Finally fifteen, she will be dubbed the Protector of her very own ocean territory as is tradition, and her sisters have agreed to visit for the celebration. But the ceremony is halted when Mala, one of the most renowned daughters of Triton, is abducted. The only clue to where she might have been taken is a hastily scribbled seaweed note, which says, What could have saved Mother could save me, too. To rescue Mala, Ariel must work together with her siblings, traveling to various seas, outsmarting dangerous ocean creatures, and delving into forbidden waters to find the truth of what happened to their mother. But as Ariel and her sisters begin uncovering new secrets about their family and their kingdom, Ariel will have to face the loss of a mother she never had a chance to know and discover what it means to be both a good sister and a strong leader.
