

The White Rabbit

Kate Phillips

White Rabbit Caleb Roehrig, 2018-04-24 Caleb Roehrig, author of *Last Seen Leaving*, delivers another spellbinding YA murder mystery in *White Rabbit*. Rufus Holt is having the worst night of his life. It begins with the reappearance of his ex-boyfriend, Sebastian—the guy who stomped his heart out like a spent cigarette. Just as Rufus is getting ready to move on, Sebastian turns up out of the blue, saying they need to talk. Things couldn't get worse, right? Then Rufus gets a call from his sister April, begging for help. He and Sebastian find her, drenched in blood and holding a knife beside the dead body of her boyfriend, Fox Whitney. April swears she didn't kill Fox. Rufus knows her too well to believe she's telling him the whole truth, but April has something he needs. Her price is his help. Now, with no one to trust but the boy he wants to hate yet can't stop loving, Rufus has one night to clear his sister's name . . . or die trying.

White Rabbit's Color Book Alan Baker, 1999-09 For use in schools and libraries only. White Rabbit hops from one paint pot to another, changing colors as he goes, until he ends up brown

White Rabbit Martha Morrison, 1991-08

One White Rabbit: A Counting Book Lewis Carroll, 2017-02-09 *One White Rabbit: A Counting Book* is a delightful introduction to numbers and counting uses characters and object from Lewis Carroll's iconic *Alice's Adventures in Wonderland* and *Through the Looking-Glass*. From 'One White Rabbit for Alice to follow' to 'Five grins from the Cheshire Cat', and 'Nine tarts made by the Queen', this is a really charming book. The traditional illustrations are by Sir John Tenniel, supplemented by additional pictures in Tenniel's style and beautiful Victorian-style decorative motifs. This is a really special book for young children and together with *A is for Alice: An Alphabet Book*, forms a classy introduction to the classic Macmillan *Alice*.

Tracking the White Rabbit Lyn Cowan, 2005-07-05 Since its beginning, depth psychology has attempted to change the status quo of individual and cultural life by probing beneath surface appearances. Lyn Cowan explores a number of subjects, considering what possible meanings and implications for change might lie behind the conventional attitudes toward such subjects as: * Abortion * Gender and sexuality * Language * Memory * Melancholy The author puts forward the argument that, although psychology and subversion are not usually thought of as belonging together, they should be. Such a view, presented clearly with humour and insight, offers a way to think differently about usual things, and yield fresh meaning to some of the pressing

dilemmas of our time and how we as individuals may respond to them.

White Rabbit Kate Phillips,1996 It is December 1 in southern California, a White Rabbit day, and Ruth, eighty-eight years old, is seeing things. Her husband, Henry - King of the Boobs - is no help, of course, and her granddaughter is shacking up with a maniac against Ruth's best advice. But that furry white bunny hiphopping across her field of vision keeps snickering Time! and Ruth has to wonder if hers is up. Tracking her pinball course through her final day on earth, White Rabbit follows Ruth's progress minute by minute as she devises ever odder routines for coping with the breakdown of her household appliances and her own vital organs and her faith in romantic love. Opening a window onto Ruth's past are her heartbreaking memories of the men in her life, from her withholding first husband to goony, hopeless Henry, who cannot understand her despite his steadfast loyalty.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. This Story Is a Lie Tom Pollock,2018-08-07 A YA thriller described as The Curious Incident of the Dog in the Night-Time meets John le Carré, about a teen math prodigy with an extreme anxiety disorder who finds himself caught in a web of lies and conspiracies after an assassination attempt on his mother. Seventeen-year-old Peter Blankman is a math genius. He also suffers from devastating panic attacks. Pete gets through each day with the help of his mother—a famous scientist—and his beloved twin sister, Bel. But when his mom is nearly assassinated in front of his eyes and Bel disappears, Pete finds himself on the run. Dragged into a world where state and family secrets intertwine, Pete must use his extraordinary analytical skills to find his missing sister and track down the people who attacked his mother. But his greatest battle will be with the enemy inside: the constant terror that threatens to overwhelm him. Weaving between Pete's past and present, This Story Is a Lie is a testimony from a protagonist who is brilliant, broken and trying to be brave.

White Rabbit David Daniel,2003-03-05 Assigned to the case of the Death Tripper, a serial murderer who is preying on victims in 1967 San Francisco, homicide inspector John Sparrow teams up with underground writer Amy Cole and ventures into her world of free love, music, and psychedelic drugs.

Mrs. White Rabbit Gilles Bachelet,2017 Readers get a new perspective of Alice in Wonderland through the diary of the White Rabbit's wife--

Little White Rabbit Kevin Henkes,2011-01-25 One bright spring day a little white rabbit sets out from home on an adventure. What does he find?

Look! Everything is new. Anything is possible. . . .

Black and White Rabbit's ABC Alan Baker, 2017-09-12 Black and White Rabbit paints his way through the alphabet. Young children will enjoy following Alan Baker's inquisitive LITTLE RABBITS as they make new discoveries. Simple storylines and playful artwork offer a fresh approach to learning early concepts.

