

The Evil Dead

Samuel Hampton

The Evil Dead Kate Egan, 2011-12-13 Sam Raimi's *The Evil Dead* (1981) has been celebrated as a rollercoaster ride of terror and a classic horror hit, a defining example of the tongue-in-cheek, excessively gory horror films of the 1980s. It is also the film that introduced the now-iconic character of Ash (played by Bruce Campbell). This study considers the factors that have contributed to the film's evolving cult reputation. It recounts its grueling production, its journey from Cannes to video and DVD, its playful recasting of the genre, and its status, for fans and critics alike, as one of the grungiest, gutsiest, and most inventive horror films in movie history.

The Evil Dead Companion Bill Warren, 2001-01-15 First published in Great Britain by Titan Books--T.p. verso.

The Evil Dead Lloyd Haynes, 2021-07-08 Sam Raimi's *The Evil Dead* (1982) is one of the most inventive and energetic horror movies of the last 40 years. Released during a period in which the stalk-and-slash cycle had blunted the horror genre of much of its creative edge, Raimi's debut feature transcends its small budget and limited resources to deliver a phantasmagoric roller-coaster ride, a wildly absurd and surreal assault on the senses. Still original enough to stand on its own and be considered as a genre classic, this book will explain its long-lasting appeal and impact. After detailing the unique circumstances of its origin, Lloyd Haynes goes on to analyse key aspects of the film's abiding success. *The Evil Dead* is one of a number of horror films which locate their terrors in a single setting and limited time frame. Haynes argues that it creates a 'bad dream' effect in which the nightmare is never-ending and increasingly horrific, and how the cabin-in-the-woods location is also a fine example of the 'bad place' motif which stretches back to the Gothic novels of the 18th century. The book goes on to consider what character traits Ash Williams, *The Evil Dead*'s 'macho' male hero, shares with Carol Clover's 'Final Girl' model and how effective he is as a 'Final Guy'. Finally, it explores the critical approaches to the film, in particular its notorious reputation in Britain as a 'video nasty'.

The Evil Dead: 40th Anniversary Edition Mark Verheiden, 2021-12-07 Celebrate the 40th anniversary of Sam Raimi's cult horror classic in this hardcover graphic novel collection that expands on the film! Writer Mark Verheiden (*Ash Vs. Evil Dead*, *Battlestar Galactica*) and artist John Bolton (*God Save the Queen*, *Harlequin Valentine*) present an exciting expansion on the film that introduced us to the powerful Book of the Dead, the relentlessly violent deadites, and Ash—one resilient, blood-soaked survivor. Now an iconic horror hero, relive Ash's first visit to the cabin that brought him face to face with the delectably deranged deadites who possessed his girlfriend and friends . . . and turned the perfect place to get laid into a house of fear and fury. Return to the original nonstop gore-fest and experience the thrills, gags, and gagging anew, with unexpected extra scenes. This edition features new afterword text from Mark Verheiden! Collects the Dark Horse Comics miniseries *The Evil Dead* #1-#4, the only officially authorized expansion of the classic horror film.

The Many Lives of The Evil Dead Ron Riecki, Jeffrey A. Sartin, 2019-03-04 One of the top-grossing independent films of all time, *The Evil Dead* (1981) sparked a worldwide cult following, resulting in sequels, remakes, musicals, comic books, conventions, video games and a television series. Examining the legacy of one of the all-time great horror films, this collection of new essays covers the franchise from a range of perspectives. Topics include *The Evil Dead* as punk rock cinema, the Deadites' (demon-possessed undead) place in the American zombie tradition, the powers and limitations of Deadites, evil as affect, and the films' satire of neoliberal individualism.

Evil Dead George Reinblatt, 2010 Based on Sam Raimi's 80s cult classic films, *EVIL DEAD* tells the tale of 5 college kids who travel to a cabin in the woods and accidentally unleash an evil force. And although it may sound like a horror, it's not! The songs are hilariously campy and the show is bursting with more farce than a Monty Python skit. *EVIL DEAD: THE MUSICAL* unearths the old familiar story: boy and friends take a weekend getaway at abandoned cabin, boy expects to get lucky, boy unleashes ancient evil spirit, friends turn into Candarian Demons, boy fights until dawn to survive.

