Gerald D. Suttles, Mark D. Jacobs

The Front Page Ben Hecht, Charles MacArthur, 1950 An irresistible comedy with thrills and derring do set in the news room. Hildy wants to break away from journalism and go on a belated honeymoon. There is a jailbreak and into Hildy's hands falls the escapee as hostage. He conceals his prize in a rolltop desk and phones his scoop to his managing editor. Their job is to prevent other reporters and the sheriff from opening the desk and finding their story. Some hoodlums are enlisted to remove the desk, but they get mixed up with a Boy Scout troop and the mayor and a cleaning woman, among others. It's a whirlwind wrap up with Hildy finally making his breakaway, but the cynical managing editor has him arrested before he leaves town for having stolen a watch he planted on Hildy.

Front-page Pittsburgh Clarke M. Thomas, 2005 Clarke Thomas has compiled a two-hundred-year history of the Pittsburgh Post-Gazette, the first paper published west of the Alleghenies. From the Whiskey Rebellion to the present, the stories the paper covered reveal the history of Pittsburgh and the people who live there.

Front-Page Girls Jean Marie Lutes, 2018-09-05 The first study of the role of the newspaperwoman in American literary culture at the turn of the twentieth century, this book recaptures the imaginative exchange between real-life reporters like Nellie Bly and Ida B. Wells and fictional characters like Henrietta Stackpole, the lady-correspondent in Henry James's *Portrait of a Lady*. It chronicles the exploits of a neglected group of American women writers and uncovers an alternative reporter-novelist tradition that runs counter to the more familiar story of gritty realism generated in male-dominated newsrooms. Taking up actual newspaper accounts written by women, fictional portrayals of female journalists,

and the work of reporters-turned-novelists such as Willa Cather and Djuna Barnes, Jean Marie Lutes finds in women's journalism a rich and complex source for modern American fiction. Female journalists, cast as both standard-bearers and scapegoats of an emergent mass culture, created fictions of themselves that far outlasted the fleeting news value of the stories they covered. *Front-Page Girls* revives the spectacular stories of now-forgotten newspaperwomen who were not afraid of becoming the news themselves—the defiant few who wrote for the city desks of mainstream newspapers and resisted the growing demand to fill women's columns with fashion news and household hints. It also examines, for the first time, how women's journalism shaped the path from news to novels for women writers.

Front Page Economics Gerald D. Suttles, Mark D. Jacobs, 2011-02-15 In an age when pundits constantly decry overt political bias in the media, we have naturally become skeptical of the news. But the bluntness of such critiques masks the highly sophisticated ways in which the media frame important stories. In *Front Page Economics*, Gerald Suttles delves deep into the archives to examine coverage of two major economic crashes—in 1929 and 1987—in order to systematically break down the way newspapers normalize crises. Poring over the articles generated by the crashes—as well as the people in them, the writers who wrote them, and the cartoons that ran alongside them—Suttles uncovers dramatic changes between the ways the first and second crashes were reported. In the intervening half-century, an entire new economic language had arisen and the practice of business journalism had been completely altered. Both of these transformations, Suttles

demonstrates, allowed journalists to describe the 1987 crash in a vocabulary that was normal and familiar to readers, rendering it routine. A subtle and probing look at how ideologies are packaged and transmitted to the casual newspaper reader, *Front Page Economics* brims with important insights that shed light on our own economically tumultuous times.

The Front Page Murders Puja Changoiwala, 2016-12-10 It takes a fearless mind to harbour such a dark heart, a heart that knows no nobility, no apology? Mumbai, April 2012. The gruesome murder of a senior citizen in a wealthy Mumbai neighbourhood leads the city's Crime Branch to unearth several half-naked, mutilated and dismembered bodies rotting in the ravines of the Western Ghats on the outskirts of the city. A trail of missing suspects, a lethal honey-trap, and unexpected links with Mumbai's film industry and the underworld, brings the investigators ? and the press, ever hungry for breaking news ? to Vijay Palande, a cold-blooded killer equipped with the sophistication of Charles Sobhraj, the manipulative genius of Ted Bundy and the cruelty of Jack the Ripper. In *The Front Page Murders*, Puja Changoiwala, who covered the incidents as they unfolded, recounts in gripping detail the story behind the sensational case of multiple murders that shocked the country. Startling and intensely sobering by turns, her compelling narrative explores not just the murky depths of a serial killer's mind but, tellingly, the media's frenzy for a juicy story and the insatiable human appetite for horror.

Front Page News Katie Rowney, 2016-05-16 Cadet journalist Stacey McCallaghan is struggling to find anything newsworthy to report on in the small country town of Toomey.

