Ponti Sharlene Teo, 2018-09-04 An award-winning novel about the value of friendships in present-day Singapore—a “stirring debut...relatable yet unsettling [that] smartly captures earnest teenage myopathy through a tumultuous high school relationship” (Publishers Weekly, starred review). “I am Miss Frankenstein, I am the bottom of the bell curve.” So declares Szu, a teenager living in a dark, dank house on a Singapore cul-de-sac, at the beginning of this richly atmospheric and endlessly surprising tale of non-belonging and isolation. Friendless and fatherless, Szu lives in the shadow of her mother Amisa, once a beautiful actress—who gained fame for her portrayal of a ghost—and now a hack medium performing séances with her sister in a rusty house. When Szu meets the privileged, acid-tongued Circe, an unlikely encounter develops into a fraught friendship that will haunt them both for decades to come. With remarkable emotional acuity, dark comedy, and in vivid prose, Sharlene Teo’s *Ponti* traces the suffocating tangle the lives of four misfits, women who need each other as much as they need to find their own way. It is “at once a subtle critique of the pressures of living in a modern Asian metropolis; a record of the swiftness and ruthlessness with which Southeast Asia has changed over the last three decades; a portrait of the old juxtaposed with the new (and an accompanying dialogue between nostalgia and cynicism); an exploration of the relationship between women against the backdrop of social change; and, occasionally, a love story—all wrapped up in the guise of a teenage coming-of-age novel...Teo is brilliant” (The Guardian).

Teo Adara Anderson, 2016-06-14 Attacked by a demon as she leaves work, Victoria is thrust into a world she doesn't understand. Demons are real and they want her. Salvation

comes in the form of a half angel, half human. One of the nephilim. An immortal warrior who strives to keep demons from causing harm. Drawn to him right from the beginning, Victoria feels the connection between them but is unsure what it means. Téó never thought he would find his mate, the one woman in the world meant for him. The one who could restore balance to him. Stumbling across her in the midst of a demon attack, he quickly realizes that she's his mate, but while protecting her they get separated. Now she's out there with demons searching for her. Can he find her again before the demons do? Can he keep her safe while convincing her to mate with him, to tie her life to his for all eternity? Téó is the prequel to the Host series. It is set some thirty years before the first book and no previous knowledge of the series is required. This book can be read at any point in the series. There are no cliffhangers. Not suitable for those who prefer clean romance. *PLEASE NOTE* Although it is a complete story, Téó is a novella, not a full-length novel. It is designed as a taster for The Host series.

My BFF Is an Alien Vivian Teo, 2020-03-01 Meet Abriana Yeo, 13, awkward and friendless. Meet Octavia Wu, a graceful teenage alien with superpowers. Forced to flee her home planet Viridis after an invasion by The Others, another alien species, Octavia and her parents crash-land in the Singapore heartland. Pretending to be a foreign student, Octavia enters secondary one and befriends Abriana, who then helps her in her quest to find the Anteris, a missing element the alien family needs if they want to return to Viridis to help in the war effort. All the while, the two girls also need to navigate the intricate web of teenage drama at Bukit Timah Secondary Girls' School (BTSGS), where mean girls thwart their search efforts every step of the way. Behind the adventure, mystery and sci-fi, this middle-

grade novel also explores the pertinent issues that teenagers typically deal with in a local school setting—friendship, loyalty, CCAs, homework and bullies. There is also no shortage of excitement and intrigue in this sci-fi and adventure. This is the first in a four-book series, for children aged 10 and above. Reader Reviews It's easy to get hooked and binge read My BFF Is An Alien in a single sitting, not just for its very manageable length, but also how it dives straight into the girls' quest and keeps up the pace for the rest of the novel. Less than 40 pages in, and the two are already off on an islandwide adventure ... that will spark the imaginations of any Singaporean resident. —bakchormeeboy An imaginative and enjoyable story about friendship and standing up for yourself. After reading this book, you'll wish you had an alien BFF too! —Low Ying Ping, bestselling author of the Mount Emily series

Decoding The Tao Te Ching 解讀道德經 Pooh Ho Sim, 2021-06-04 This book interprets the Tao Te Ching from the perspective of personal cultivation. The Tao Te Ching of Lao Tzu is regarded as one of the greatest books of wisdom ever written in history, but few can grasp what it says in entirety. Embedded in each of its 5,000 Chinese characters are highly profound messages. Master Sim Pooh Ho is a Tai Chi Master and the leader of a Tai Chi lineage that traces back centuries. In his book Decoding the Tao Te Ching, he combines the ancestral teachings of Tai Chi with his practice and provides readers with unique insights into Lao Tzu's ancient book. The Tao Te Ching is difficult to comprehend because many of the concepts it introduces are elusive. What is Tao and Te, being and non-being or yin and yang? The concepts, however, are discernible in Tai Chi because they are what make the practice work. Decoding the Tao Te Ching is written in a simple manner by a Tai Chi master, and translated in an accessible way by his senior disciple Tekson TEO, thus making it an enlightening read to all English readers interested in this topic.

