Murray Smith

**Plastic Man** ,2005 Formerly known as Eel O'Brian, Plastic Man confronts a vampire, battles an evil mouse, and travels back in time to visit John Wilkes Booth.

**Voice and Discourse in the Irish Context** Diana Villanueva Romero,Carolina P. Amador-Moreno,Manuel Sánchez García,2018-02-13 This book examines the intersection of culture and language in Ireland and Irish contexts. The editors take an interdisciplinary approach, exploring the ways in which culture, identity and meaning-making are constructed and performed through a variety of voices and discourses. This edited collection analyses the work of well-known Irish authors such as Beckett, Joyce and G. B. Shaw, combining new methodologies with more traditional approaches to the study of literary discourse and style. Over the course of the volume, the contributors also discuss how Irish voices are received in translation, and how marginal voices are portrayed in the Irish mediascape. This dynamic book brings together a multitude of contrasting perspectives, and is sure to appeal to students and scholars of Irish literature, migration studies, discourse analysis, traductology and dialectology.

**The Gospel According to Blindboy in 15 Short Stories** Blindboy Boatclub,2017-10-27 The Gospel According to Blindboy is a surreal and genre-defying collection of short stories and visual art exploring the myths, complacencies and contradictions at the heart of modern Ireland. Covering themes ranging from love and death to sex and politics, there's a story about a girl from Tipp being kicked out of ISIS, a van powered by Cork people's accents and a man who drags a fridge on his back through Limerick. Whip-smart, provocative and animated by the author's unmistakably dark wit, it is unlike anything else you will read this year. 'Mad, wild, hysterical, and all completely under the writer's control - this is a brilliant debut.' Kevin Barry 'There is genius in this book, warped genius. Like you'd expect from a man who for his day job wears a plastic bag on his head but something beyond that too. Oddly in keeping with the tradition of great Irish writers.' Russell Brand 'One of Ireland's finest and most intelligent comic minds delivers stories so blisteringly funny and sharp your fingers might bleed.' Tara Flynn 'Essential, funny and disturbing.' Danny Boyle

*The Guts* Roddy Doyle,2013-08-06 LONGLISTED 2015 - International IMPAC Dublin Literary Award A triumphant return to the characters of Booker Prize-winning writer Roddy Doyle's breakout first novel, *The Commitments*, now older, wiser, up against cancer and midlife. Jimmy Rabbitte is back. The man who invented the *Commitments* back in the 1980s is now 47, with a loving wife, 4 kids...and bowel cancer. He isn't dying, he thinks, but he might be. Jimmy still loves his music, and he still loves to hustle--his new thing is finding old bands and then finding the people who loved them enough to pay money online for their resurrected singles and albums. On his path through Dublin, between chemo and work he meets two of the *Commitments*--Outspan Foster, whose own illness is probably terminal, and Imelda Quirk, still as gorgeous as ever. He is reunited with his long-lost brother, Les, and learns to play the trumpet.... This warm, funny novel is about friendship and family, about facing death and opting for life. It climaxes in one of the great passages in Roddy Doyle's fiction: 4 middle-aged men at Ireland's hottest rock festival watching Jimmy's son's band, *Moanin'* at Midnight, pretending to be Bulgarian and playing a song called *I'm Goin' to Hell* that apparently hasn't been heard since 1932.... Why? You'll have to read *The Guts* to find out.

**Boulevard Wren and Other Stories** Blindboy Boatclub,2019-11-01 *Boulevard Wren and Other Stories* is the stunning follow-up to the bestselling *Gospel According to Blindboy*, and a warped mirror held up to the Irish psyche. Provocative and unsettling, the stories rove through the centuries, from the barren fields of Famine-struck Meath to the chaotic landscape of the near future, where social media

has colonised the deepest recesses of the human subconscious. This is a world populated by characters lost and at odds with the demands of contemporary life, for whom the line separating redemption and madness has grown impossibly fine. Razor-sharp social satire, it is an era-defining work from one of Ireland's most anarchic satirists and a quietly devastating portrait of a society in disarray.