Front-page stories consist of the price of cattle and lawn bowls results, and Stacey spends more time laying out the crossword than covering actual news. Until the first dead body turns up. While the local police fumble the investigation, ambitious Stacey is just pleased to have something other than cattle sales to write about. Plus, she now has an excuse to spend more time with the arrogantly attractive Detective Scott Fitzgerald. But when Stacey shows up at one crime scene too many, she moves to the top of the most wanted list. Stacey must uncover the truth before anyone else gets hurt – or the police put her behind bars. Light-hearted and laugh-out-loud funny, this charming novel will have readers falling in love with the surprisingly deadly town of Toomey.

Our Front Pages The Onion, Brian Williams, 2009-11-03 From The Birth Of A Nation To The Death Of Journalism Since its founding by a bloodthirsty tyrant in 1756, The Onion has not merely changed the way we think about the news -- it has changed whether we think about the news at all. As the first decade of this new millennium draws to a close, Our Front Pages shows us the first thing that presidents, kings, prime ministers, and popes saw when they opened their eyes each morning for the last 21 years. Now you, the common reader and citizen, can see what they saw and be as informed as they were with this important retrospective of the past two decades. You, too, will realize what generations before have realized and generations yet unborn will some day realize in turn: The Onion is not merely the chronicle of America. The Onion is America.

Have I Got a Story for You: More Than a Century of Fiction from The Forward

Ezra Gliner, 2016-11-01 A Finalist for the 2016 National Jewish Book Award Forty-two stories from America's greatest Yiddish newspaper, in English for the first time. The Forward, founded in 1897, is the most renowned Yiddish newspaper in the world. It welcomed generations of immigrants to the United States, brought them news of Europe and the Middle East, and provided them with sundry comforts such as comic strips and noodle kugel recipes. It also published some of the most acclaimed Yiddish fiction writers of all time: Nobel Prize laureate Isaac Bashevis Singer on justice slyly being served when the governor of Lublin comes to town; celebrated Forward editor Abraham Cahan on how place and luck can change character; and Roshelle Weprinsky, setting her story in Florida, on the rupture between European parents and American children. Cahan described the newspaper as a "living novel," with good reason. Taken together, these stories reveal the human side of the challenges that faced Jews throughout this time, including immigration, modernization, poverty, assimilation, the two world wars, and changing forms of Jewish identity. These concerns were taken up by a diverse group of writers, from novelists Sholem Asch and Chaim Grade to short-story writers like Lyala Kaufman and Miriam Karpilove. Ezra Gliner has combed through the archives to find the best stories published during the newspaper's 120-year history, digging up such varied works as wartime novellas, avant-garde fiction, and satirical sketches about immigrant life in New York. Gliner's introductions to the thematic sections and short biographies of the contributors provide insight into the concerns of not only the writers but also their avid readers. The collection has been rendered into English by today's best Yiddish translators, who capture the sound of the authors and the subtleties of nuance and context.

Paradise Rot Jenny Hval, 2024-03-12 As intriguing and impressive a novelist as she is a musician, Hval is a master of quiet horror and wonder.” —Chris Kraus, author of *I Love Dick* A lyrical debut novel from a musician and artist renowned for her sharp sexual and political imagery Jo is in a strange new country for university and having a more peculiar time than most. In a house with no walls, shared with a woman who has no boundaries, she finds her strange home coming to life in unimaginable ways. Jo’s sensitivity and all her senses become increasingly heightened and fraught, as the lines between bodies and plants, dreaming and wakefulness, blur and mesh. This debut novel from critically acclaimed artist and musician Jenny Hval presents a heady and hyper-sensual portrayal of sexual awakening and queer desire.

Front Page Murder Joyce St. Anthony, 2023-07-11 In this World War II-era historical mystery series debut by Joyce St. Anthony, small-town editor Irene Ingram has a nose for news and an eye for clues. Irene Ingram has written for her father’s newspaper, the *Progress Herald*, ever since she could grasp a pencil. Now she’s editor in chief, which doesn’t sit well with the men in the newsroom. But proving her journalistic bona fides is the least of Irene’s worries when crime reporter Moe Bauer, on the heels of a hot tip, turns up dead at the foot of his cellar stairs. An accident? That’s what Police Chief Walt Turner thinks, and Irene is inclined to agree until she finds the note Moe discreetly left on her desk. He was on to a big story, he wrote. The robbery she’d assigned him to cover at Markowicz Hardware turned out to be something far more devious. A Jewish store owner in a small, provincial town, Sam Markowicz received a terrifying message from a stranger. Moe suspected that Sam is being threatened not only for who he is...but for what he knows.

Tenacious Irene senses there's more to the Markowicz story, which she is all but certain led to Moe's murder. When she's not filling up column inches with the usual small-town fare—locals in uniform, victory gardens, and scrap drives—she and her best friend, scrappy secretary Peggy Reardon, search for clues. If they can find the killer, it'll be a scoop to stop the presses. But if they can't, Irene and Peggy may face an all-too-literal deadline.
