Celebrities' Favourite Football Teams Chris Cowlin,2015-04-27 We all like to delve into the minds and lives of our beloved celebrity figures, but this fascinating read is not celebrity gossip, it comes straight from the horse's mouth to reveal all you ever wanted to know about celebrities' favourite football teams and players. With a fitting Foreword by footballing legend Sir Alex Ferguson CBE, this book is a must-read for football fans who wish to know which celebrity is a fellow aficionado of their club, or perhaps a supporter of 'the enemy', as well as for the rest of the population, who just love to know what makes our celebrities tick. And it is also a must-buy, as all author royalties from the sale of this book will be donated to The Willow Foundation, a charity set up by the legendary Bob Wilson and his wife Megs in 1999 to enable seriously ill young adults to enjoy the treat of a 'Special Day' with family and friends.

Stand Up Oliver Double,2014-01-22 How could Max Miller reduce an audience to helpless laughter just by talking about a fan dancer and her fan? Why do club audiences howl with glee at Bernard Manning's violent jokes about Pakistanis? What made audiences break out into fights at Alexei Sayle's early gigs? How did stand-up comedy begin and why has it exploded into such a huge industry now encompassing a criss-crossing network of clubs, concerts, television and radio? And what happens to a comedian when he or she steps out onto a stage and begins performing in front of an audience? Stand-Up! is the first book to both analyse the background of stand-up and take us inside the world of being a solo comedian. Oliver Double writes a lively history of the traditions of British stand-up comedy - from its roots in music hall and variety to today's club and alternative comedy scene - and also a serious exploration of what it is like to be a comedian on-stage in front of a sometimes adoring and sometimes hostile audience. He looks critically at the work of such stand-up stars as Frankie Howerd, Les Dawson, Billy Connolly, Victoria Wood, Ben Elton and Eddie Izzard. And he looks at himself as a performer.

In Pursuit of the Slam Mark Cripps,2023-05-20 In Pursuit of the Slam: My Year Travelling to Tennis's Top Four Tournaments tells the story of the author's year out in the early nineties between jobs during which he attended all four of tennis's Grand Slam tournaments. Unhappy in his corporate job, tennis fan Mark Cripps decided to pack it all in and start again. But a chance sighting of an old friend in an in-flight magazine led to an idea: Why not take some time out to travel organising the trip around tennis's Grand Slam tournaments? He planned a schedule that would take in the 1992 French Open, Wimbledon, the US Open and then, returning to Australia in early 1993, where he had been based with American Express, the Australian Open. On the way, he would visit places of interest, catch up with old friends and visit other tournaments in the build up to each Slam, including the Italian Open in Rome. The book relates how the author planned the trip and organised the visits to each Slam, once there, securing tickets and watching the tennis daily as the tournaments unfolded. A club tennis player, the book also tells how the author entered a tournament on the new British Tour and the experience of facing opponents of a much higher standard. Following the US Open, a week spent at a tennis fantasy camp helped to confirm the next steps needed in his career. In Pursuit of the Slam: My Year Travelling to Tennis's Top Four Tournaments is told in an anecdotal style including incidents and experiences which occurred as the author travelled and the story of the author's childhood introduction to sport, where his mother's love of Wimbledon each year was so infectious. A nostalgic look back at the professional tennis tours through the prism of a round-the-world trip, the book will appeal to those interested in tennis, especially the professional game back in the nineties; those keen on travel; anyone needing a change of job or career; or those who just want to follow their interests more. Mark Cripps was a corporate marketing executive and an award-winning former tennis coach. He now lives in Greater Manchester where he is senior editor for the publisher of this memoir, i2i Publishing. This is his first book.

The Edinburgh Fringe Survival Guide Mark Fisher,2012-02-16 'Ah! The Fringe! I can't think of a more delightful way of putting my liver, bank account, relationship, complexion, and mental stability under the greatest strain they've ever known!' Mel Giedroyc It is the world's largest arts festival, attracting everyone from student first-timers to Hollywood stars. Thrilling, inspiring and bewildering in equal measure, the Edinburgh Festival Fringe can make you a star or break your bank. So what is the secret of making it work for you? The Edinburgh Fringe Survival Guide draws on the experiences of the festival's leading figures - their disasters as well as their triumphs - to take you step by step through the process of making your show a success in the Scottish capital. From choosing a venue to keeping on top of the budget, from sorting out accommodation to securing the best press coverage, from generating word of mouth to making the most of a hit, this unique practical guide for performers, directors and producers helps you get your show the audience it deserves. Among those sharing their expert advice are playwright Simon Stephens, comedian Phil Nichol, actor Siobhan Redmond, producer Guy Masterson, Tiger Lillies front manMartyn Jacques, theatre critic Lyn Gardner, Foster's Edinburgh Comedy Award director Nica Burns, as well as the directors of all the major Fringe venues, top press officers, international promoters and insiders from the Fringe Society itself. The foreword is written by playwright Mark Ravenhill.

The Mammoth Book of One-Liners Geoff Tibballs,2012-06-07 A collection of 10,000 side-splitting one-line jokes arranged in categories from bestselling humour editor Geoff Tibballs. 'Is my wife dissatisfied with my body? A small part of me says yes.' 'Letting the cat out of the bag is a whole lot easier than putting it back in.' 'I read somewhere that 26 is too old to still live with your parents. It was on a note, in my room.'