As musical mayhem descends upon this sleepover in the woods, ¿camp¿ takes on a whole new meaning with uproarious numbers like ¿All the Men in my Life Keep Getting Killed by Candarian Demons,¿ ¿Look Who¿s Evil Now¿ and ¿Do the Necronomicon.¿

If Chins Could Kill Bruce Campbell,2015-10-01 If Chins Could Kill: Confessions of a B Movie Actor Here we are together in the digital universe. Somehow, you've clicked yourself to this page. If you came here of your own free will and desire, you and I are going to get along just fine. Life is full of choices. Right now, yours is whether or not to download the autobiography of a mid-grade, kind of hammy actor. Am I supposed to know this guy? you think to yourself. No-and that's exactly the point. You can download a terabyte of books about famous actors and their high-falootin' shenanigans. I don't want to be a spoilsport, but we've all been down that road before. Scroll down to that Judy Garland biography. You know plenty about her already-great voice, troubled life. Scroll down a little further to the Charlton Heston book. Same deal. You know his story too-great voice, troubled toupee. The truth is that though you might not have a clue who I am-unless you watch cable very late at night-there are countless working stiffs like me out there, grinding away every day at the wheel of fortune. If Chins Could Kill: Confessions of a B Movie Actor documents my time in blue-collar Hollywood, where movies are cheap, the hours are long, and the filmmaking process can be very personal. To keep up with the times, I've digitized Chins. It was originally published in hardcover/analog fifteen years ago, which is a vast amount of time in the evolution of books and technology, and it was time to get current. The advance of technology is great for a book like this, which is jammed full of pictures. When it came out originally, the photographs all had to be black and white and moderately sized on the page. Now, any photo that was originally taken in color can strut its stuff. Overall, the resolution of the images is off-the-charts better than the first go-around. This is one sequel that I'm happy to be a part of, since we could make so many technical improvements. The process was very similar to restoring an old movie. Since I knew that it was going to be reissued, I also had a look at the story being told and decided to condense, move, or clarify some chapters, all or in part. I also tried to add a hint of historical context, since it has been a decade and a half since Chins first came out. I hope you enjoy it. Regards, Bruce Campbell

The Necronomicon Simon,1980-03-01 In the past 31 years, there has been a lot of ink—actual and virtual—spilled on the subject of the Necronomicon. Some have derided it as a clumsy hoax; others have praised it as a powerful grimoire. As the decades have passed, more information has come to light both on the book's origins and discovery, and on the information contained within its pages. The Necronomicon has been found to contain formula for spiritual trans-formation, consistent with some of the most ancient mystical processes in the world, processes that were not public knowledge when the book was first published, processes that involve communion with the stars. In spite of all the controversy, the first edition sold out before it was published. And it has never been out of print since then. This year, the original designer of the 1977 edition and the original editor have joined forces to present a new, deluxe hardcover edition of the most feared, most reviled, and most desired occult book on the planet.

The Evil Dead Mark Verheiden,Sam Raimi,Ivan Raimi,2008 Tegneserie. Five college students discover the Necronomicon in an old cabin in the woods and inadvertently unleash undead creatures

Maynard's House Herman Raucher,2015-05-03 “Told with icy precision of eye and ear and a wink of wicked humor . . . First-rate haunted-house creepiness” from the bestselling author of Summer of '42 (Kirkus Reviews). Austin Fletcher, a disturbed young Vietnam War vet, is willed a small house deep in the woods of northern Maine. He comes to own it by the generosity of a brother-in-arms—a fellow soldier and confidante, Maynard Whittier, killed in action by a wayward mortar shell. The rugged landscape of Maine is an intoxicating blend of claustrophobic interiors and endless frozen wastelands. Little by little, the mysterious force in the house asserts itself until Austin isn't exactly sure what is in his mind and what is real. And just when our hero's had enough and is ready to quit the place, a blizzard arrives and the real haunting begins. “An unsettling experience . . . Confounding, touching and well-written.” —The New York Times Book Review

Get your hands on the Evil Dead Rise book and be fully prepared for the terrifying ride of the Evil Dead Rise 2023 movie. Order your copy today!

Don't summon them Carlos Ramos,2021-07-02 These stories encourage the reader to remember their deepest fears; stories that many of our elders still tell to this day, travelling by word of mouth through towns and neighbourhoods. Almost everyone has had goosebumps reading these stories and again the doubts appear: Can it be possible? For some, they are just stories to pass the time, to frighten children, or to teach morals, for others, they serve as idolatry, pretensions of magic and superstitions. It will be you, dear reader, who will decide how to interpret these stories which are taken from the townspeople and there they return, between what is told beyond our borders and our own myths and legends. These stories may be between reason and fantasy and you will decide. The author is clear in that he does not bow to either of the two sides, he only recounts what he has heard.
Translator: Elizabeth Pickwell PUBLISHER: TEKTIME