*Popular Music Matters* Lee Marshall, Dave Laing, 2016-03-23 Simon Frith has been one of the most important figures in the emergence and subsequent development of popular music studies. From his earliest academic publication, *The Sociology of Rock* (1978), through to his recent work on the live music industry in the UK, in his desire to 'take popular music seriously' he has probably been cited more than any other author in the field. Uniquely, he has combined this work with a lengthy career as a music critic for leading publications on both sides of the Atlantic. The contributions to this volume of essays and memoirs seek to honour Frith's achievements, but they are not merely 'about Frith'. Rather, they are important interventions by leading scholars in the field, including Robert Christgau, Antoine Hennion, Peter J. Martin and Philip Tagg. The focus on 'sociology and industry' and 'aesthetics and values' reflect major themes in Frith's own work, which can also be found within popular music studies more generally. As such the volume will become an essential resource for those working in popular music studies, as well as in musicology, sociology and cultural and media studies.

*Hip Hop around the World [2 volumes]* Melissa Ursula Dawn Goldsmith, Anthony J. Fonseca, 2018-12-01 This set covers all aspects of international hip hop as expressed through music, art, fashion, dance, and political activity. Hip hop music has gone from being a marginalized genre in the late 1980s to the predominant style of music in America, the UK, Nigeria, South Africa, and other countries around the world. *Hip Hop around the World* includes more than 450 entries on global hip hop culture as it includes music, art, fashion, dance, social and cultural movements, organizations, and styles of hip hop. Virtually every country is represented in the text. Most of the entries focus on music styles and notable musicians and are unique in that they discuss the sound of various hip hop styles and musical artists' lyrical content, vocal delivery, vocal ranges, and more. Many additional entries deal with dance styles, such as breakdancing or b-boying/b-girling, popping/locking, clowning, and krumping, and cultural movements, such as black nationalism, Nation of Islam, Five Percent Nation, and Universal Zulu Nation. Country entries take into account politics, history, language, authenticity, and personal and community identification. Special care is taken to draw relationships between people and entities such as mentor-apprentice, producer-musician, and more.

*The Oxford Handbook of Irish English* Raymond Hickey, 2024-01-05 This volume offers a comprehensive overview of the range of varieties of English spoken on the island of Ireland, featuring information on their historical background, structural features, and sociolinguistic considerations. The first part of the volume explores English and Irish in their historical framework as well as current issues of contact and bilingualism. Chapters in Part II and Part III investigate the structures and use of Irish English today, from pronunciation and grammar to discourse-pragmatic markers and politeness strategies, alongside studies of specific varieties such as Urban English in Northern Ireland and the Irish English spoken in Dublin, Galway, and Cork. Part IV focuses on the Irish diaspora, with chapters covering topics including Newfoundland Irish English and Irish influence on Australian English, while the final part looks at the wider context, such as the language of Irish Travellers and Irish Sign Language. The handbook also features a detailed glossary of key terms, and will be of interest to a wide range of readers interested in varieties of English, Irish studies, sociolinguistics, and social and cultural history.

**Did That Actually Happen?** Paddy Duffy, 2013-10-17 Remember the time Ray Burke had trees planted for a by-election, then uprooted them when he lost? Remember the time Brian Cowen went on radio with a voice like Barry White, leading everyone to think he spent the night before on the black stuff? Or remember the time Pee Flynn told us a story of three house, six-figure woe and asked us all to 'try it some time'? Politics is a strange business at the best of times, but Irish politics seems to have a special kind of strangeness about it, so much so that you often have to wonder, 'Did That Actually Happen?' With characteristic wry humour, columnist and broadcaster Paddy Duffy recounts the ridiculous but true stories that make Irish politics what it is: intriguing, amusing and completely daft as a brush. If you're looking for a book that gets to the heart of our political system and offers solutions for the future, then you're probably in the wrong section. No navel-gazing, just belly-laughing.

**Slow at Work** Aoife McElwain, 2017-12-29 The way we work has changed. We need new tools to help navigate this world of work – not only to achieve career success, but to stay sane while doing so – and this book can be one of them. Our jobs can become such an important part of our identity that we walk the treacherous line between loving our work and speeding towards burnout. An always-on culture, the cult of busyness and blurred boundaries mean that work and life can become seriously out of balance. So if you are burnt out, anxious, feel like an imposter or caught in a cycle of procrastination, this life-changing book contains all the advice you need to restore your balance and get back on track.