That's Me in the Corner Andrew Collins,2012-10-31 Fast approaching his fortieth birthday, Andrew is cornered at a family gathering by the nine-year-old son of his brother-in-law's sister. Having seen him as a talking head on TV, the boy asks, 'What are you?' It is a question so frank and simple that Andrew doesn't have an immediate answer to hand. So, with hilarious self-deprecation, he sets out to retrace how he got to where he is today. Seventeen precarious jobs in seventeen years: from trolley collector at Sainsbury's to high-flying film critic sipping cocktails with Will Smith and Jerry Bruckheimer on a yacht in Cannes. This is Andrew's tale of rubbing shoulders with the world's biggest stars: pissing off Christini Ricci, having his hairstyle mocked by Noel Gallagher, trying not to wake Clive James from his afternoon nap, having his apple pie eaten by Bob Geldof, and somehow stumbling into the next dream job. Along the way, he's been the world's worst gossip columnist, an almost-hip young gunslinger at the NME, a Radio 1 DJ (enduring a hellish Radio 1 roadshow in a car park in Birmingham), an ITV presenter, EastEnders scriptwriter, ghost writer for a major TV personality and much, much more. It charts a world of hedonism, mundanity, towering egos, shallow idiocy and occasional moments of mind-blowing joy. And, of course, being sent shit in a box.

Everything But The Beach: A Slice of Manchester Life Tom Molloy,2012-12 At first mildly cynical but then the wonderful characters that you meet draw you into a compelling world. These are people who are out to enjoy themselves and have no idea what happened in some casualty department last Saturday, or who baked what on Thursday. A highly enjoyable, educational and addictive romp, through a diverse and entertaining city. Reality is definitely stranger and funnier than fiction. Possibly, the best book written about Manchester... this week Sheffield Rick, a neighbour.

The Bumper Book For The Loo Mitchell Symons,2012-11-08 When Mitchell Symons wrote his extraordinary bestsellers This Book, That Book and The Other Book - all neatly combined in one sensational volume, The Ultimate Loo Book - he was judged by many to be the King of Trivia. Now, inThe Bumper Book for the Loo, this supremo of weird and wonderful, astonishing and inexplicable facts, figures, stats and stories returns with a super selection of trivialistic treats - each one more remarkable and, yes, even more trivial than anything he's compiled before. For example, did you know that... ·The first alarm clock could only ring at 4 a.m... ·There was once an internet rumour that Belgium doesn't exist... ·In 1830, King Louis XIX ruled France for just 15 minutes... ·All mammals have jaws but only humans have chins... ·Peru has more pyramids than Egypt... Packed to the rafters with all manner of useful and useless information, lists of the biggest, the smallest, the best and the worst, The Bumper Book for the Loo is a hilarious compendium of endless delights - and a hugely entertaining, unputdownable feat of nonsense!

Edinburgh's Festivals David Pollock,2023-08-04 In August 1947, anémigré Austrian opera impresario launched the Edinburgh International Festival of Music and Drama to heal the scars of the Second World War through a celebration of the arts. At the same time, a socialist theatre group from Glasgow and other amateur companies protested their exclusion from the festival by performing anyway, inventing the concept of 'fringe' theatre. Now the annual celebration known collectively as the Edinburgh Festival is the largest arts festival in the world, incorporating events dedicated to theatre, film, art, literature, comedy, dance, jazz and even military pageantry. It has launched careers – from Peter Cook and Dudley Moore in Beyond the Fringe to Phoebe Waller-Bridge with Fleabag – mirrored the political and social mood of its times, shaped the city of Edinburgh around it and welcomed a huge all-star cast, including Orson Welles, Grace Kelly, Yehudi Menuhin and Mark E Smith's The Fall and many many more. This is its story.

Bellies and Bullseyes Sid Waddell,2009-11-10 Bellies and Bullseyes is simply the greatest account there will ever be about the sport of darts - as told by one of its most legendary characters - Sid Waddell. It mixes Sid's own personal journey from the coalfields of the North East with the entire history of the sport. What is revealed is a hilarious yet epic Darts Babylon, covering every significant event and every character to walk the oche from Eric 'The Crafty Cockney' Bristow to Phil 'The Power' Taylor. In words as ripe as his commentaries, Sid brings an authentic whiff of fags, hard drink, hot tungsten and moist polyester to the whole cabaret. Sid has been friend and confidante to most of darts' stars over the years as well as being instrumental in the game's progress himself. Nobody is equipped to tell the story quite like he is. From the early days of hustling in bars and the 1960s money-race pub competitions that spawned the likes of John Lowe and Leighton Rees, to

ITV's brilliantly daft The Indoor League and the glory days of BBC's coverage; from the bling of Bobby George and the belly of Jocky Wilson to the awesome professionalism of Phil Taylor; from smoky Northern working men's clubs to the Houses of Parliament; this is the complete, incredible story of darts.

The Face Garry Bushell,2012-07-22 If you liked Lock Stock and Two Smoking Barrels...or Snatch...or The Guv'nor...then you'll love this fast-talking gangster novel. Harry Tyler, undercover cop, is the best in his field. Sharp-witted, and cool-headed, he always nails his man. Johnny Too, East-End gangland villain, is handsome, cunning and dangerous and always gets what he wants. So when Harry's next job is to infiltrate Johnny's firm and bring the chaps to book, the results are inevitably explosive and exciting. Determined as ever to get a result, Harry goes deep undercover and immerses himself in the gangland life of women, cars, drugs and guns. A fast-moving and fiery novel, the story blazes a trail through the street-life of London, culminating in a pacey and thrilling finale.
