The Pink Panther Max Allan Collins,2009-10-13 Oui, the mystery of the missing Pink Panther Diamond is as good as solved! Only one question remains: Who stole the Pink Panther Diamond? A famous coach is murdered in a crowded stadium. His most-prized possession—a ring set with the stunning Pink Panther Diamond—has vanished in the melee. The French government needs a master detective on the case, but the head of the Paris Police Bureau is unwilling to jeopardize his chances for the Medal of Honor with such a difficult, high-profile assignment. Surely Inspector Jacques Clouseau, a clumsy provincial gendarme with a knack for ignoring the obvious, could fill in without upstaging his superiors. Within seconds he proves his genius by narrowing the list down to just 60,000 suspects! Pink Panther fans know Clouseau will recover the missing gem, bring a killer to justice, restore a Republic's damaged pride, and win the gratitude of an adoring nation. And he'll attempt to beguile the beautiful singer rumored to be at the center of the whole felonious affair. But the real mystery is how the bumbling detective will actually do it!

Meet the Pink Panther Hope Freleng,Hope Freleng Shaw,Sybil Freleng,Sybil Freleng Bergman,2005 In the early 1960s the celebrated producer/ animator team of David DePatie and Friz Freleng was commissioned to create an animated sequence for the 1964 film The Pink Panther, directed by Blake Edwards and starring Peter Sellers as the bumbling Inspector Clouseau. DePatie-Freleng brought this Pink Panther to life by creating one suave, cool animated cat that earned DePatie-Freleng their 1964 Oscar for Best Animated Short, The Pink Phink. The character grew so popular that it soon spun off into its own series of theatrical shorts attached to the Pink Panther films, then expanded into a cartoon series and television specials. This summer The Pink Panther returns to the screen with a new film, The Pink Panther, starring Steve Martin. In conjunction with MGM's film and on the heels of the Pink Panther's 40th Anniversary. Hope and Sybil Freleng, daughters of Friz Freleng, pay tribute to their father by opening his archives and exploring the history of everybody's favorite pink cartoon character. Meet the Pink Panther is a delightful trove of Panther imagery, including never-before-seen art and witty and simple text about the Pink Panther. Designed with a retro look that is reminiscent of the Pink Panther from his premier in the 60s, Meet the Pink Panther is a sophisticated package that will appeal to parents who remember him with humor from their childhood and to children who can't help but be impressed by the consummate character of cool.

Pink Panthers Dijana Sajic,Zoran Cickaj,2020-06-09 SYNOPSISIn The Greatest Thieves in the World, the author Neboysha Saikovski mixes urban drama with a crime thriller in this global action-adventure novel about diamond robberies. The result is an adventurous book in which the personalities of the main characters and global criminal syndicates are thoroughly analyzed, the action is shown in abundance through all the chapters, and the scenes of diamond robberies are especially spectacular.After the thieving team of the Pink Panthers successfully carried out three large diamond robberies in Antwerp, London, and Tokyo, they are recruiting an elegant logistics expert and a top make-up artist to prepare for the robbery at the Diamond Biennale in Paris. After successfully completing the job in Paris, they carry out two more spectacular robberies together, at the Amsterdam airport and in Saint Tropez, after which discord and attrition occur within the gang over the division of the loot. If there is no reconciliation, the rest of the gang is forced to forgather and train a new crew for another robbery, this time in Dubai.A WORD TO THE READERDiamond. A symbol of strength, durability, value, success, happiness, and love.Imagine the world you know as one side of the street, where diamonds on display in expensive urban neighborhoods of the world's metropolises evoke a desire for wealth, fame, and, above all, a desire for power.Young people from the former Yugoslavia, as well as the heroes of this book, did not have the opportunity to enjoy their youth like their peers, to play basketball or football in the playground in their neighborhood. They did not have the opportunity to meet that glamorous side of the street where diamonds shine. The god of war seduced some of them into his ranks, to shed the blood of those they called brothers until yesterday, while others sought salvation in that dazzling world until they met again while creating the world's most powerful gang of diamond robbers.You, holding this book in your hand, you likely walk down that street where everything is beautiful, happy, and great. If you have the courage, dare take the step together with our heroes. Cross the street and meet the dark world behind all that glitter and glow. Find out how diamonds are made and come to that array of glittering shops and the blood, sweat, and tears that they represent in reality.From the hot sands of Africa where greedy corporations exploit human and mineral resources in collaboration with corrupt politicians, through shining modern Europe all the way to Dubai, embark on an action-adventure with our heroes, the Pink Panthers, and personally experience the world's most famous diamond robberies.If you want to know what it's like to be a Pink Panther, read this book. As well as if you are interested in how the flows of money and the destiny of diamond robbers intertwine with the interests and activities of drug cartels and human trafficking, the white-collar crime of banking and corporate magnates, and diplomatic-political machinations.One thing is guaranteed.For those of you who read this book, the world will never look the same again.AUTHOR'S NOTEThis novel is the first part of a trilogy that deals with the socio-historical context of emergence, rise, and (temporary) fall of the famous and powerful international robber group, Pink Panthers, created in the whirlwind of war during the disintegration of the former Yugoslavia. In close-up are the Pink Panthers characters, their principles, a system of work and organizational structure, tactical patterns of action and logistical processes, described through the example of adventures in preparing and carrying out robberies in Antwerp, London, Tokyo, Paris, Amsterdam, St. Tropez and Dubai. The background story shows the entire process of the diamond business, from relentless exploitation of rich deposits of poor third-world countries to the intertwining of the diamond business with other criminal cartels.