Hail to the Chin Bruce Campbell,Craig Sanborn,2017-08-15 New York Times bestseller Introduction by New York Times bestselling author and famous minor television personality John Hodgman One of my dad's favorite jokes about getting older was: "I went out for coffee when I was twenty-one and when I got back I was fifty-eight!" I get what he meant now. Time flies. My first book, If Chins Could Kill: Confessions of a B Movie Actor, was published back in 2001 and it chronicles the adventures of a "mid-grade, kind of hammy actor (my words), cutting his teeth on exploitation movies far removed from mainstream Hollywood. This next book, an "Act II" if you will, could be considered my "maturing years" in show business, when I began to say "no" more often and gravitated toward self-generated material. Taking stock in the overall quality of my life, I fled Los Angeles and moved to a remote part of Oregon to renew, regroup and reload. If that sounds tame, the journey from Evil Dead to Spider-Man to Burn Notice was long, with plenty of adventures/mishaps along the way. I never pictured myself hovering above Baghdad in a Blackhawk helicopter, facing a pack of wild dogs in Bulgaria, or playing an aging Elvis Presley with cancer on his penis - how can you predict this stuff? The sheer lunacy of show business is part of the fun for me and I hope you'll come along for the ride. - Bruce "Don't Call Me Ash" Campbell

Direct Conversations: The Animated Films of Tim Burton (Foreword by Tim Burton) Tim Lammers,2013-12-18 Throughout his career, movie journalist Tim Lammers has talked with director Tim Burton and the key players who helped bring the stop-motion films The Nightmare Before Christmas, Corpse Bride, and Frankenweenie to life. Now for the first time, Lammers has assembled the stories from Burton and his band of creatives all in one place. In Direct Conversations: The Animated Films of Tim Burton, you will not only hear from Burton, but Danny Elfman, Chris Sarandon, Allison Abbate, Martin Landau, Elijah Wood, Atticus Shaffer, Helena Bonham Carter, Alan Rickman, the late Ray Harryhausen, and more. The release of

Direct Conversations: The Animated Films of Tim Burton comes as the 1993 classic *The Nightmare Before Christmas* celebrates its 20th anniversary. Direct Conversations: The Animated Films of Tim Burton also includes a foreword by Tim Burton.

Evil Dead 2 Frank Hannah, 2019-09-10 This 8x12 OVERSIZED The Art of Evil Dead 2 book celebrates the 30th Anniversary of the cult-classic film! The creative power of the Evil Dead 2 artists is fully unleashed! Now's your chance to see behind-the-scenes character designs, concept artwork, penciled pages, layouts, and drawings commissioned to make the Evil Dead universe come alive. Fully authorized and 100% authentic, baby!

Throw Me to the Wolves Lindy Ryan, Christopher Brooks, 2022-05-24 Some evil wants to live forever. Ten years ago a witch sacrificed Britta Orchid's family and turned her into a werewolf. Selena Stone's spell failed, and she was never seen again. Until now. Officer Aaron Labaye has discovered Selena's remains in the house where Britta's family died, and dragged Britta back to Louisiana to aid the investigation, hoping her past will break the case. Britta has a hard time resisting the handsome rookie, especially when he shows her a new drawing by her murdered little brother: Britta in her wolf-form. As an unseen hand sets events in motion, Britta has to help Labaye dig into the murders old and new. The bloodthirsty ghost of her brother, a jealous member from her pack, and a former friend with a serious prejudice against wolves all stand to stop Britta as she fights to finally get the truth about that night ten years ago. But, as she looks harder than ever into her own dark past, Britta will confront more than just her own demons as she fights for peace for herself and for her family. She can't hide anymore, but must find her place in a world she's avoided—and discover what it truly means to be a wolf.

Tales of the Ex-Mortis Frank Hannah, Jeff Mariotte, Justin Peniston, Gerogia Ball, 2017-12 From Nazi grave robbers to an evil priest in the Old West to a lovestruck student on today's college campus, the Necronomicon Ex-Mortis has been through it all. See what twists and turns the Book of the Dead has for those who seek to wield its dark power. New original stories expand the Evil Dead 2 Universe with this groovy full color collection of the complete 3-issue mini-series! The new Evil Dead Anthology kicks it into Kandarian high gear. The companion series to the line of Evil Dead 2 comics calls forth all 6 original stories by Jeff Mariotte & Marsheila Rockwell, regular series writer Frank Hannah, Justin Peniston (Rocket Queen and the Wrench), Ivan Cohen, and Georgia Ball, with artists Alan Quah, Eduardo Garcia, Enza Fontana, Gabriel Rearte, Cliff Richards and Pericles Jr.--Back cover.

The Necronomicon Evil Dead, 2016-01-05 The Evil Dead Wrote This That's all I know, actually it's a bunch of quotes from the evil dead movies, and says ill swallow your soul over and over, read it or don't it will make you laugh if you do read it, another necronomicon for your necronomicon collection, this is either the worst one of all or the best one of all, no magick here, just pure evil, by the evil dead
