*The Lost Samurai School* Antony Cummins,Mieko Koizumi,2016-10-25 This stunning English translation of a medieval Japanese text is an illustrated martial arts manual and a historical account of the teachings of a samurai grandmaster Available for the first time in English, this book explores the essential practices of the samurai school known as Mubyoshi Ryu. Complete with more than 350 images, The Lost Samurai School collects and translates ancient documents that contain the teachings of grandmaster Hagiwara Juzo—revealing for the first time to western readers the enthralling martial arts, secret weapons, magic, and espionage as they were practiced by samurai in their daily lives. The ancient Mubyoshi Ryu scrolls contain fascinating descriptions of “civilian” samurai skills—which concentrate more on personal protection than battlefield warfare—including the full ninja curriculum and elements of esoteric magic. Martial arts expert Antony Cummins contextualizes these translated documents by providing a history of the era and the school itself. The abundant illustrations form a useful martial arts manual, bringing to life the skills required to master everything from jujutsu and shuriken-jutsu (throwing blades) to swords, chain weapons, and the quarterstaff. The Lost Samurai School is a journey into the past that will preserve such skills for future generations and will appeal to anyone interested in martial arts or Japanese history.

*Mad in Translation* Robin D. Gill,2009 Even readers with no particular interest in Japan - if such odd souls exist - may expect unexpected pleasure from this book if English metaphysical poetry, grooks, hyperlogical nonsense verse, outrageous epigrams, the (im)possibilities and process of translation between exotic tongues, the reason of puns and rhyme, outlandish metaphor, extreme hyperbole and whatnot tickle their fancy. Read together with *The Woman Without a Hole*, also by Robin D. Gill, the hitherto overlooked ulterior side of art poetry in Japan may now be thoroughly explored by monolinguals, though bilinguals and students of Japanese will be happy to know all the original Japanese is included.--amazon.com.

*Word and Sentence Prosody* Haruo Kubozono,2022-11-07 This is the first comprehensive work on word and sentence prosody in Koshikijima Japanese, a dialect of Japanese not fully documented in the literature. It is an endangered dialect spoken by about 2,000 speakers on a small southern island in Japan. Being separated from mainland dialects by the sea, this dialect exhibits unique prosodic features not shared by other Japanese dialects. It also exhibits considerable regional variations among the ten or more small villages that were isolated from each other until recently. Based on the author’s fieldwork, the book analyzes word accent and intonation, the two linguistic areas in which this endangered dialect exhibits unique features and remarkable regional variations within itself. They include the emergence and development of a secondary H tone, postlexical deletion of the primary H tone, and the L boundary tone in question and vocative intonation. These phenomena bear crucially on general issues in prosody, including postlexical tonal neutralizations, competitions between lexical and postlexical tones, and the number of tones that a syllable can maximally bear. The book thus demonstrates the relevance of studying an endangered language/dialect in general linguistic contexts.

*Naruto: The Unofficial Cookbook* Danielle Baghernejad,2023-01-03 Prepare and enjoy delicious dishes seen in, and inspired by, the hit anime show Naruto. Naruto: The Unofficial Cookbook trains you in the cooking arts as effectively as Kakashi trains Team 7 in the ninja arts! Naruto fans of all ages will enjoy this cookbook’s easy and delicious recipes, including sweet, sticky Dango; the nourishing Curry of Life; and, of course, Ichiraku Ramen. Learn how to cook culinary masterpieces from The Village Hidden in the Leaves and throughout the Five Great Shinobi Countries. 50+ RECIPES: Iconic Naruto fare such as Ichiraku Ramen and Sweet Dango will delight hungry Naruto fans of any age. The wide range of recipes provides enough options to satisfy as many shadow clones as you can summon. TIPS AND TRICKS: Includes culinary techniques and cooking jutsus to make you a Hokage of the kitchen. A helpful nutrition guide and suggestions for alternate ingredients ensures that those with dietary restrictions can enjoy the feast. FOR ALL SKILL LEVELS: Easy-to-follow recipes and everyday ingredients make this an ideal cookbook for kids, families, beginners, and experienced shinobi alike. An excellent entry point for anyone who wants to learn to cook Japanese and Asian dishes. FULL OF FUN NARUTO FACTS: Learn why ramen is important to the series, which character names are food-related, and more Naruto-food connections. STUNNING IMAGES: Beautiful, full-color photos of the finished dishes will help you focus your chakras to ensure success! Believe it!

**The Cambridge Handbook of Japanese Linguistics** Yoko Hasegawa,2018-04-19 The linguistic study of Japanese, with its rich syntactic and phonological structure, complex writing system, and diverse sociohistorical context, is a rapidly growing research area. This book, designed to serve as a concise reference for researchers interested in the Japanese language and in typological studies of language in general, explores diverse characteristics of Japanese that are particularly intriguing when compared with English and other European languages. It pays equal attention to the theoretical aspects and empirical phenomena from theory-neutral perspectives, and presents necessary theoretical terms in clear and easy language. It consists of five thematic parts including sound system and lexicon, grammatical foundation and constructions, and pragmatics/sociolinguistics topics, with chapters that survey critical discussions arising in Japanese linguistics. The Cambridge Handbook of Japanese Linguistics will be welcomed by general linguists, and students and scholars working in linguistic typology, Japanese language, Japanese linguistics and Asian Studies.

Golden Cage - SasuFem!Naru Fanbook Fuyutsuki Hikari,2021-04-10 Konspirasi jahat membuat Naruto dan Kushina terusir dari istana. Dalam perjalanannya, Kushina mati, meninggalkan Naruto seorang diri. Seolah belum cukup, Naruto lantas dijual ke rumah bordil, merasakan kerasnya hidup di gurun pasir hingga menjadi dayang di Kerajaan Uchiha. Namun, pada akhirnya dia dihadapkan pada dua pilihan: cinta atau balas dendam?
