The Wrong Man David Ellis,2012-06-14 Criminal defense attorney Jason Kolarich returns in this shocking new thriller by the Edgar® Award-winning author. A young paralegal is brutally killed. A homeless Iraq war veteran has been caught with the murder weapon and the victim's belongings—and he can't remember what happened... Jason Kolarich has been asked by the young man's aunt to defend him. It seems like a standard insanity defense based on Post-Traumatic Stress Disorder—until Kolarich realizes that his client is actually innocent. The victim had been working a case of her own, following a trail of paper and money that connected international terrorists to corporate America, where there are those who want to teach the U.S. government a lesson. Kolarich knows finding the true murderer is the key to exposing the conspiracy. As time grows short for both his client and thousands of innocent Americans, he races to find a trained killer and uncover the details of the attack. But Kolarich soon discovers that the game has already been rigged—and that he himself is about to become the next target...

The Wrong Man Matthew Louis,2014-10 This soon-to-be hardboiled classic is a leading light in the new breed of pulp fiction as celebrated by Out of the Gutter, the short-lived pulp magazine launched in 2008. Sam Schuler is starting a new family, trying to begin a respectable life, and trying to extricate himself from the seedy people he once knew. But when his former best friend involves him in a petty drug theft, a local street gang is stirred to action and Sam finds himself the target of harassment from the gang's leader. When the

situation escalates from threats to violence to the worst transgression imaginable, Sam's reality is warped beyond recognition. Rules of conduct are forgotten and laws lose meaning as the young man attempts to salvage his family-to-be, his male pride, and his sanity.
