Ethiopia Publishing

Aliens Vs. Parker Paul Scheer, Nick Giovannetti, 2014-02-04 From comedian Paul Scheer (Adult Swim's NTSF:SD:SUV::, THE LEAGUE) and writer Nick Giovannetti comes a sci-fi action comedy for fans of SHAUN OF THE DEAD and GALAXY QUEST!! Set in the not so distant future, a group of slacker delivery guys spend their days avoiding responsibility and playing video games. That is, until they have to deliver a package marked "classified" to a planet more dangerous than they've ever faced before. The rag-tag team of slackers, malcontents, and gamers have to put all their skills (or lack thereof) to good use simply to stay alive.

The Actor's Menu Bill Howey, 2005-09 Whether new to the business or a seasoned professional, this handbook provides actors with a personal, active approach to discovering and developing their talent. Beginning with appetizers and ending with desserts, actors learn how to prepare a character in the same way that a master chef chooses the most complementary dishes for a feast. From typecasting to reinventing a character's story, actors discover the key ingredients that will enable them to use their own unique qualities and emotions to develop strong, believable characters that people are interested in watching. How to identify and resolve problems such as hidden agendas that can disable an actor's work; distinguish between perception, feeling, and emotions; and find lasting sources of inspiration are among the issues explored. The importance of imagination, words, and story as well as the difference between intellectual and visceral choices (and the impact of each) are also discussed.

Bored of the Rings Henry Beard, Douglas C. Kenney, 1993

Kanye West Owes Me \$300 Jensen Karp, 2017-05-02 In this "triumphantly funny" (AV Club) memoir, comedian Jensen Karp tells the story of how, as a Jewish kid from the L.A. suburbs, he became a rap battle legend—and then almost became a star. "The funniest person I follow on Twitter finally got smart and wrote about his unlikely—and hilarious—odyssey as teenage rapper Hot Karl."—Kevin Smith, New York Times bestselling author of Tough Sh*t When twelve-year old Jensen Karp got his first taste of rapping for crowds at his friend's bar mitzvah in 1991, little did he know that he was taking his first step on a journey that would end with a failed million-dollar recording and publishing deal with Interscope Records when he was only nineteen. Now, in Kanye West Owes Me \$300, Karp finally tells the true story of his wild ride as "Hot Karl," the most famous white rapper you've never heard of. On his way to (almost) celebrity, Jensen shares his childhood run-ins with rock-listening, Southern California classmates, who tell him that "rap is for black people," and then recounts his record-breaking rap battling streak on popular radio contest "The Roll Call"—a run that caught the eye of a music industry hungry for new rap voices in the early '00s. He also introduces his rap partner, Rickye, who constitutes the second half of their group XTra Large; his supportive mom, who performs with him onstage; and the soon-to-be-household-name artists he records with, including Redman, Fabolous, Mya, and will.i.am. Finally, he reveals why his album never saw the light of day (two words: Slim Shady), the downward spiral he suffered after, and what he found instead of rap glory. Full of rollicking stories from his close brush with fame, Karp's hilarious memoir is the ultimate fish-out-of-water story about a guy who follows an unlikely passion—trying to crack the rap game—despite what everyone else says. It's 30 Rock for the rap set; 8 Mile for the suburbs; and

quite the journey for a white kid from the valley.

Cosmic Ghost Rider Destroys Marvel History Paul Scheer, Nick Giovannetti, 2019-10-02 Collects Cosmic Ghost Rider Destroys Marvel History #1-6. Prepare to have your childhood memories destroyed! Frank Castle's future self, once the Punisher and now the twisted Cosmic Ghost Rider, is stuck in the past! So he might as well have some fun with the origins of the Marvel Universe, right?! After going back in time and trying to kill Thanos as a baby, Castle has sworn off trying to alter history. But when he arrives in Earth's past at the birth of the Fantastic Four, how can he resist jumping in on the fun? And once he derails Spider-Man's origin, will he take up the mantle himself? With great power, there must also come total irresponsibility! Plus: More drastic interventions on events you thought you knew, including World War II and a certain fateful day in a park.