**Introducing Global Englishes** Nico Hess, 2019-08-04 It is estimated that e;the number of native English speakers is 300 million to 450 million.e; More than one billion people are believed to speak some form of English. Although the numbers vary, it is widely accepted that hundreds of millions of people around the world speak English, whether as a native, second or a foreign language. English, in some form, has become the native or unofficial language of a majority of the countries around the world today. e;In 20 to 30 countries around the world, English is merging with native languages to create hybrid Englishes.e; This comprehensive study of Introducing Global Englishes indented to be useful and popular among students because of the simplicity and directness of explanations of the various terms and concepts, its wealth of illustrative examples enables the reader to assimilate the content without being intimidated by its range and scope. Written in a very careful manner keeping in view of the course requirements it is aimed at familiarising students with the vibrant currents of thought that have enriched the literary enterprise of our time.

**Winging It** Tommy Tiernan, 2020-10-29 'A great read' Brendan O'Connor, RTÉ In nearly three decades as a performer, Tommy Tiernan has never wanted to play it safe. So, when it came to doing a chat show, he threw out the rule book: going in blind, not knowing who would turn up. It could be a global star, like Adam Clayton, or a statesman like Michael D Higgins, or someone unknown to Tommy (and most of his audience), like autism awareness activist, Ciara-Beth Ni Ghriofa or geneticist Aoife McLysaght. It's high-wire stuff and makes for electrifying viewing. Winging It brings together twenty-one extraordinary interviews from The Tommy Tiernan Show on RTÉ One - a mix of the profound, the profane, the funny and the moving. Tommy's belief in honest conversation is at the heart of Winging It. Whether getting to grips with the finer points of boxing with World Champion Kellie Harrington or preserving history with archivist Catriona Crowe. Or talking God with old friend Michael Harding or mental health with Blindboy Boatclub. Or sitting with moments of pain in conversations about grief (Bob Geldof), FGM (Ifrah Ahmed) or drinking (Paul McGrath). It's all about curiosity, bravery and a willingness to listen. Winging It includes material that did not make the TV screen and the interviews are as gripping to read as they were to watch. 'Tiernan is superb at forming a rapport ... Seeing his words written down, reveals a natural instinct for drawing people

out' Business Post

**Backstop Land** Glenn Patterson, 2019-10-31 'Funny, wise, entertaining and illuminating, this book is one of the best things to come out of the Brexit saga' FINTAN O'TOOLE. 'Read this absorbing book to understand why, since 2016, we have been playing with fire. There is no longer any excuse for ignorance' MISHA GLENNY. Northern Ireland's frontier with the South has been an invisible line since the peace agreement of 1998. Now the battle over the UK's decision to leave the EU risks turning it into a hard border. Yet few people in the rest of Britain (or Ireland) know anything much about this most volatile part of an increasingly disunited Kingdom. This book was written in the feverish summer of 2019, in the aftermath of the 'New' IRA's murder of Lyra McKee, with the fear and anxiety of Brexit looming over a region in which paramilitary forces are still carrying out beatings, and worse, even as the numbers of tourists drawn by the Titanic and Game of Thrones continue to grow. The power-sharing government created by the Good Friday Agreement has not met – a bleak record in a long-running farce – in over 1,000 days. If it wasn't for the wonderful weather you might wonder why anyone stayed there at all. Glenn Patterson brings a lifetime's engagement with Northern Ireland and a brilliant novelist's eye to an informative, darkly entertaining portrait of a fragile country. Welcome to Backstop Land.

