

Theodore

Theodore Roosevelt

Theodore Roosevelt Joshua David Hawley, Joshua Hawley examines Roosevelt's political thought to arrive at a revised understanding of his legacy. He sees Roosevelt as galvanizing a 20-year period of reform that permanently altered American politics and Americans' expectations for government social progress and presidents.

Theodore the Great Daniel Ruddy, 2016-08-29 Theodore Roosevelt has a complicated legacy. To some, he was the quintessential American patriot and hero, a valiant soldier and hawkish leader. Others remember him as the Progressive cultural icon, the trust-buster who split from the Republican Party. So who was the real Teddy Roosevelt? Daniel Ruddy's new biography cuts through the impenetrable tangle of misconceptions and contradictions that have grown up over the last century and obscured our view of a man who remains one of the most controversial and misunderstood presidents in U.S. history. Weighing Roosevelt's lifetime of actions against his sometimes-contradictory Progressive rhetoric, Ruddy paints a portrait of a man who led by undeniably conservative principles, but who obfuscated his own legacy with populist speeches. By focusing on Roosevelt's actions and his effect on American history, Ruddy clears the cobwebs and presents a real and convincing case for remembering Theodore Roosevelt as a great conservative leader.

Theodore Rex Edmund Morris, 2010-11-24 NEW YORK TIMES BESTSELLER • "A shining portrait of a presciently modern political genius maneuvering in a gilded age of wealth, optimism, excess and American global ascension."—San Francisco Chronicle WINNER OF THE LOS ANGELES TIMES BOOK PRIZE FOR BIOGRAPHY • "[Theodore Rex] is one of the great histories of the American presidency, worthy of being on a shelf alongside Henry Adams's volumes on Jefferson and Madison."—Times Literary Supplement Theodore Rex is the story—never fully told before—of Theodore Roosevelt's two world-changing terms as President of the United States. A hundred years before the catastrophe of September 11, 2001, "TR" succeeded to power in the aftermath of an act of terrorism. Youngest of all our chief executives, he rallied a stricken nation with his superhuman energy, charm, and political skills. He proceeded to combat the problems of race and labor relations and trust control while making the Panama Canal possible and winning the Nobel Peace Prize. But his most historic achievement remains his creation of a national conservation policy, and his monument millions of acres of protected parks and forest. Theodore Rex ends with TR leaving office, still only fifty years old, his future reputation secure as one of our greatest presidents.

101 Things Everyone Should Know about Theodore Roosevelt Sean Andrews, 2014-01-01 The inside story of Teddy's life and presidency! You probably know that Theodore Roosevelt was the 26th president of the United States, but did you also know that he suffered great bouts of homesickness? Or that he carried a vial of morphine at all times in case he ever needed to take his own life? Though the image of President Theodore Roosevelt is one of fringed suede jackets and wire circles of glass framing a serious and scowling face, the man behind this image was a spectacularly intelligent and complex individual. *101 Things Everyone Should Know about Theodore Roosevelt* explores the nuances of his famous life, giving little-known facts that complete the picture of Theodore Roosevelt. From his crippling childhood to his involvement with the Rough Riders, this book celebrates the American icon whose beliefs are still riveting almost 100 years after his death.

The Works of Theodore Roosevelt Theodore Roosevelt, 1906

Theodore Thomas, a Musical Autobiography Theodore Thomas, 1905

Theodore Roosevelt's Presidency Heather E. Schwartz, 2016-08 Examines the life and career of Theodore Roosevelt.

The Man in the Arena Theodore Roosevelt, 2003 The first compilation of selections from the major works of Teddy Roosevelt since the resurgence in his popularity due to the major award-winning/bestselling biographies by Edmond Morris and H. W. Brands By the time he was twenty-five the future president of the United States was already a published author. From *The Naval War of 1812* through his four-volume *Winning of the West*, Teddy Roosevelt proved himself a master historian...but one must not make the mistake of labeling him a stodgy academic. The future president was also a great outdoorsman, with such works as *Ranch Life* and the *Hunting Trail* and *African Game Trails* capturing his rough and ready lifestyle. Theodore Roosevelt was part Francis Parkman, part Lowell Thomas, and one hundred percent spirit of America and master of the printed page. *The Man in the Arena* collects self-contained excerpts from some of his greatest works, including such revealing memoirs as *The Rough Riders*, the *Autobiography*, and *Through the Brazilian Wilderness*, in an effort to capture the many aspects of a great American who was indeed larger than life and his own best Boswell. This collection of his writings gives credence to Henry Adams's assertion that Roosevelt was pure Act: there was, it seems, no subject (or foe) he was afraid to tackle. - Publishers Weekly

Theodore Roosevelt William Roscoe Thayer, 1919

Theodore Roosevelt Kathleen Dalton, 2007-12-18 He inherited a sense of entitlement (and obligation) from his family, yet eventually came to see his own class as suspect. He was famously militaristic, yet brokered peace between Russia and Japan. He started out an archconservative, yet came to champion progressive causes. These contradictions are not evidence of vacillating weakness: instead, they were the product of a restless mind bent on a continuous quest for self-improvement. In *Theodore Roosevelt*, historian Kathleen Dalton reveals a man with a personal and intellectual depth rarely seen in our public figures. She shows how Roosevelt's struggle to overcome his frailties as a child helped to build his character, and offers new insights into his family life, uncovering the important role that Roosevelt's second wife, Edith Carow, played in the development of his political career. She also shows how TR flirted with progressive reform and then finally committed himself to deep reform in the Bull Moose campaign of 1912. Incorporating the latest scholarship into a vigorous narrative, Dalton reinterprets both the man and his times to create an illuminating portrait that will change the way we see this great man and the Progressive Era.

