

The Rebellion Story

Peter Rae

The Rebel Albert Camus,2012-09-19 By one of the most profoundly influential thinkers of our century, The Rebel is a classic essay on revolution that resonates as an ardent, eloquent, and supremely rational voice of conscience for our tumultuous times. For Albert Camus, the urge to revolt is one of the essential dimensions of human nature, manifested in man's timeless Promethean struggle against the conditions of his existence, as well as the popular uprisings against established orders throughout history. And yet, with an eye toward the French Revolution and its regicides and deicides, he shows how inevitably the course of revolution leads to tyranny. Translated from the French by Anthony Bower.

Puella Magi Madoka Magica: The Movie -Rebellion-, Vol. 2 Magica Magica Quartet,2016-01-26 Homura discovers that she has been trapped in an illusory space all along. Though she resolves to find and put a stop to the culprit behind the illusion, her friends' apparent happiness in this false reality makes Homura wonder if she has more to lose than gain by putting an end to it. The manga adaptation of the record-breaking hit Puella Magi Madoka Magica: The Movie -Rebellion- film continues on!

A Compleat History of the Rebellion James Ray,1747

The Rebellion of Absalom Keith Bodner,2013-12-04 With extraordinary range and literary energy, the story of Absalom’s rebellion in 2 Samuel ranks as the most elaborate and extensively narrated internal political event in the Hebrew Bible, complete with a host of scandalous and sordid events: illicit sex, murder, cover-up, petty crime, to name a few. For many students approaching the historical books of the Bible, however, texts often fail to address the vitality of this most turbulent period of King David’s career. Bodner addresses this shortcoming with his *The Rebellion of Absalom*, a lively analysis of the early monarchy of Israel, written by a recognized commentator of the Bible’s historical books. Concise and insightful, each chapter incrementally focuses on the stages of David’s rise to power and Absalom’s early life and rebellion. Crucial issues in the development of Israel’s monarchy are embedded in this story, including: royal legitimation divine election succession usurpation divine and human punishment. *The Rebellion of Absalom* is a student-friendly, culturally savvy approach to one of the most important episodes in deciding how the kings of Israel would be determined throughout the monarchic period.

Revolution, Rebellion, Resistance Professor Eric Selbin,2013-04-04 Why do revolutions happen? Decades of social science research have brought us little closer to understanding where, when and amongst whom they occur. In this groundbreaking book, Eric Selbin argues that we need to look beyond the economic, political and social structural conditions to the thoughts and feelings of the people who make revolutions. In particular, he argues, we need to understand the stories people relay and rework of past injustices and struggles as they struggle in the present towards a better future. Ranging from the French Revolution to the Battle for Seattle, via Russia, China, Cuba, Vietnam and Nicaragua, Selbin makes the case that it is myth, memory and mimesis which create, maintain and extend such stories. Revolution, Rebellion, Resistance identifies four kinds of enduring revolutionary story - Civilizing and Democratizing, The Social Revolution, Freedom and Liberation and The Lost and Forgotten - which do more than report on events, they catalyse changing the world.
