

Temple Of Light

Brendan G. Carr

The Temple of Light Daniela Piazza, 2015-06-09 On the brink of death, the Duke of Milan entrusts his only heir to the church, which is guarding a thousand-year-old secret. It is the early fifteenth century, and the Italian peninsula is ravaged by war. While Milan fights for its political and economic life, Duke Filippo Maria Visconti lies on his deathbed with no heir to succeed him. But the old nobleman has a secret: He has a son. Visconti hands over the one-year-old child to the archdeacon Onorio, who agrees to keep him safe. Little does young Niccolò know that when he comes of age, he will inherit the great Visconti fortune and become the city's next duke. Years later, in the shadows of a new cathedral, the members of a secret brotherhood practice alchemy and plot court intrigues, working to fulfill the ancient prophecy of the goddess Belisama. The brothers, sustained by blind faith, will do whatever it takes to achieve their Grande Opera, but first they need peace in the city, and Niccolò is the only one who can help. But when he starts to witness mysterious rites and killings, Niccolò will be forced to reconsider his destiny.

The Temples of Light Danielle Rama Hoffman, 2009-10-21 A guide to the open-heart wisdom and secret rites of passage of thirteen sacred temples in Egypt • Provides information on how to thrive as we move from the Piscean to the Aquarian age • Offers guided meditations and rituals that connect to the ancient power of the Flower of Life, the Djed Pillar, the Ka, the energy body, and more The Temples of Light guides the reader, as the initiate, on a spiritual journey through thirteen of Egypt's sacred temples--a journey into the sanctuary of the open heart. Each sacred site is a portal to ancient wisdom that can assist the modern-day pilgrim with everyday life issues and struggles--love, purpose, money, and health--and the deeper questions of enlightenment and our divine origin. Danielle Rama Hoffman opens up sacred rites of passage that historically have been kept

secret to forge a relationship with the temples of Egypt as allies and spirit guides. For example, the temple of Sakkara is associated with abundance; the temple of Abydos with remembering. The initiations in this book awaken intuition and the Sahu--the fully realized self--allowing connections to the power, magic, and wisdom of such sacred symbols as the Flower of Life, the Djed Pillar (the backbone of Osiris), the Ka, and the energy body. Hoffman's guided meditations, rituals, and exercises also raise the reader's vibration level, as we move from the Piscean to the Aquarian age. Embodying the wisdom of the open heart of these temples imparts a shift in consciousness from fear to bliss, from powerlessness to empowerment, opening the body, mind, and spirit to the infinite possibilities within.

Entering the Temple of Light Nancy Kimes, 2018-08-29 The book is about meditation (the process and basic steps to make it easy to do), inspiration (words that touch your heart and soul), and healing. As you enter the Temple of Light, you will be led to chambers that will speak to your heart and soul. The meditations are inspired with illustrations to help you connect and feel the process of each journey each chamber takes you through. You will gain an inner reflection, which will show you who you are; wisdom, which will help you make better choices and decisions; and healing, which includes personal stories that will give you insights toward self-healing.

Bridge of Light LaUna Huffines, 1993 This popular guide to expanding consciousness includes practical meditation and visualization techniques and breathing exercises for creating inner peace. Shows how to overcome unhealthy patterns from the past, deal with job and relationship changes, and accept the challenge of creating a personal role in transforming the world. National TV programs.

The Temple of Light Kal Spriggs, 2017-01-11 The greatest threat is the one that you don't see coming. Lieutenant Alannis Giovanni has proven herself in battle, but now she has to face a far more personal threat. She and the crew of the UCS Constellation will have to fight off Reese's other pursuers, infiltrate pirate bastions, and defeat aliens bent upon the destruction of humanity in an effort to stop Reese from activating the superweapon. The Temple of God Annalee Skarin, 2017-07-31 "Death is the back door into the other world. It is not the door of honor and glory. Death is the torturous, round-about way of painful correction. It is the way for those who are not given a great welcome. It is the path of many delays, in which the erroneous ideas accumulated in life may be removed. It is the painful way of correcting the false beliefs and the false standards gathered along the road of life. It is the way of removing the seals that have been placed upon the mind through bigotry, evil, fleshly lusts, an inflated ego or an inferiority complex. Death is the way of nurturing immature, weak souls. It is the way of correction. "There is, however, a front door which is the way of utter glory and honor. This is the door Christ came to reveal and none would believe. This door is opened to all who overcome. It is opened by the very power of their overcoming. "This book is written to reveal, to those who are ready, the beauty and magnificence of that front door. It is a book written out of the fires of eternity. It is your book. It is the map to your own soul, the diagram of you, temple of God. It will reveal the secret powers that will show you how to overcome the thieves and throw out the money-changers. It is the revelation of that wonderful person you were meant to be, with all your unspeakable powers released for growth and

eternal happiness and supreme honor, now—and forever more.”—Annalee Skarin
