**Mommy Man** Jerry Mahoney,2014-05-08 As a teenager growing up in the 1980s, all Jerry Mahoney wanted was a nice, normal sham marriage: 2.5 kids and a frustrated, dissatisfied wife living in denial of her husband's sexuality. Hey, why not? It seemed much more attainable and fulfilling than the alternative—coming out of the closet and making peace with the fact that he'd never have a family at all. Twenty years later, Jerry is living with his long-term boyfriend, Drew, and they're ready to take the plunge into parenthood. But how? Adoption? Foster parenting? Kidnapping? What they want most of all is a great story to tell their future kid about where he or she came from. Their search leads them to gestational surrogacy, a road less traveled where they'll be borrowing a stranger's ladyparts for nine months. Thus begins Jerry and Drew's hilarious and unexpected journey to daddyhood. From then on, they're in uncharted waters. They're forced to face down homophobic baby store clerks, a hospital that doesn't know what to do with them, even members of their own family who think what they're doing is a little nutty. One thing's for sure. If this all works out, they're going to have an incredible birth story to tell their kid. With honesty, emotion, and laugh-out-loud humor, Jerry Mahoney ponders what it means to become a Mommy Man . . . and discovers that the answer is as varied and beautiful as the concept of family itself.

Peter and Ernesto love the jungle, but they know how dangerous it can be at night. From clumsy bats to crazed owls to rumors of a dragon, there are countless things that make the darkness perilous for sloths. That's why, one day, when their friend Bernard goes missing just as the sun is setting, Peter and Ernesto quickly gather their tribe to form a search party. However, while these sloths have some sense of the dangers that they'll face while looking for Bernard, there are surprises lurking in the shadows that will surpass their wildest imaginings!

*Penny Nichols* MK Reed,Greg Means,2019-06-12 Somehow, sarcastic Penny's gotten roped into helping make an amateur slasher film. With a team of flakes and weirdos, she's probably the only one who can save this stupid movie... but maybe it can save her, too. Now can somebody please stop that dog from licking the fake blood? This hilarious original graphic novel is a loving tribute to the chaos and camaraderie of DIY filmmaking, and the ways we find our future—and our family—in the unlikely of places.

**The Little Guys** Vera Brosgol,2019-04-02 An adorable cautionary tale from Caldecott Honoree Vera Brosgol We are the Little Guys. Yes, we are small. But there are a lot of us. Together we are strong, and we can get all we need. The Little Guys might be small, but they aim to be mighty. As they head off to find breakfast, they can conquer anything through teamwork—cross deep waters, dig through obstacles, and climb the tallest trees. Nothing can stop them! But as they begin to amass more than they need, the creatures in the forest ponder—what happens when no one can stop the Little Guys? This slyly funny and rambunctious read-aloud explores how strength in numbers only works when the whole community unites together.