Theodore Roosevelt and His Time Shown in His Own Letters Joseph Bucklin Bishop, 1920

Theodore Roosevelt Tamara L. Britton, 2009-01-01 The United States president preserves, protects, and defends the U.S. Constitution. Each president's term influences events in America and around the world for years to come. This biography introduces young readers to the life of Theodore Roosevelt, beginning with his childhood as a naturalist in New York City, New York. Roosevelt's education at Harvard University and early career fighting corruption as a New York State assemblyman are discussed. In addition, his family and personal life, as well as his retirement years as a big-game hunter and Progressive Party presidential candidate are highlighted. Easy-to-read text details Roosevelt's military service in the Rough Riders during the Spanish-American War, and his political career as head of the U.S. Civil Service Commission, head of the New York City police force, and governor of New York. Finally, students will explore key events from Republican president Roosevelt's administration, including the 1902 anthracite coal strike, the building of the Panama Canal, the creation of the Department of Commerce and Labor,

and the passing of the Pure Food and Drug Act and the Meat Inspection Act. Beautiful graphics showcase the primary source documents and photographs. A timeline, fast facts, and sidebars help put essential information at students' fingertips. In addition, a quick-reference chart provides easy access to facts about every U.S. president. Checkerboard Library is an imprint of ABD0 Publishing Company.

Who Was Theodore Roosevelt? Michael Burgan,Who HQ,2014-05-01 He was only 42 years old when he was sworn in as President of the United States in 1901, making TR the youngest president ever. But did you know that he was also the first sitting president to win the Nobel Peace Prize? The first to ride in a car? The first to fly in an airplane? Theodore Roosevelt's achievements as a naturalist, hunter, explorer, author, and soldier are as much a part of his fame as any office he held as a politician. Find out more about The Bull Moose, the Progressive, the Rough Rider, the Trust Buster, and the Great Hunter who was our larger-than-life 26th president in Who Was Theodore Roosevelt?

Theodore Roosevelt A. M. Reynolds,2020-08 How much do you know about Theodore Roosevelt? Find out the facts you need to know about the 26th president of the United States. You'll learn about the early life, challenges, and major accomplishments of this important American.

Say Thank You, Theodore Wendy Cheyette Lewison,1992 Imogene tries to teach some manners to her uncontrollable little brother Theodore.

The Rise of Theodore Roosevelt Edmund Morris,2010-11-24 WINNER OF THE PULITZER PRIZE AND THE NATIONAL BOOK AWARD • One of Modern Library's 100 best nonfiction books of all time • One of Esquire's 50 best biographies of all time "A towering biography . . . a brilliant chronicle."—Time This classic biography is the story of seven men—a naturalist, a writer, a lover, a hunter, a ranchman, a soldier, and a politician—who merged at age forty-two to become the youngest President in history. The Rise of Theodore Roosevelt begins at the apex of his international prestige. That was on New Year's Day, 1907, when TR, who had just won the Nobel Peace Prize, threw open the doors of the White House to the American people and shook 8,150 hands. One visitor remarked afterward, "You go to the White House, you shake hands with Roosevelt and hear him talk—and then you go home to wring the personality out of your clothes." The rest of this book tells the story of TR's irresistible rise to power. During the years 1858–1901, Theodore Roosevelt transformed himself from a frail, asthmatic boy into a full-blooded man. Fresh out of Harvard, he simultaneously published a distinguished work of naval history and became the fist-swinging leader of a Republican insurgency in the New York State Assembly. He chased thieves across the Badlands of North Dakota with a copy of Anna Karenina in one hand and a Winchester rifle in the other. Married to his childhood sweetheart in 1886, he became the country squire of Sagamore Hill on Long Island, a flamboyant civil service reformer in Washington, D.C., and a night-stalking police commissioner in New York City. As assistant secretary of the navy, he almost single-handedly brought about the Spanish-American War. After leading "Roosevelt's Rough Riders" in the famous charge up San Juan Hill, Cuba, he returned home a military hero, and was rewarded with the governorship of New York. In what he called his "spare hours" he fathered six children and wrote fourteen books. By 1901, the man Senator Mark Hanna called "that damned cowboy" was vice president. Seven months later, an assassin's bullet gave TR the national leadership he had always craved. His is a story so prodigal in its variety, so surprising in its turns of fate, that previous biographers have treated it as a series of haphazard episodes. This book, the only full study of TR's pre-presidential years, shows that he was an inevitable chief executive. "It was as if he were subconsciously aware that he was a man of many selves," the author writes, "and set about developing each one in turn, knowing that one day he would be President of all the people."

Theodore Roosevelt, an Autobiography Theodore Roosevelt,1913

Theodore Roosevelt Jacob August Riis,1904

Theodore Roosevelt Theodore Roosevelt,2015-01-13 Spanning his earliest remembrances as a child to his historic charge up San Juan Hill, and his years in the White House, Theodore Roosevelt: An Autobiography offers an intimate and telling portrait of one of the greatest statesmen in American history. As a militarist and politician, Theodore Roosevelt accomplished a remarkable list of achievements including forming the Rough Riders, trust-busting companies like Standard Oil, expanding the United States' network of national parks, and negotiating the end of the Russo-Japanese War, for which he was awarded the 1906 Nobel Peace Prize.
