Stuckey's Legacy Lori Crane, 2014-05-23 Thomas was a murderer, so Levi wasn't surprised when a posse tied a noose around his neck and hung him from the iron rails of Stuckey's Bridge. The instant Thomas's neck snapped, Levi inherited more money than he could have ever imagined. Over the next decade, Levi's wealth, charm, and good looks bought him social standing in the world of the rich and famous, even though his scruples were no higher than those of his late father. In 1912, there was no more elite location for the rich and famous to gather than the Jekyll Island Club off Georgia's coast. Millionaire's Club, as it was commonly known, was the place to see and be seen, a place where Levi enjoyed rubbing elbows with prestigious names like Rockefeller and Morgan. His ambition to become one of the affluent was flawlessly executed...until the evening he spotted her across the room. Levi didn't know when he locked eyes with the mysterious Penelope Juzan, his plan would begin to unravel and his life would forever change. Thrown into a world

of murder, treachery, and an intense game of cat and mouse, Levi would find his time on the island ending differently than it had begun. Was she only after his money? Occasionally, it seemed to him she only wanted him dead. Or maybe it was the other way around.

Legend Continues D. T. Mann, 2018-03-26 Life gets complicated for Steven and Rikki. The story begins with their almost fairy-tale wedding. It's a great celebration with family and friends and appears to be the beginning of a beautiful life together for them. It does, however, bring with it some unforeseen problems. Steven's dominant attitude and Rikki's stubbornness make for some serious head butting and misunderstandings. Daniel (DJ) an old friend of the family arrives for the wedding and immediately catches the eye of Rikki's nurse, Sandy. She falls for him in a big way and all looks promising until her old boyfriend, Jeremy, who views Sandy as his property shows up. He's decided he's not going to be her ex and makes dire threats, vowing to get her back at any cost. Weddings, pregnancies, appearance of skeletons from a variety of closets - all contribute to another great read full of mystery, romance, spice and action from D T Mann.

The Legend Continues Justin Richards, 2005 At about tea time on Saturday 23 November 1963, a legend was born. This book celebrates a modern icon. It traces the history of a TV legend, covering each and every one of the doctor's televised adventures - the worlds his Tardis has visited, the people and creatures he has met, the monsters he has fought, and the history he has made ... from that historic Saturday in 1963 right through to the present. (From back cover).

Ripper Notes Dan Norder, Wolf Vanderlinden, Alan Sharp, 2008-02 Ripper Notes:

The Legend Continues looks at the enduring mystery of the Jack the Ripper murders with essays covering the myths from the past that still survive today as well as the way modern enthusiasts keep the case alive. Wolf Vanderlinden starts things off with an in-depth look at Carl Feigenbaum, a convicted murderer whose own lawyer thought he was Jack the Ripper. Dan Norder tackles the concept of copycat killings and uncovers evidence that the Whitechapel murderer changed his methods to live up to his own legend. John Bennett examines top hats, black bags and other icons of the Jack the Ripper myth. Craig Hansen criticizes unrealistic attempts to romanticize the life of Ripper victim Mary Jane Kelly. Andrew Spallek investigates rail service between Blackheath and London to see if suspect Montague J. Drutt can be placed in the East End around the times of the murders. Jonathan Menges dissects recent claims that DNA has proven Dr. Hawley Crippen innocent of the death of his wife. Bernard Brown examines the Thomas Street Murder of 1894. In addition to the regular news briefs and book reviews, there is also detailed coverage of the 2007 Ripper conference, the Trial of James Maybrick and Frogg Moody's Ripper-themed rock opera. Profusely illustrated with rarely-seen images, Ripper Notes is a nonfiction anthology series covering all aspects of the Jack the Ripper case and other murders of Victorian era.

With Coach Wings expertise, Brady was guaranteed to be this year's All-American. Until...Chase released Dragon Man from his rocky tomb of imprisonment as part of his ultimate plan of revenge! One choice can transform you. One choice can destroy you. One choice can alter your destiny for all eternity. Will the choices they make lead to life or death? This mystical adventure will draw you in and keep you wanting to read on to see just how powerful the choices we make every day can be in bringing about our destiny.

Triskelion Avril Borthiry, 2014-10-26 Triskelion is a medieval love story based on an actual legend from English folklore. Where the legend ends, the story begins... Lancashire, England, AD 1480 The story of England's last wolf plays a large part in Kate's life. The man who killed the wolf is her father, Sir John Harrington, lord and master of Wraysholme Manor. Strangely, though, her knowledge of the tale is all second-hand. Her father, for unknown reasons, refuses to speak of exactly what happened the day the wolf was killed. Nor will he speak of Kate's mother, who died soon after giving birth. So, Kate is left to wonder about her past, although lately her curiosity has been overshadowed by a series of unusual dreams. Indeed, her lonely heart has been captured by the handsome stranger who speaks to her in sleep. But he is not the only man who haunts her nights. There is another who lurks in the

shadows of her subconscious. Who is he, and why does she feel so threatened by him? When Kate is brutally snatched from her home, she begins to understand the meaning behind her dreams and the incredible truth about her past. Her captor is a man void of emotion and without conscience, yet Kate finds herself irresistibly drawn to his dark charisma. As the reason for her kidnapping is revealed, Kate is faced with a decision. Will she find the courage to make the right choice? Can the love of a gentle heart hope to save an unfeeling and corrupted soul? Perhaps - especially if their destinies were preordained long ago. The death of the wolf, it seems, is part of an much older legend. Show less
