All Gates Open Rob Young,Irmin Schmidt,2018-05-01 All Gates Open presents the definitive story of arguably the most influential and revered avant-garde band of the late twentieth century: CAN. It consists of two books. In Book One, Rob Young gives us the full biography of a band that emerged at the vanguard of what would come to be called the Krautrock scene in late sixties Cologne. With Irmin Schmidt and Holger Czukay - two classically trained students of Stockhausen - at the heart of the band, CAN's studio and live performances burned an incendiary trail through the decade that followed: and left a legacy that is still reverberating today in hip hop, post rock, ambient, and countless other genres. Rob Young's account draws on unique interviews with all founding members of CAN, as well as their vocalists, friends and music industry associates. And he revisits the music, which is still deliriously innovative and unclassifiable more than four decades on. All Gates Open is a portrait of a group who worked with visionary intensity and belief, outside the system and inside their own inner space. Book Two, Can Kiosk, has been assembled by Irmin Schmidt, founding member and guiding spirit of the band, as a 'collage - a technique long associated with CAN's approach to recording. There is an oral history of the band drawing on interviews that Irmin made with musicians who see CAN as an influence - such as Bobby Gillespie, Geoff Barrow, Daniel Miller, and many others. There are also interviews with artists and filmmakers like Wim Wenders and John Malkovitch, where Schmidt reflects on more personal matters and his work with film. Extracts of Schmidt's notebook and diaries from 2013-14 are also reproduced as a reflection on the creative process, and the memories, dreams, and epiphanies it entails. Can Kiosk offers further perspectives on a band that have inspired several generations of musicians and filmmakers in the voices of the artists themselves. CAN were unique, and their legacy is articulated in two books in this volume with the depth, rigour, originality, and intensity associated with the band itself. It is illustrated throughout with previously unseen art, photographs, and ephemera from the band's archive.

Doing the Best I Can Kathryn Edin,Timothy Jon Nelson,2013 Across the political spectrum, unwed fatherhood is denounced as one of the leading social problems of today. Doing the Best I Can is a strikingly rich, paradigm-shifting look at fatherhood among inner-city men often dismissed as deadbeat dads. Kathryn Edin and Timothy J. Nelson examine how couples in challenging straits come together and get pregnant so quickly--without planning. The authors chronicle the high hopes for forging lasting family bonds that pregnancy inspires, and pinpoint the fatal flaws that often lead to the relationship's demise. They offer keen insight into a radical redefinition of family life where the father-child bond is central and parental ties are peripheral. Drawing on years of fieldwork, Doing the Best I Can shows how mammoth economic and cultural changes have transformed the meaning of fatherhood among the urban poor. Intimate interviews with more than 100 fathers make real the significant obstacles faced by low-income men at every step in the familial process: from the difficulties of romantic relationships, to decision-making dilemmas at conception, to the often celebratory moment of birth, and finally to the hardships that accompany the early years of the child's life, and beyond.

All We Can Save Ayana Elizabeth Johnson,Katharine K. Wilkinson,2021-07-20 NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. “A powerful read that fills one with, dare I say . . . hope?”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE There is a

renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it's clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it's a dynamic that sets us up for failure. To change everything, we need everyone. All We Can Save illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save. This Is Why We Can't Have Nice Things Whitney Phillips, 2015-02-27 Internet trolls live to upset as many people as possible, using all the technical and psychological tools at their disposal. They gleefully whip the media into a frenzy over a fake teen drug crisis; they post offensive messages on Facebook memorial pages, traumatizing grief-stricken friends and family; they use unabashedly racist language and images. They take pleasure in ruining a complete stranger's day and find amusement in their victim's anguish. In short, trolling is the obstacle to a kinder, gentler Internet. To quote a famous Internet meme, trolling is why we can't have nice things online. Or at least that's what we have been led to believe. In this provocative book, Whitney Phillips argues that trolling, widely condemned as obscene and deviant, actually fits comfortably within the contemporary media landscape. Trolling may be obscene, but, Phillips argues, it isn't all that deviant. Trolls' actions are born of and fueled by culturally sanctioned impulses -- which are just as damaging as the trolls' most disruptive behaviors. Phillips describes, for example, the relationship between trolling and sensationalist corporate media -- pointing out that for trolls, exploitation is a leisure activity; for media, it's a business strategy. She shows how trolls, the grimacing poster children for a socially networked world, align with social media. And she documents how trolls, in addition to parroting media tropes, also offer a grotesque pantomime of dominant cultural tropes, including gendered notions of dominance and success and an ideology of entitlement. We don't just have a trolling problem, Phillips argues; we have a culture problem. This Is Why We Can't Have Nice Things isn't only about trolls; it's about a culture in which trolls thrive.
