**Embracing 'Asia' in China and Japan** Torsten Weber,2017-12-13 This book examines how Asianism became a key concept in mainstream political discourse between China and Japan and how it was used both domestically and internationally in the contest for political hegemony. It argues that, from the early 1910s to the early 1930s, this contest changed Chinese and Japanese perceptions of 'Asia', from a concept that was foreign-referential, foreign-imposed, peripheral, and mostly negative and denied (in Japan) or largely ignored (in China) to one that was self-referential, self-defined, central, and widely affirmed and embraced. As an ism, Asianism elevated 'Asia' as a geographical concept with culturalist-racist implications to the status of a full-blown political principle and encouraged its proposal and discussion vis-à-vis other political doctrines of the time, such as nationalism, internationalism, and imperialism. By the mid-1920s, a great variety of conceptions of Asianism had emerged in the transnational discourse between Japan and China. Terminologically and conceptually, they not only paved the way for the appropriation of 'Asia' discourse by Japanese imperialism from the early 1930s onwards but also facilitated the embrace of Sino-centric conceptions of Asianism by Chinese politicians and collaborators.

**Global Warming Policy in Japan and Britain: Interactions Between Institutions and Issue Characteristics** Shizuka Oshitani,2013-08-31 This is the first book to attempt a systematic comparison of Japanese and British climate policy and politics, and is now available in paperback. Focusing on institutional contrasts between Japan and Britain in terms of corporatist or pluralist characteristics of government-industry relations and decision-making and implementation styles, the book examines how and to what extent institutions explain climate policy in Japan and Britain. In doing this, the book explores how climate policy is shaped by the interplay of nationally specific

institutional factors and universal constraints on actors, which emanate from characteristics of the global warming problem itself. It also considers how corporatist institutional characteristics may make a difference in attaining sustainable development. Overall this book provides a new set of comparisons of climate policy and new frameworks of analysis, which could be built on in future research on cross-national climate policy analysis.

*Medieval Armoured Combat* Dierk Hagedorn, Bartłomiej Walczak, 2018-07-30 The Gladiatoria group of German fencing manuscripts are several editions of a treatise on armoured foot combat, specifically aimed at duel fighting. Gloriously-illustrated, and replete with substantial commentary, these works are some of the greatest achievements in the corpus of late medieval fight books. These works have both tremendous artistic merit and incalculable historical value. In this remarkable full colour volume, authors Dierk Hagedorn and Bartłomiej Walczak elegantly present their work on the copy of this treatise now in the Yale Center for British Art, including a reproduction of the manuscript, a full transcription, and translations into English. The work includes a foreword by Sydney Anglo which explains how the work shows a highly sophisticated pedagogical system of movement and applauds the editors for presenting the material in a clear and practical way. Additional essays discuss other aspects of the manuscript - including a tale of Dierk Hagedorn's adventures tracking down the manuscript.

But there's mischief afoot behind the scenes of that contest--shady characters with shady plans that put the whole city at risk! Can Teacher and Fran thwart a conspiracy while also defending their curry's honor, or have they finally bitten off more than they can chew?

**Reincarnated as a Sword (Light Novel) Vol. 10** Yuu Tanaka, 2022-02-03 Murelia is vanquished--at a terrible cost. With both Teacher's blade and magic left shattered, he and Fran have no choice but to trust in the godsmith Alistaire, whose mansion may hold the key to repairing him--and perhaps, the key to his origins, too. Either way, the duo's sojourn in the Beastman Nation is almost at an end. What will the climax of this adventure bring?

**Reincarnated as a Sword (Light Novel) Vol. 3** Yuu Tanaka, 2019-08-22 Rumors of unrest lead Fran and Teacher to the port of Seedrun, where the intrepid duo uncovers yet another large-scale slaving operation.
