Faced with two competing quest lines and a broken blade with a growing lust for battle, he discovers the right answer isn't always the obvious one. Will he answer the call to purge the darkness now plaguing the Frostwind Mountains, or will he fulfill his promise to a dying man? The Broken Blade is the second book in the series: A Battle Mage Reborn, and is a GameLit Fantasy Adventure with soft LitRPG elements set in the digital world of EndWorld Everlasting.

Bared Blade Kelly McCullough,2012-06-26 From the inventive, irreverent (Green Man Review) author of Broken Blade comes a new Fallen Blade novel featuring Aral Kingslayer. Former temple assassin Aral Kingslayer has a price on his head and a mark on his soul. After his goddess was murdered, Aral found refuge in the shadow jack business, fixing problems for those on the fringes of Tien's underworld. It's a long step down from working for the Goddess of Justice, but it gives Aral and Triss—the living shadow who is his secret partner—a reason to get up in the morning. When two women hit a rough spot in the tavern Aral uses for an office, he and Triss decide to lend a helping hand--only to find themselves in the

middle of a three-way battle to find an artifact that just might be the key to preventing a war. And with so many factions on their trail, Aral and Triss are attracting a lot more attention than anyone featured on ten thousand wanted posters can afford...

The Broken Blade Anna Thayer, 2015-03-20 2015 INDIES Finalist - Fantasy 'I don't compare books to Tolkien... this is the best fantasy book I've read since then.' GoodReads The epic final battle between the Master and King Eamon Goodman is now the Master's Right Hand. But despite being the second-in-command to the ruler of the River Realm, Eamon becomes the victim of vengeful plots engineered by the other Quarter Hands. Eamon finds himself powerless to stop them and the people he cares for are under threat. Eamon then discovers that the Nightholt?the book he long ago delivered to the Master's Hands?holds the key to the Master's power, which will become absolute upon the death of the King. Thus the stage for the final battle is set. Eamon rides out at the head of the Master's army and must finally decide where his true allegiance lies. His choice will determine the fate of the River Realm

The Shattered Sword Timothy J. R. Rains, 2022-10-08 A Traitor at Large. A Conspiracy Unveiled. A Kingdom on the Brink of War. The battle for Klomm is over and Count Olgris is in custody. But many questions remain—and as usual, the woman with all the answers has made herself scarce. New suspicions arise, casting doubt on the involvement of the Grand Mage. And with the army soon to march, King Vashean finds himself asking how far he'll go for the sake of peace. Greatly diminished, Kerstin emerges from the shadows to entangle Sir Gilkrist in a perilous scheme, a quest that will take them across the realm, through the very midst of her enemies to regain the source of her power—and retrieve her idiot niece.

Meanwhile, deep in the mountains of Kodzir, Hinkle must brave perils of her own. She explores the dark halls of a nightmare castle, desperate to understand the mysterious enchantment which has taken hold of her—and which ultimately prevents her from leaving. But not everything is as it seems, and even the dungeons of Stel' Calghād are haunted by Kerstin's secrets. And as Hinkle discovers the true depths of her aunt's treachery, she begins to realize how far Kerstin will go for the sake of power. The question is ... what will she do when she gets it back?

The Shattered Blades Aidan Russell, 2018-07-26 The rivers turn to blood and the mournful cry for judgment. Reslo returns to his family, but his quest is not over. Despite the comforts of home and the love of his wife and nephew, his blade thirsts. He promised the Templars he would return to them their champion's lost relic-blade, and he will not fail in his duty, no matter the cost. Gratas and Jerah arrive back in Nolterland. Their bodies are wounded and their souls ache from the months of fighting. When they find themselves in the idyllic town of Dunkhau, sleeping in comfortable beds every night, they both find that peace and comfort will shake their resolves more than any of war's horrors. Heiradra loves Dunkhau's peace and quaintness, but she cannot allow herself to become idle, not as her kingdom is besieged. Plots take root in her mind, and she finds a new source for her magical spells: blood. They try their best to fit into their new lives, but legends and myths have taken notice of their actions. The ancient, haunted citadel of Basarvigg is occupied once more and the heroes will find there is nowhere left in Nod for peace to be found.

Glaive Michael Guadiz, 2019-09-16 Zem'Alam is a violent world. Around eighteen years old, the power

which sustains life matures within a person. It is called the e'lan, and when it runs out, the person dies. One may extend their life by killing another person and stealing their e'lan. The Keen Blade Chronicle follows the adventures of Glaive Grimstone: mercenary, friend, father. After Book 1 (Blade of a Flower), Glaive had thought his troubles were over. He had settled into a humdrum normal life at Cleaver's Tavern. It was a place that Glaive had twice revived with sweat and blood. A place where drinks flowed, music played, stories were told, and laughs were frequently heard and had. A place he thought he could finally live comfortably. Everything is turned upside down when he receives a letter that sends him on a journey across open seas and into foreign lands. He encounters monsters, both of man and beast, and discovers that the world of Zem'Alam is vastly different than what he had believed his entire life. He'll have to adapt quickly to these new truths to save his friends, his family, his country, and maybe even the entire world.

Autobiography of a Yogi Paramahansa Yogananda, 2009-01-01 The autobiography of Paramahansa Yogananda (1893 - 1952) details his search for a guru, during which he encountered many spiritual leaders and world-renowned scientists. When it was published in 1946 it was the first introduction of many westerners to yoga and meditation. The famous opera singer Amelita Galli-Curci said about the book: Amazing, true stories of saints and masters of India, blended with priceless superphysical information-much needed to balance the Western material efficiency with Eastern spiritual efficiency-come from the vigorous pen of Paramhansa Yogananda, whose teachings my husband and myself have had the pleasure of studying for twenty years.

To Grasp the Essence of Life R. Hausmann, 2013-06-29 50 years of DNA double helix; what was before, and afterwards The present book, although written mainly for science students and research scientists, is also aimed at those readers who look at science, not for its own sake, but in search of a better understanding of our world in general. What were the fundamental questions asked by the early pioneers of molecular biology? What made them tick for decades, trying to elucidate the basic mechanisms of heredity and life

itself? In each chapter, the development of a particular aspect of modern biology is described in a historical and logical context, not missing to take into account human aspects of the protagonists of the story. At the end of each chapter, there are some excursus with additional information, technical and otherwise, which can be read separately. The book is enriched with many illustrations, including facsimile reproductions from the original descriptions of key experiments.