Alice in Wonderland Lewis Carroll, 2009-01-01 Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of literary nonsense has endured in popularity with its clever way of playing with logic and a narrative structure that has influenced generations of fiction writing.

The Little White Rabbit , 2015-09-07 Tales of toyland and beyond from the pen of Enid Blyton.

The White Rabbit Bruce Marshall, 2000 The bestselling story of one of the most important and influential SOE agents in the last war. A truly harrowing tale the true extent of what the Gestapo and the SS were capable of. Equally famous as a film

Bumper the White Rabbit George Ethelbert Walsh, 2023-08-22 Bumper the White Rabbit by George Ethelbert Walsh. Published by Good Press. Alice in Zombieland Gena Showalter, 2013-08-27 When her entire existence is shattered in the blink of an eye, Ali is forced to partner with secretive bad boy Cole Holland to avenge the deaths of her loved ones by returning an undead army to their graves.

Bumper The White Rabbit George Ethelbert Walsh, 2018-04-05 Reproduction of the original: Bumper The White Rabbit by George Ethelbert Walsh

Operation White Rabbit Dennis McDougal, 2020-10-27 A search for the truth behind the DEA's life imprisonment of acid's most famous martyr. Operation White Rabbit traces the rise and fall—and rise and fall again—of the psychedelic community through the life of the man known as the “Acid

King.” William Leonard Pickard. Pickard was a legitimate genius, a follower of Timothy Leary, a con artist, a womanizer, and a believer that LSD would save lives. He was a foreign diplomat, a Harvard fellow, and the biggest producer of LSD on the planet—if you believe the DEA. A narrative for fans of Michael Pollan’s *How to Change Your Mind*, Pickard’s personal story is set against a fascinating chronicle of the social history of psychedelic drugs from the 1950s on. From LSD distribution at UC Berkeley to travelling the world for the State Department, Pickard’s story is one of remarkable genius—that is, until a DEA sting named “Operation White Rabbit” captured him at an abandoned missile silo in Kansas. Pickard, the DEA said, was responsible for 90 percent of the world’s production of lysergic acid. The DEA announced to the public that they found 91 pounds of LSD. In reality, the haul was seven ounces. They found none of the millions of dollars Pickard supposedly amassed, either. But nonetheless, he is now serving two consecutive life sentences without possibility of parole. Pickard has become acid’s best-known martyr in the process, continuing his advocacy and artistic pursuits from jail. Pickard has successfully sued the US government because his requests for information on his case returned two blank DEA documents. But the appeals of his sentence have continually failed. The author visits him regularly in jail in an effort to find the truth.

Tenement Kid Bobby Gillespie, 2021-10-14 *Tenement Kid* is Bobby Gillespie's story up to the recording and release of the album that has been credited with 'starting the 90's', *Screamadelica*. Born into a working class Glaswegian family in the summer of 1961, Bobby's memoirs begin in the district of Springburn, soon to be evacuated in Edward Heath's brutal slum clearances. Leaving school at 16 and going to work as a printers' apprentice, Bobby's rock n roll epiphany arrives like a bolt of lightning shining from Phil Lynott's mirrored pickguard at his first gig at the Apollo in Glasgow. Filled with 'the holy spirit of rock n roll' his destiny is sealed with the arrival of the Sex Pistols and punk rock which to Bobby, represents an iconoclastic vision of class rebellion and would ultimately lead to him becoming an artist initially in the Jesus and Mary Chain then in Primal Scream. Structured in four parts, *Tenement Kid* builds like a breakbeat crescendo to the final quarter of the book, the Summer of Love, Boys Own parties, and the fateful meeting with Andrew Weatherall in an East Sussex field. As the '80s bleed into the '90s and a new kind of electronic soul music starts to pulse through the nation's consciousness, Primal Scream become the most innovative British band of the new decade, representing a new psychedelic vanguard taking shape at Creation Records. Ending with the release of *Screamadelica* and the tour that followed in the autumn, *Tenement Kid* is a book filled with the joy and wonder of a rock n roll apostle who would radically reshape the future sounds of fin de siècle British pop. Published thirty years after the release

of their masterpiece, Bobby Gillespie's memoir cuts a righteous path through a decade lost to Thatcherism and saved by acid house.

Bumper The White Rabbit In The Woods George Ethelbert Walsh, 1922 Bumper Hunts With The Pack p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Helvetica} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Helvetica; min-height: 14.0px} Bumper the White Rabbit, when he escaped from Edith, the red-headed girl who owned the garden where he lived, found his way into the woods, and, after many adventures with the Bats, the Crow, the Fox and Buster the Bear, he was adopted by the wild rabbits as their leader and king. The Old Blind Rabbit welcomed him, and told the story of how it was prophesied that some day a pure white rabbit, with pink eyes, would come to deliver them from their enemies, and teach them how to live in the woods without fear of danger. No one had been more surprised than Bumper at this sudden welcome. At first he was for telling them he was no leader, and not fit to be their king; but, as he was very lonely and without a... The continuation of this interesting story will be found in BUMPER THE WHITE RABBIT IN THE WOODS

Reviewing **The White Rabbit**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing.