Batman: The Audio Adventures Special (2021) #1 Dennis McNicholas, Bobby Moynihan, Heidi Gardner, Paul Scheer, 2021-10-12 Ah, you hear that beautiful racket? That's the music of Gotham City-the largest city in the world, the big gargoyles, the treasure of the night-anyone who calls it a crime-infested hellhole is dead wrong. No way hell has such great pierogies. So join us here (hear?) as we bring you the stories behind the stories behind the hit HBO Max scripted original podcast with this sensational prequel one-shot, written by the very creators and talent who lent their voices to the show. And unless you've been living in a cave, you know that after years of rumors we find out not only is the Batman real, not only is he one of the good guys, turns out, he's gonna be a cop! With special appearances by King Scimitar, Stoveplate Sullivan, Billy Wristwatch, and others directly from the podcast, this oversize special brings you deeper into the mysteries behind Batman: The Audio Adventures!

Poison for Breakfast Lemony Snicket, 2021-08-31 Washington Post Bestseller A new stand-alone adventure—appropriate for all ages—by Lemony Snicket, one of the twenty-first century's most beloved authors. In the years since this publishing house was founded, we have worked with an array of wondrous authors who have brought illuminating clarity to our bewildering world. Now, instead, we bring you Lemony Snicket. Over the course of his long and suspicious career, Mr. Snicket has investigated many things, including villainy, treachery, conspiracy, ennui, and various suspicious fires. In this book, he is investigating his own death. *Poison for Breakfast* is a different sort of book than others we have published, and from others you may have read. It is different from other books Mr. Snicket has written. It could be said to be a book of philosophy, something almost no one likes, but it is also a mystery, and many people claim to like those. Certainly Mr. Snicket didn't relish the dreadful task of solving it, but he had no choice. It was put in front of him, right there, on his plate.

Should You be Laughing at This? Hugué Dagsson, 2006-11-02 Hugué Dagsson is from Iceland. During the winter in Iceland there are only three hours of daylight. During the summer in Iceland there is no darkness. Iceland's national drink is called 'Black Death'. Iceland's national dish is putrefied shark meat. In Iceland this book is a cult-best-seller. The questions you should ask yourself is: Should you be laughing at this?

The Wobbit The Harvard Lampoon, 2013-11-26 From the authors of the New York Times bestselling parody *The Hunger Pains*, this fresh take on J.R.R. Tolkien's *The Hobbit* is a hilarious send-up of Middle-earth, publishing just

in time for the major motion picture release of *The Hobbit: The Desolation of Smaug*. The sequel to the parody of the sequel to the prequel to *The Lord of the Rings* When Aaron Sorkinshield and his band of Little People embark on a totally feasible quest to reclaim the hoard of Academy Awards stolen from them by the lonely Puff the Magic Dragon, senile wizard Dumbledalf suggests an unlikely and completely unqualified accomplice: Billy Bagboy, an unassuming wabbit dwelling in terrorist-riddled Wobbottabad. Along the way, the company faces Internet trolls, moblins, one really big spider that must be at least an inch and a half wide, and worse. But as they journey from the wonders of Livinwell to the terrors of Jerkwood and beyond, Billy will find that there is more to him than anyone—Tolkien included—ever dreamed. Propelled to his destiny by a series of courageous adventures and indented paragraphs, Billy will set out on the greatest YOLO of all time . . . one that leads deep into the dark caverns hiding a mysterious man named Goldstein, who's just trying to have a nice seder.

The Improv Budd Friedman, Tripp Whetsell, 2018-09-04 Featured in the New York Times 2017 Holiday Gift Guide for Hardcover Fans Get an insider's oral history of the World's most iconic comedy club, featuring exclusive interviews with today's most hilarious stars recalling their time on stage (and off) at the Improv. In 1963, 30-year-old Budd Friedman—who had recently quit his job as a Boston advertising executive and returned to New York to become a theatrical producer—opened a coffee house for Broadway performers called the Improvisation. Later shortened to the Improv, its first seedy West 44th Street location initially attracted the likes of Judy Garland, Liza Minnelli, Albert Finney, and Jason Robards, as well as a couple of then-unknowns named Dustin Hoffman and Bette Midler. While it drew near-capacity crowds almost from day one, it wasn't until comedians began dropping by to try out new material that the Improv truly hit its stride. The club became the first venue to present live stand-up in a continuous format, and in the process reinvented the art form and created the template for all other comedy clubs that followed. From the microphone to the iconic brick wall, the Improv has been the launching pad for practically every major name in American comedy over the last five-plus decades. Now, in *The Improv*, Friedman, along with a Who's Who of his most famous alumni—including Jay Leno, Jerry Seinfeld, Jimmy Fallon, Larry David, Billy Crystal, Lily Tomlin, Judd Apatow, Al Franken, Paul Reiser, Howie Mandel, Bob Saget, Drew Carey, and many more—tell it like it was in the first-ever oral history of how this game-changing comedy club came to be. The Improv gives readers an exclusive look at what really happened onstage and off-mic at one of America's most venerable institutions.

