Black God, Vol. 14 Dall-Young Lim,2011-10-25 With Mana on board, Keita is outnumbered five girls to one guy in the modest Tokyo apartment. Although Mana has been welcomed in as part of the family, her disdain for humans and mototsumitama who ally with them is more than evident. A glimpse into the past reveals the cause: Mana's beloved older sister abandoned her right to clan leadership - and her little sister - to raise a family with the human she had fallen in love with. Can Mana set aside her resentment to help Kuro and Keita find and defeat the elusive Ghost?

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Amateur and the Professional P. J. A. Levine, 2003-02-13 This book highlights the growing divide in nineteenth-century intellectual circles between amateur and professional interest, and explores the institutional means whereby professional ascendancy was achieved in the broad field of studies of the past. It is concerned with how antiquarian 'gentlemen of leisure', pursuing their interests through local archaeological societies, were, by the end of the century, relegated to the sidelines of the now university-based discipline of history. At the same time it explores the theological as well as technical barriers which arrested the development of archaeology in this period. This is a notable contribution to the intellectual history of Victorian England, attending not simply to the ideas perpetrated by these communities of scholarship but to their social status, relating such social consideration to a more traditional intellectual history to create a new social history of ideas.

A Quick & Easy Guide to Asexuality Molly Muldoon, 2021-04-27 This book is for anyone who wants to learn about asexuality, and for Ace people themselves, to validate their experiences. Asexuality is often called The Invisible Orientation. You don't learn about it in school, you don't hear "ace" on television. So, it's kinda hard to be ace in a society so steeped in sex that no one knows you exist. Too many young people grow up believing that their lack of sexual desire means they are broken - so writer Molly Muldoon and cartoonist Will Hernandez, both in the ace community, are here to shed light on society's misconceptions of asexuality and what being ace is really like. This book is for anyone who wants to learn about asexuality, and for Ace

people themselves, to validate their experiences. Asexuality is a real identity and it's time the world recognizes it. Here's to being invisible no more!

The Traumatic Imagination Eugene L. Arva,2011 This work examines novels from Caribbean, North American, and European literatures of the second half of the twentieth century, both Anglophone and in translation, with focus on the chronotopes of slavery, colonialism, the Holocaust, and war. Historical traumata have found their reconstruction in literary works written by either traumatized or vicariously traumatized authors, such as Jean Rhys, Alejo Carpentier, Maryse Conde??, Salman Rushdie, Gabriel Garc???a Ma???rquez, Bernard Malamud, Joseph Skibell, Gu???nter Grass, and Tim O'Brien. The traumatic imagination accounts for the relative prevalence of magical realist writing in postmodernist fiction. As a singular phenomenon of postmodern aporia, magical realist texts write the silence imposed by trauma, and convert it into history.--publisher.
