**Disney Book Group**

## **The Return of the Pink Panther** Frank Waldman,1977

### **Meet the Pink Panther** Hope Freleng,Hope Freleng Shaw,Sybil Freleng,Sybil Freleng

Bergman,2005 In the early 1960s the celebrated producer/animator team of David DePatie and Friz Freleng was commissioned to create an animated sequence for the 1964 film *The Pink Panther*, directed by Blake Edwards and starring Peter Sellers as the bumbling Inspector Clouseau. DePatie-Freleng brought this Pink Panther to life by creating one suave, cool animated cat that earned DePatie-Freleng their 1964 Oscar for Best Animated Short, *The Pink Phink*. The character grew so popular that it soon spun off into its own series of theatrical shorts attached to the Pink Panther films, then expanded into a cartoon series and television specials. This summer *The Pink Panther* returns to the screen with a new film, *The Pink Panther*, starring Steve Martin. In conjunction with MGM's film and on the heels of the Pink Panther's 40th Anniversary. Hope and Sybil Freleng, daughters of Friz Freleng, pay tribute to their father by opening his archives and exploring the history of everybody's favorite pink cartoon character. *Meet the Pink Panther* is a delightful trove of Panther imagery, including never-before-seen art and witty and simple text about the Pink Panther. Designed with a retro look that is reminiscent of the Pink Panther from his premier in the 60s, *Meet the Pink Panther* is a sophisticated package that will appeal to parents who remember him with humor from their childhood and to children who can't help but be impressed by the consummate character of cool.

*The Pink Panther* Max Allan Collins,2005-12-27 Oui, the mystery of the missing Pink Panther Diamond is as good as solved! Only one question remains: Who stole the Pink Panther Diamond? A famous coach is murdered in a crowded stadium. His most-prized possession -- a ring set with the stunning Pink Panther Diamond -- has vanished in the melee. The French government needs a master detective on the case, but the head of the Paris Police Bureau is unwilling to jeopardize his chances for the Medal of Honor with such a difficult, high-profile assignment. Surely Inspector Jacques Clouseau, a clumsy provincial gendarme with a knack for ignoring the obvious, could fill in without upstaging his superiors. Within seconds he proves his genius by narrowing the list down to just 60,000 suspects! Pink Panther fans know Clouseau will recover the missing gem, bring a killer to justice, restore a Republic's damaged pride, and win the gratitude of an adoring nation. And he'll attempt to beguile the beautiful singer rumored to be at the center of the whole felonious affair. But the real mystery is how the bumbling detective will actually do it!

Pink Panthers Dijana Sajic,Zoran Cickaj,2020-06-09 SYNOPSISIn *The Greatest Thieves in the World*, the author Neboysha Saikovski mixes urban drama with a crime thriller in this global action-adventure novel about diamond robberies. The result is an adventurous book in which the personalities of the main characters and global criminal syndicates are thoroughly analyzed, the action is shown in abundance through all the chapters, and the scenes of diamond robberies are especially spectacular.After the thieving team of the Pink Panthers successfully carried out three large diamond robberies in Antwerp, London, and Tokyo, they are recruiting an elegant logistics expert and a top make-up artist to prepare for the robbery at the Diamond Biennale in Paris. After successfully completing the job in Paris, they carry out two more spectacular robberies together, at the Amsterdam airport and in Saint Tropez, after which discord and attrition occur within the gang over the division of the loot. If there is no reconciliation, the rest of the gang is forced to forgo and train a new crew for another robbery, this time in Dubai.A WORD TO THE READERDiamond. A symbol of strength, durability, value, success, happiness, and love.Imagine the world you know as one side of the street, where diamonds on display in expensive urban neighborhoods of the world's metropolises evoke a desire for wealth, fame, and, above all, a desire for power.Young people from the former Yugoslavia, as well as the heroes of this book, did not have the opportunity to enjoy their youth like their peers, to play basketball or football in the playground in their neighborhood. They did not have the opportunity to meet that glamorous side of the street where diamonds shine. The god of war seduced some of them into his ranks, to shed the blood of those they called brothers until yesterday, while others sought salvation in that dazzling world until they met again while creating the world's most powerful gang of diamond robbers.You, holding this book in your hand, you likely walk down that

street where everything is beautiful, happy, and great. If you have the courage, dare take the step together with our heroes. Cross the street and meet the dark world behind all that glitter and glow. Find out how diamonds are made and come to that array of glittering shops and the blood, sweat, and tears that they represent in reality. From the hot sands of Africa where greedy corporations exploit human and mineral resources in collaboration with corrupt politicians, through shining modern Europe all the way to Dubai, embark on an action-adventure with our heroes, the Pink Panthers, and personally experience the world's most famous diamond robberies. If you want to know what it's like to be a Pink Panther, read this book. As well as if you are interested in how the flows of money and the destiny of diamond robbers intertwine with the interests and activities of drug cartels and human trafficking, the white-collar crime of banking and corporate magnates, and diplomatic-political machinations. One thing is guaranteed. For those of you who read this book, the world will never look the same again.

