In the Light of Darkness Delizhia D. Jenkins, 2016-04-16 After a seemingly ageless war between the House of Light and the House of Darkness, another war is brewing just beyond the horizon of peace. Both houses fight for control over the human race; and when the shrewd and powerful ruler of the House of Darkness decides to create another bloodline, the king is banished; while the House of Light seeks to root out what their Queen has ruled to be an abomination. They are known as the Greys. They are fast. Powerful. They blend in with the humans, lest their abilities are discovered and then they become the hunted. The House of Light, the self- righteous avengers of truth and justice, and the sworn enemy of The House of Darkness has slaughtered them to near extinction. Because of an age old prophecy, their ruthless Queen Lucena, sees them as a threat. and the natural. A prophecy foretells the future of both Houses, centering on the House of Darkness' most powerful descendant: Dawn Stewart.
