A Truly Sincere

Soul Thang Lisa R. Dennis,2022-06-16 This soul stirring, heart moving gospel story is about a young adult lady who has a real resilient and passionate love for God and a deep-seated love for her childhood friends that lived in her neighborhood and that she went to school with to be saved from the evil temptations and the luring devices of this world system and pursue a life of promoting good and upholding righteousness through God's grace and love. In one of the scenes there are Some Churchgoers who are gathered around the front of the church just before the services starts. Only with itching ears can you wait to hear what they have to say. It's a soul culture. Another scene Friends (very special) who grew up together, and now years later are talking on the telephone about old times. They fell in love and then grew apart, but the love never faded. One has become very successful but has an emptiness inside searching for real love. Deep inside, it's hard for him to love or trust anyone. So, he calls a friend who was a beauty queen, wore the latest styles and had a new boy toy every week. She learned over the years to put up a good front, but secretly, she was trying to find a true relationship with God. She was trying to hide her emptiness until she gave her life to God and filled all the empty spaces. The result of "Soul Thang" is when prayer and faith work together souls are reached. This is what true victory looks like especially when it comes from a message of hope.

This Love Thang Toki Swan,2020-09-27 This Love Thang, the first poetry novel to be written about eleven friends on the path to accepting, finding, and forgiving love in each other's eyes. Each poem, chapter, signifies their voice, feeling, and emotions, expressing what love is. Will the path they've chosen be too much for even them to handle? She's a poet, he's a momma's boy, she is on the path of self-destruction, will curiosity kill the cat? He needs to grow up, he doesn't listen, he is a nightmare waiting to expel, she is mischievous, and of course, is she the best kept secret? Where there is a path, lessons are learned, and in each situation, inside their sister circle and the man's club, can all be forgiven, or should they just let sleeping dogs lie?

When Charmaine is charged with babysitting her spoiled cousin after school, that's the last straw--something's gotta give. And when Charmaine cracks, she starts to see the world in a whole new light. Can Charmaine learn to love herself, her mahogany skin, and her attention-starved little cousin? Sometimes when everything falls apart, putting it back together can help you see the truth. From the Hardcover edition.