**AUTHOR'S NOTE** This novel is the first part of a trilogy that deals with the socio-historical context of emergence, rise, and (temporary) fall of the famous and powerful international robber group, Pink Panthers, created in the whirlwind of war during the disintegration of the former Yugoslavia. In close-up are the Pink Panthers characters, their principles, a system of work and organizational structure, tactical patterns of action and logistical processes, described through the example of adventures in preparing and carrying out robberies in Antwerp, London, Tokyo, Paris, Amsterdam, St. Tropez and Dubai. The background story shows the entire process of the diamond business, from relentless exploitation of rich deposits of poor third-world countries to the intertwining of the diamond business with other criminal cartels.

**Pink Panther** Jerry Beck, 2005 A guide to the Pink Panther films and their characters from the 1960s to the 2000s.

**Mr. Strangelove** Ed Sikov, 2003-11-01 Peter Sellers's explosive talent made him a beloved figure in world cinema and continues to attract new audiences. With his darkly comic performances in *Dr. Strangelove* and *Lolita* and his outrageously funny appearances as Inspector Clouseau in the Pink Panther films, he became one of the most popular movie stars of his time. Sellers himself identified most personally with the character he played in *Being There*--an utterly empty man on whom others projected what they wanted, or needed, to see. In this lively and exhaustively researched biography, Ed Sikov offers unique insight into Sellers's comedy style. Beginning with Sellers' lonely childhood with a mother who wouldn't let go of him, through his service in the Royal Air Force and his success on BBC Radio's *The Goon Show*, Sikov goes on to detail his relationships with co-stars such as Alec Guinness, Sophia Loren, and Shirley MacLaine; his work with such directors as Stanley Kubrick, Billy Wilder, and Blake Edwards; his four failed marriages; his ridiculously short engagement to Liza Minnelli; and all the other peculiarities of this eccentric man's unpredictable life. The most insightful biography ever written of this endlessly fascinating star, *Mr. Strangelove* is as comic and tragic as Peter Sellers was himself.

*The Pink Panther Strikes Again!* William Gleason, 1981

*The Pink Panther and the Fancy Party* Sandra Beris, 1983 The Pink Panther discovers with chagrin that the host of the party he is attending is also the salesman he irritated and exhausted that day.

**Pink Panther** S. A. Check, S. L. Gallant, Batton Lash, Keith Davidsen, 2016-12-06 *The Cool Cat is Back!*--Page [4] of cover.

**The Pink Panther Clique** Sunshine Smith-Williams, Aisha Hall, Jamila T. Davis, 2017-07-11 Everybody knows that if you break the law and get caught, you go to prison. But what happens when the very same people that are supposed to enforce and uphold the law, are criminals themselves? Three strangers, Eshe, Milla, and Sun-Solé, meet under the worst circumstances possible--behind bars. Prison isn't at all what they expected, and from the onset of their arrival, these three savvy boss chicks find themselves surrounded by disloyal snitches, set-ups, and scandalous drama. Determined to survive the system that enslaved them, these courageous women unite and embark on a mission to level the scales of justice. Will they survive the gruesome conditions of confinement, or will they fold under pressure?

*I Thought We Were Making Movies, Not History* Walter Mirisch, 2008-04-10 This is a moving, star-

filled account of one of Hollywood's true golden ages as told by a man in the middle of it all. Walter Mirisch's company has produced some of the most entertaining and enduring classics in film history, including *West Side Story*, *Some Like It Hot*, *In the Heat of the Night*, and *The Magnificent Seven*. His work has led to 87 Academy Award nominations and 28 Oscars. Richly illustrated with rare photographs from his personal collection, *I Thought We Were Making Movies, Not History* reveals Mirisch's own experience of Hollywood and tells the stories of the stars—emerging and established—who appeared in his films, including Natalie Wood, John Wayne, Peter Sellers, Sidney Poitier, Steve McQueen, Marilyn Monroe, and many others. With hard-won insight and gentle humor, Mirisch recounts how he witnessed the end of the studio system, the development of independent production, and the rise and fall of some of Hollywood's most gifted (and notorious) cultural icons. A producer with a passion for creative excellence, he offers insights into his innovative filmmaking process, revealing a rare ingenuity for placating the demands of auteur directors, weak-kneed studio executives, and troubled screen sirens. From his early start as a movie theater usher to the presentation of such masterpieces as *The Apartment*, *Fiddler on the Roof*, and *The Great Escape*, Mirisch tells the inspiring life story of his climb to the highest echelon of the American film industry. This book assures Mirisch's legacy—as Elmore Leonard puts it—as “one of the good guys.” Best Books for Special Interests, selected by the American Association of School Librarians, and Best Books for General Audiences, selected by the Public Library Association

**The Pink Panther** Disney Book Group, 2005-12-13 The Pink Panther is back-better than ever! The new movie, starring Steve Martin, Kevin Kline, and Beyonce Knowles, steals the summer of 2005.

