the Tokyo of packaged tours and glossy guidebooks, but a grittier, vibrant place, full of ordinary people going about their daily lives and the scenes and activities that unfold on the streets of a bustling metropolis. Here you find businessmen and women, hipsters, students, grandmothers, shopkeepers, policemen, and other urban types and tribes in all manner of dress and hairstyles. A temple nestles among skyscrapers; the corner grocery anchors a diverse assortment of dwellings, cafes, and shops--often tangled in electric lines. The artist mixes styles and tags his pictures with wry comments and observations. Realistically rendered advertisements or posters of pop stars contrast with cartoon sketches of iconic objects or droll vignettes, like a housewife walking her pet pig, a Godzilla statue in a local park, and an urban fishing pond that charges 400 yen per half hour. This very personal guide to Tokyo is organized by neighborhood with hand-drawn maps that provide an overview of each neighborhood, but what really defines them is what caught the artist's eye and attracted his formidable drawing talent. Florent Chavouet begins his introduction by observing that, Tokyo is said to be the most beautiful of ugly cities. With wit, a playful sense of humor, and the multicolor pencils of his kit, he sets aside the question of urban ugliness or beauty and captures the Japanese essence of a great city in this truly vital portrait.

My Begging Chart Keiler Roberts,2021-11-25 Keiler Roberts mines the passing moments of family life to deliver an affecting and funny account of what it means to simultaneously exist as a mother, daughter, wife, and artist. Drawn in an unassuming yet charming staccato that mimics the awkward rhythm of life, no one's foibles are left unspared, most often the author's own. When Roberts considers whether or not to dust the ceiling fan, it's effectively relevant. She can get lost in the rewarding melodrama of playing Barbies with her daughter and will momentarily snap out of her depression. Her harmless fibs to get through the moment are brought up by her daughter a year or two later, yet without hesitation Roberts will request that her daughter's imaginary friend not visit when she is around. Her MS diagnosis lingers in the background, never taking center stage. In *My Begging Chart*, her most encompassing work yet, Keiler meditates on routine and stillness. The vignettes of her everyday life exude immense presence, making her comics thoroughly relatable and reflective of our all-too-human lives as they unfold with humour, sadness, and relieving joy. In transporting these stories onto paper, Keiler observes, and at times relishes, a fleeting present.

GoGo Monster Taiyo Matsumoto,2013-01-29 Third grader Yuki Tachibana lives in two worlds.