Wong Kar-Wai Stephen Teo, 2019-07-25 This study of Hong Kong cult director Wong Kar-wai provides an overview of his career and in-depth analysis of his seven feature films to date. The Critique of Psychology Thomas Teo, 2006-07-18 Closely paralleling the history of psychology is the history of its critics, their theories, and their contributions. *The Critique of Psychology* is the first book to trace this alternate history, from a unique perspective that complements the many existing empirical, theoretical, and social histories of the field. Thomas Teo cogently synthesizes major historical and theoretical narratives to describe two centuries of challenges to—and the reactions of—the mainstream. Some of these critiques of content, methodology, relevance, and philosophical worldview have actually influenced and become integrated into the canon; others pose moral questions still under debate. All are accessibly presented so that readers may judge their value for themselves: - Kant's critique of rational and empirical psychology at the end of the 18th century - The natural-scientific critique of philosophical psychology in the 19th century - The human-scientific critique of natural-scientific psychology - The Marxist traditions of critique - Feminist and postmodern critiques and the contemporary mainstream - Postcolonial critiques and the shift from cross-cultural to multicultural psychology This is not a book of critique for critique's sake: Teo defines the field as a work in progress with goals that are evolving yet constant. In emphasizing ethical and political questions faced by psychology as a discipline, this visionary book points students, academics, and practitioners toward new possibilities for their shared future.

Téo's Tutu Maryann Jacob Macias, 2021-11-02 This story of a boy's first ballet recital celebrates gender-creativity, the joy of dance, and being yourself Téo loves to dance, whether it's the cumbia with Papí, the bhangra with Amma, or ballet class with Miss Lila. He also loves the way his tutu makes him feel, inside and out. But when it comes time to

decide which outfit to wear in the big dance recital--a sparkly tutu or shimmering silver pants--Téo wonders if being his most authentic self on stage will put him too much in the spotlight.

Navigating Disruption: Media Relations in the Digital Age Bertrand Teo, 2020-09-15 The connection between the media and popular culture is inextricably linked. What we listen to, watch and consume, influences our way of life, and shapes the stories that content creators tell through mass media. With digitalisation, the ways in which storytellers reach their audience have evolved significantly. Navigating Disruption: Media Relations in the Digital Age offers an insight into this digital evolution through the eyes of a working-level journalist. This book tells the story of the seismic shift in media operations in both US and Singapore newsrooms between 2011 and 2015, when Bertrand Teo witnessed the cascading impact of digitalisation in newsrooms across transnational borders. His foray into public relations – post-journalism – helped him to frame the impact of digitalisation on Singapore audiences. Bertrand shares his take on media consumption habits among youth and how PR tactics have adapted to the evolving media landscape.

The Wolf Connection Teo Alfero, 2022-10-11 Discover the transformative lessons from one of humanity's oldest teachers—the wolf—with this enthralling, accessible, and “beautiful book” (Helen Hunt, Academy Award-winning actress) that “is rich with meaning, emotion, and spirit. A must read” (Douglas W. Smith, PhD, leader of the Wolf Restoration Project at Yellowstone National Park) to help us restore our connection with nature, our

communities, and our deepest selves. Myths from cultures around the world show that wolves have enthralled humankind for millennia. In *The Wolf Connection*, Teo Alfero, shamanic practitioner and wolf conservancy founder, shows how interacting with wolves and wolfdogs can benefit people from all walks of life. By restoring our ancestral bond with these resourceful beings, we can reclaim the best of what it means to be human. The Wolf Connection offers twelve Wolf Principles to awaken our intuition, live more authentically, and heal from trauma. The principles draw on knowledge that Teo and the Wolf Connection sanctuary team have gleaned firsthand through their Wolf Therapy® education and empowerment program, as well as the findings of wolf biologists and the wisdom of First Nation elders. Stories from myriad sources including Wolf Heart Ranch provide a compelling understanding of the lessons wolves have to offer us.

King Hu's A Touch of Zen Stephen Teo, 2006-11-01 *A Touch of Zen* is one of the first Chinese-language films to gain recognition in an international film festival (the Grand Prix at the 1975 Cannes Film Festival), creating the generic mould for the crossover success of Ang Lee's *Crouching Tiger Hidden Dragon* in 2000. The film has achieved a cult status over

the years but little has been written about it. This first book-length study of the classic martial arts film therefore redresses its critical neglect, and explores its multi-leveled dimensions and mysteries. One of the central features of the film is the enigmatic knight-lady (xia nü) whose quest for revenge leads her to cross paths with a poor scholar whose interest in military strategy seals their alliance. Teo discusses the psychological manifestations and implications of this relationship and concludes that the film's continuing relevance lies in its portrait of sexuality and the feminist desires of the heroine. Teo also analyzes the film's form as an action piece and the director's preoccupation with Zen as a creative inspiration and as a subject in its own right. As such, he argues that the film is a highly unconventional and idiosyncratic work which attempts to transcend its own genre and reach the heights of universal transcendence. Teo grounds his study in both Western and Chinese literary sources, providing a broad and comprehensive treatise based on the film's narrative concepts and symbols.

Teo Goes to the Circus Adam del Rio, 2008-10-01 *Teo Goes to the Circus* is the third installment in the popular Teo series and this story brings to life another precious slice of Los Angeles history. In this book, Teo and his family go to the circus with its clown, animals, singers, candy and trapeze artists and, by a twist of fate, Teo himself becomes part of the show under the big tent.