The Thrilling Adventure Hour Ben Acker, Ben Blacker, 2013-08-20 Based on the popular Hollywood stage show and Nerdist Industry podcast, *The Thrilling Adventure Hour* is a rip-roaring adventure anthology in the tradition of old-time radio serials, brought to you by a carnival of Hollywood and comic's finest! In a timeless collection of original genre tales that harken back to the heyday of old-time radio entertainment, *The Thrilling Adventure Hour* brings to life the wild and wonderful worlds and characters serialized on stage by co-creators Ben Acker and Ben Blacker, and performed regularly by fan-favorite actors and comedians such as Paul F. Tompkins, Paget Brewster, Busy Philipps, Nathan Fillion, Linda Cardellini, Patton Oswalt, Neil Patrick Harris, and many, many more. And now those serialized characters will come to

life on the pages of this hardcover anthology featuring all-new stories from the worlds of the TAH universe by top artists from the comics community! Each stand-alone tale celebrates and reinvigorates a new genre from the radio comedies of yesteryear, including science fiction, fantasy, westerns, superheroes, horror, war dramas, and many more. A unique, timey-wimey blend of silver age pulp and post-modern pop, this one-of-a-kind anthology promises something for everyone as this cult phenomenon jumps off the proscenium stage and onto the page for the first time in over eight years and 100+ consecutive shows around the globe!

Camping Logbook Ethiopia Ethiopia Publishing,2019-06-20 Are you looking for a beautiful, simple journal, diary or notebook for your camping trip to Ethiopia? This is a travel journal with the left page being lined and the right one being a blank page, that is a perfect Gift for someone planning their travel to Ethiopia. Carry This Book Abbi Jacobson,2016-10-25 NEW YORK TIMES BESTSELLER From the mind of Broad City's Abbi Jacobson, author of I Might Regret This, a wonderfully weird and weirdly wonderful illustrated look at the world around us—all through the framework of what we carry. "Jacobson's art is warm, textured, and carefully composed, a little bit Maira Kalman and a little bit Roz Chast. It's also genuinely funny." –Vox With bright, quirky, and colorful line drawings, Jacobson brings to life actual and imagined items found in the pockets and purses, bags and glove compartments of real and fantastical people—whether it's the contents of Oprah's favorite purse, Amelia Earhart's pencil case, or Bernie Madoff's suitcase. How many self-tanning lotions are in Donald Trump's weekender? What's inside Martha Stewart's hand-knit fanny pack? What kind of protein bars does Michelle Obama hide in her tiny clutch at the White House Correspondents' Dinner? An instant New York Times bestseller, Carry This Book provides a humorous and insightful look into how the things we carry around every day make up who we are.

Deadpool Classic Vol. 19 Nick Giovannetti,Paul Scheer,Peter David,2017-08-01 Collects Deadpool Bi-Annual #1, Deadpool's Art of War #1-4, Deadpool's Secret Secret Wars #1-4, Mrs. Deadpool and the Howling Commandos #1-4. War! Who is it good for? Deadpool! And these are his very best combat classics! Dig into Wade Wilson's take on Sun Tzu's Art of War, the definitive work on military strategy. (What? It's totally in the public domain, and ripe for being ripped off !) Then, get the real story behind 1984's Marvel Super Hero Secret Wars! You think Wade wasn't there? You think he hadn't even been invented yet? Think again! He's on Battleworld, and he even has his own secret shield! He isn't on that other Battleworld though, only his ghost is. But Deadpool's widow Shiklah can wage war better than Sgt. Fury - and she has her own, monstrous Howling Commandos! Plus: Deadpool vs. Brute Force!

Modern Romance Aziz Ansari,Eric Klinenberg,2016-06-14 The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives." –Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of Master of None and one of this generation's sharpest comedic voices At some point, every one of us

embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

Bar Mitzvah Disco Roger Bennett, Jules Shell, Nick Kroll, 2005 This collection of essays and photos is the offshoot of the Web site of the same name, on which the authors solicited photos from the late 1960s through the 1980s displaying the peculiarities of their times. The book is structured as a professionally photographed bar mitzvah album, starting with awkward portraits and ending with the requisite waving good-bye shot.