**Trouble Songs** Stuart Bailie, 2018

**Irish Chart Yearbook 2012** Michael Churchill,

Irish Feminist Futures Claire Bracken, 2016-02-12 This book is about the future: Ireland's future and feminism's future, approached from a moment that has recently passed. The Celtic Tiger (circa 1995-2008) was a time of extraordinary and radical change, in which Ireland's economic, demographic, and social structures underwent significant alteration. Conceptions of the future are powerfully prevalent in women's cultural production in the Tiger era, where it surfaces as a form of temporality that is open to surprise, change, and the unknown. Examining a range of literary and filmic texts, *Irish Feminist Futures* analyzes how futurity structures representations of the feminine self in women's cultural practice. Relationally connected and affectively open, these representations of self enable sustained engagements with questions of gender, race, sexuality, and class as they pertain to the material, social, and cultural realities of Celtic Tiger Ireland. This book will appeal to students and scholars of Irish studies, Irish feminist criticism, sociology, cultural studies, literature, women's studies, gender studies, neo-materialist and feminist theories.

Trainspotting Murray Smith, 2021-10-21 In 1996 *Trainspotting* was the biggest thing in British culture. Brilliantly and aggressively marketed, it crossed into the mainstream despite being a black comedy set against the backdrop of heroin addiction in Edinburgh. Produced by Andrew Macdonald, scripted by John Hodge and directed by Danny Boyle, the team behind *Shallow Grave* (1994), *Trainspotting* was an adaptation of Irvine Welsh's barbed novel of the same title. The film is crucial for understanding British culture in the context of devolution and the rise of 'Cool Britannia'. Murray Smith unpicks the processes that led to *Trainspotting*'s enormous success. He isolates various factors – the film's eclectic soundtrack, its depiction of Scottish identity, its attitude to deprivation, drugs and violence, its traffic with American cultural forms, its synthesis of realist and fantastic elements, and its complicated relationship to 'heritage' – that make *Trainspotting* such a vivid document of its time. Although it heralded a false dawn for British film-making, *Trainspotting* is, Smith concludes, both authentically vernacular and yet transnational in its influences and ambitions. In his afterword to this new edition, Murray Smith reflects on the original film 25 years after its release, and its 2017 sequel *T2: Trainspotting* also directed by Boyle. Smith also considers Danny Boyle's subsequent directorial career, with highlights including *Slumdog Millionaire*

(2008) and the 2012 London Olympics opening ceremony.

**Ethnic Media in the Digital Age** Sherry S. Yu, Matthew D. Matsaganis, 2018-09-01 Ethnic media are media produced for, and frequently by, immigrants, ethnic and linguistic minority groups, and indigenous populations. These media represent a sector of the broader media industry that has seen considerable growth globally, even while many mainstream, legacy media have struggled to survive or have ceased to exist, largely due to the emergence of new communication technologies. What is missing in the literature is a careful examination of ethnic media in the digital era. The original research, including case studies, in this book 1) provides insight into how ethnic media are adapting to changing technologies in the media landscape of our times, 2) highlights the emergence of new trends in media production and consumption, and 3) underscores the enduring roles that ethnic media perform in local communities and in an increasingly globalized world. The ethnic media that authors discuss in this book are produced for broadcasting (television, radio), or distributed in print (newspapers, magazines), film, and the Web. Additionally, they serve numerous immigrant, ethnic, and indigenous communities, living in different regions of the world, including North America, Europe, and Oceania.

**Modernist Afterlives in Irish Literature and Culture** Paige Reynolds, 2016-09-22 Modernist Afterlives in Irish Literature and Culture explores manifestations of the themes, forms and practices of high modernism in Irish literature and culture produced subsequent to this influential movement. The interdisciplinary collection reveals how Irish artists grapple with modernist legacies and forge new modes of expression for modern and contemporary culture.

**101 Reasons Why Ireland Is Better Than England** Pat Fitzpatrick, 2020-10-07 Tayto, the metric system, Aisling Bea, Luke 'Ming' Flanagan, Blindboy, Marian Keyes and we never get embarrassed on the international stage by dodgy Royals – that's just 7 of the 101 Reasons Why Ireland is Better than England. This tongue-in-cheek sweep across the two nations is aimed at Irish people, wherever they live, not to mention the 10 million English people who move over here after Brexit. With our neighbour losing its marbles, there has never been a better time to exact revenge for the two most despicable things that England has ever inflicted on the Irish – Jacob Rees-Mogg and claiming Saoirse Ronan is British.