Up Front... Victor Spinetti, 2015-07-30 An entertainer with few equals. Daily Mail Creasingly Funny. The Times Described by Sir Paul McCartney as ‘the man who makes clouds disappear’, Victor Spinetti is one of Britain's best-loved and most outrageous performers. He became known to the Sixties generation through his comedic roles in the landmark Beatles films and the classic *Return of the Pink Panther*, starring Peter Sellers. His remarkable wit and versatility have earned him fresh popularity with every generation since. A veteran stage actor, writer and director, Spinetti gives us an irresistible account of his own life, from his Welsh-Italian upbringing to his role as one of the few trusted friends of the Beatles through to his recent portrayal of Einstein on stage in London. *Up Front* contains startling new insights into life with the Beatles, and a selection of previously unpublished photos of the Fab Four. Spinetti's charismatic personality and his fabulous ability to entertain combine to make this a book of exquisite charm, joy and irreverence.

**Cartoon Superstars** John Cawley, Jim Korkis, 1990

**Strategic Reinvention in Popular Culture** Richard Pfefferman, 2013-12-11 Not all original works invoke the encore impulse in their audiences. Those that do generally spawn replications - sequels, spin-offs, or re-makes. This book presents a theory of why some replications succeed and others fail across genres and media.

This Book Is Not a Piece of Cheese! Benjamin Bird, 2014-07-01 Jerry the mouse eats his way through the book, despite Tom's efforts to convince him and the readers that this book is not made of cheese.

Just a Dog Michael Gerard Bauer, 2014-08-26 Sometimes a dog isn't just a dog--sometimes he's the glue the holds a whole family together. Mr. Mosely is a special dog. Not just because he's so big (he's part Great Dane.) Not just because he's all white (with one black spot under his eye and a heart shaped splotch on his chest.) Not just because he's clumsy, or because of tricks (he only knows one, and it's not very good.) He's special because he seems to know exactly what everyone in Corey's family needs, even when they don't know themselves. This is the story of Mr. Mosely, from his puppyhood to the last time he curls up on the back porch. It's the story of how sometimes a dog isn't just a dog. Sometimes he's the glue the holds a whole family together.

A Splurche in the Kisser Sam Wasson, 2010-03-01 With one of the longest and most controversial careers in Hollywood history, Blake Edwards is a phoenix of movie directors, full of hubris, ambition, and raving comic chutzpah. His rambunctious filmography remains an artistic force on par with Hollywood's greatest comic directors: Lubitsch, Sturges, Wilder. Like Wilder, Edwards's propensity for

hilarity is double-helixed with pain, and in films like *Breakfast at Tiffany's*, *Days of Wine and Roses*, and even *The Pink Panther*, we can hear him off-screen, laughing in the dark. And yet, despite those enormous successes, he was at one time considered a Hollywood villain. After his marriage to Julie Andrews, Edwards's Darling Lili nearly sunk the both of them and brought Paramount Studios to its knees. Almost overnight, Blake became an industry pariah, which ironically fortified his sense of satire, as he simultaneously fought the Hollywood tide and rode it. Employing keen visual analysis, meticulous research, and troves of interviews and production files, Sam Wasson delivers the first complete account of one of the maddest figures Hollywood has ever known.

The Pink Panther 2 Jane Rollason,2009-01-01 Let me bring you up to speed. We know nothing. Now you are up to speed. Thus is the bumbling, deadpan persona of Inspector Clouseau, as re-invented by Steve Martin, best summed up. In this sequel to the 2006 remake of the classic Peter Sellers films, Martin gets crisper direction and a smarter script than he did the first time out. Martin, to his great credit, has never been afraid to make himself look foolish or to take pratfalls--and if the viewer finds these remakes to be less satirical than the original Sellers films, he will still be letting our great laughs and chuckles through the course of the film. And what a cast! Martin is joined by John Cleese, Jeremy Irons, Lily Tomlin, Jean Reno, Bollywood superstar Aishwarya Rai, Emily Mortimer, Alfred Molina, and Andy Garcia--all of whom seem to be having a delightful romp--a feeling that's contagious. The story picks up where the last film ended, with Clouseau's having saved the precious Pink Panther diamond in Paris. Since then, Clouseau has been reassigned to parking-ticket duty, to keep him off the frayed nerves of Chief Inspector Dreyfus (Cleese). But a band of international thieves is wreaking havoc on the world's treasures, and, before you can say minkey, the priceless Pink Panther goes missing, again. If plot's a bit predictable, it's no matter, since the fun is in the haplessness of Clouseau and the rings of nuclear fallout that surround him. And you may never pronounce hamburger the same way. Evair.

**The Return of Thelma the Unicorn** Aaron Blabey,2020-10-06 Thelma the Unicorn is back and more fabulous than ever! The whole wide world was overjoyed!Her fans all went berserk.But this time Thelma had her friendand that's what made it work.The world misses its favorite unicorn, but Thelma is reluctant to don her horn and sparkles again. However, with the support of her best friend Otis, she realizes the importance of spreading love and joy -- no matter what people think.Bestselling author Aaron Blabey's sweet and funny follow-up to *Thelma the Unicorn* will have young readers cheering for Thelma and Otis as they learn to love who they are... even if they don't have sparkles.
