### Tim Burton's The Nightmare Before Christmas Tim

Burton,2013-09-17 Celebrate 20 years of nightmares with this picturebook version of the classic film, written and drawn by Tim Burton and now featuring word-for-word narration by Christopher Lee! In this beloved picture book that could only come from the visionary mind of author and illustrator TIM BURTON, we meet Jack Skellington-- a well-intentioned inhabitant of Halloweenland. Jack is bored of ""the scaring, the terror, the fright....tired of being something that goes bump in the night"". And so, in an effort to bring joy to his town, Jack kidnaps Santa and takes his place as the jolly old elf. But instead of bringing joy to the world Jack, who is a little more than a grinning skeleton, brings fear by delivering creepy toys and riding a sleigh carried by skeletal reindeer. Only through a number of things going horribly wrong does Jack learn the true meaning of Christmas.

**Disney Manga: Tim Burton's The Nightmare Before Christmas – The Battle for Pumpkin King** Dan Conner, 2023-09-19 The New York Times Best Seller! Jack Skellington is the undisputed Pumpkin King of Halloween Town. But it wasn't always that way... Years ago, Jack and Oogie Boogie were close friends. Both eager to prove themselves, they poured all their passion into their fantastical projects to earn their rightful place as the scariest duo in town. But there could only be one Pumpkin King! What could have happened to turn two best friends into such bitter rivals? Even if you are not familiar with the original film, the graphic novel *The Nightmare Before Christmas: The Battle For Pumpkin King* does

justice to the original. Dan Conner's writing flows the story with the right amount of humour. Deborah Allo draws every line as if the environment and the characters are alive and we are there in the town with them. We can not miss the finesse in colouring that Roberto Scalia executes. My overall impression is that this story is beautifully illustrated; it has easy-to-follow, funny dialogues with cleverly placed subtexts on the importance of friendship and honesty. – İlgin Side Soysal, The Comics Beat
