Exploring the Land of Ooo Paul A. Thomas,2023-08-16 Exploring the Land of Ooo: An Unofficial Overview and Production History of Cartoon Network's Adventure Time is a guide through the colorful and exuberant animated television series that initially aired from 2010 to 2018. Created by visionary artist Pendleton Ward, the series was groundbreaking and is credited by many with heralding in a new golden age of animation. Known for its distinct sense of humor, bold aesthetic choices, and memorable characters, Adventure Time has amassed a fan-following of teenagers and young adults in addition to children. Popularly and critically acclaimed, the show netted three Annie awards, eight Emmys, and a coveted Peabody. In this thorough overview, author Paul A. Thomas explores the nuances of Adventure Time's characters, production history, ancillary media, and vibrant fandom. Based in part on interviews with dozens of the creative individuals who made the show possible, the volume comprises a captivating mix of oral history and primary source analysis. With fresh insight, the book considers the show's guest-directed episodes, outlines its most famous songs, and explores how its characters were created and cast. Written for fans and scholars alike, Exploring the Land of Ooo ensures that, when it comes to Adventure Time, the fun truly will never end.

The Lemon Day Emily Rays,2016-03-23 THE LEMON DAY was inspired to me from my three-year-old, Kelly, as to how she pronounced Lemon-aid . I made a list of those slightly different ways that she pronounced things and worked a rhyming story around it. Basically, there is a grumpy, not too kind, character who is in a sense a bully. He gets put in his place by the other, kind, characters in the story and has a change of heart. It is a children's story, but I find it to send a positive message to all ages, with the main point being it's OK to be different, choosing acceptance and above all to always keep the imagination alive! I dedicated it to my Mother, SuzanneTHE LEMON DAY is a cute, fun and wonderful book.

The lemon jelly cake Madeline B. Smith,1952

Snowe White: True Story Nadja Sayej,2019-06-20 A love story gone wrong. Set in Berlin in the early 2010s, this story is based on one woman's journey as the art critic rapper. Page by page, diary entry after diary entry, we learn about Snowe White, a rapper trying to make her way through there Berlin art scene. Written between 2012-2016, it's an ode to the artists, friends and long nights, parties, mishaps and heartbreaks at the peak of the cultural revolution in the city of Berlin (Before it became too expensive). This is my pop culture manifesto. If I was Richard Linklater, this would be my "Suburbia." If I was Chuck Klosterman, this would be my "Sex, Drugs and Cocoa Puffs." "A great new book about youth, love, and ambition. Honest and direct and full of heart." -RM Vaughan

The Lemon Tree Matthew Shallvey,2018-03 Our family's so excited, come out back and you will see, we have ten big juicy lemons growing in our Lemon tree. In ten day's time we'll pick them, as they're still too green to squeeze. Then we're going to use them in our favourite recipes. I want lemonade and lemon tarts and lemon pie. My sister said it's lemon curd she really wants to try. My mother wants some lemon butter to spread upon her toast. Lemon juice on pancakes is what my dad said he likes the most. Someone is stealing lemons from the lemon tree every night. Who could the thief be!

The Cultural Gutter Carol Borden,Chris Szego,Ian Driscoll,2011 Science fiction, fantasy, comics, romance, genre movies, games all drain into the Cultural Gutter, a website dedicated to thoughtful articles about disreputable art-media and genres that are a little embarrassing. Irredeemable. Worthy of Note, but rolling like errant pennies back into the gutter. The Cultural Gutter is dangerous because we have a philosophy. We try to balance enthusiasm with clear-eyed, honest engagement with the material and with our readers. This book expands on our mission with 10 articles each from science fiction/fantasy editor James Schellenberg, comics editor and publisher Carol Borden, romance editor Chris Szego, screen editor Ian Driscoll and founding editor and former games editor Jim Munroe.