Hex Wives Ben Blacker, 2019-10-29 "The women are too powerful. They must be tamed." For hundreds of years a war has been waged between a coven of perpetually reincarnating witches and the all-male conspiracy known as the Architects. After the death of the lead Architect in 2005, it seemed the witches had finally defeated their foes. Now, 13 years later, waking up in a perfect cookie-cutter home at the end of a cul-de-sac in a sunny corner of suburbia, Isadora has no recollection of her past life as the leader of a witch coven, nor her soul mate Nadiya, let alone the centuries-old war she has waged in defense of the soul of America...Collects issues #1-6.

Quitter Erica C. Barnett, 2021-07-06 Barnett's prose style is brassy and cleareyed, with echoes of Anne Lamott. --Beth Macy, The New York Times Book Review Emotionally devastating and self-aware, this cautionary tale about substance abuse is a worthy heir to Cat Marnell's *How to Murder Your Life*. --Publishers Weekly (starred review) A startlingly frank memoir of one woman's

struggles with alcoholism and recovery, with essential new insights into addiction and treatment Erica C. Barnett had her first sip of alcohol when she was thirteen, and she quickly developed a taste for drinking to oblivion with her friends. In her late twenties, her addiction became inescapable. Volatile relationships, blackouts, and unsuccessful stints in detox defined her life, with the bottles she hid throughout her apartment and offices acting as both her tormentors and closest friends. By the time she was in her late thirties, Barnett had quit and relapsed again and again, but found herself far from rehabilitated. Rock bottom, Erica Barnett writes, is a lie. It is always possible, she learned, to go lower than your lowest point. She found that the terms other alcoholics used to describe the trajectory of their addiction--rock bottom and moment of clarity--and the mottos touted by Alcoholics Anonymous, such as let go and let God--didn't correspond to her experience and could actually be detrimental. With remarkably brave and vulnerable writing, Barnett expands on her personal story to confront the dire state of addiction in America, the rise of alcoholism in American women in the last century, and the lack of rehabilitation options available to addicts. At a time when opioid addiction is a national epidemic and one in twelve Americans suffers from alcohol abuse disorder, *Quitter* is indispensable reading for our age and an ultimately hopeful story of Barnett's own hard-fought path to sobriety.

Worst Laid Plans Alexandra Lydon, Laura Kindred, 2014-11-26 "When bad sex happens to good people, there is no recourse like full disclosure," is the motto of *Worst Laid Plans*, a collection of forty probably-too-intimate, but shockingly funny, true-life tales of lust gone wrong. The stories are divided into themed sections including Foreign Affairs ("When bad sex goes abroad"), Self-Help ("Love thyself...but do it carefully"), On the Rebound ("The art of getting back in-and-out-there"), Mob Mentality (People will do things in groups they would never do alone"), and The End of Innocence ("A memorial to virginity") among others. The book evolved out of a storytelling event originally staged at Upright Citizen Brigade, the highly influential comedy organization co-founded by Amy Poehler, who along with Janeane Garofalo and SNL's Casey Wilson, performed at the show that continues today. Part Vagina Monologues, part car crash, and wholly hilarious, the volume features contributions from shameless actors, comedians, and writers who will shamelessly spread the word via blogs, on-line videos, tweets, on-going WLP performances, film/TV/media contacts, and further sexual conquests. "[A] hilarious testimonial to the vast array of consequences we face after having ignored that little voice inside that says: 'Don't.' 'This isn't a good idea.' 'Leave now.'" --Laraine Newman (Saturday Night Live, The Groundlings) "Irrefutable evidence that one should wait until marriage to have sex." --Joel McHale (The Soup, Community) "This book will make you laugh, scream, and want to be a lesbian." --Whitney Cummings (Chelsea Lately, Comedy Central) "This is the best kind of comedy; that which makes you both laugh and erect." --Rob Corddry (The Daily Show)

Adulthood Gabbie Hanna, 2017-09-19 Comedian Gabbie Hanna brings levity to the twists and turns of modern adulthood in this exhilarating debut collection of illustrated poetry. In poems ranging from the singsong rhythms of children's verses to a sophisticated confessional style, Gabbie explores what it means to feel like a kid and an adult all at once, revealing her own longings, obsessions, and insecurities along the way. *Adulthood*

announces the arrival of a brilliant new voice with a magical ability to connect through alienation, cut to the profound with internet slang, and detonate wickedly funny jokes between moments of existential dread. You'll turn to the last page because you get her, and you'll return to the first because she gets you.
