Thirteen Tennessee Ghosts and Jeffrey Kathryn Tucker Windham,2016-02-20 Thirteen Tennessee Ghosts and Jeffrey is a deluxe, commemorative edition of famed southern author and folklorist Kathryn Tucker Windham's introduction to the Volunteer State's most enduring ghost stories. In Thirteen Tennessee Ghosts and Jeffrey, beloved and best-selling folklorist Kathryn Tucker Windham presents a spine-tingling collection of Tennessee's eeriest ghost tales. Accompanied by her faithful companion, Jeffrey, a friendly spirit who resided in her home, Windham traveled from the mysterious muds of Memphis to the haunted hollows of east Tennessee to collect the spookiest collection of Volunteer State revenants ever written. In these perennial favorites, Windham captures the gentle folk humor of native Tennesseans as well as fascinating facts about the state's rich history. In “The Dark Legend,” Windham recounts the story of explorer Merriwether Lewis, who met an untimely end on the Natchez Trace 1809 and whose spirit, it is said, still treads through Tennessee's forests. Windham also visits central Tennessee's Chapel Hill, where people who know the town say those who stand on the train tracks on dark, lonely nights can often see a disembodied light floating along the tracks. Neighbors say it's the ghost of a headless flagman who returns to cavort with night-time guests. High in Tennessee's Appalachian mountains, Windham encounters Martin, the phantom fiddler of Johnson County. Legend has it that in life Martin's musical skills so mesmerized the snakes of the Stone Mountains that they would slither from their dens to listen tamely to his fiddling. Intrepid visitors to the rocky tops of northeast Tennessee's mountains say you can still hear Martin's ghost fiddling in the hollows. This handsome, new commemorative hardback edition returns Windham's suspenseful classic to its original keepsake quality and includes a new afterword by the author's children.

Thirteen Alabama Ghosts and Jeffrey Kathryn Tucker Windham,Margaret Gillis Figh,2014-07-10 Curated with loving expertise, these thirteen tales showcase both Windham and Fighs masterful selection of stories and their artful and suspenseful writing style. In crafting stories treasured by children and adults alike, the authors tell much more than ghost tales. Embedded in each is a wealth of fact and folklore about Alabama history and the old South. I don't care whether you believe in ghosts, Windham was fond of saying. The good ghost stories do not require that you believe in ghosts.

Showmanship: The Cinema of William Castle Joe Jordan, William Castle was cinema's Abominable Showman - the marketing genius who thought “outside the coffin” to dream up outrageous public relations gimmicks, such as PERCEPTO! and EMERGO! He

was also the talented director of fifty-six feature films, from the Film Noir When Strangers Marry and the Whistler mysteries to Westerns, swashbucklers, and – his fearsome forte – celebrated shockers, such as House on Haunted Hill, Strait-Jacket, Homicidal, and The Tangler. Author Joe Jordan provides exhaustive scholarly analysis of each of Castle’s directorial efforts, as well as production background, little-known anecdotes, and succinct plot synopses. “Joe Jordan dissects the films of William Castle with delicious abandon, as if he wields the razor edge of Joan Crawford’s axe from Strait-Jacket. Like slicing tendons from marrow, he carves into the masterful showman’s work with surgical precision and pulls the mask from the myths. A genuine thriller from A-Z. Hardly a shadow misses his myopic scrutiny. Every page keeps you on the edge of your seat.” – David W. Menefee, Pulitzer nominated author of Wally: The True Wallace Reid Story. “Fills in the missing ‘Fright Break’ in every horror aficionado’s film library!” – Lucy Chase Williams, author of The Complete Films of Vincent Price.

The Memory Thief Jodi Lynn Anderson,2021-03-02 Perfect for fans of The Girl Who Drank the Moon, this fantastical and heartfelt first book in a new trilogy from New York Times bestselling author Jodi Lynn Anderson follows a girl who must defeat thirteen evil witches. Twelve-year-old Rosie Singer’s mom is missing whatever it is that makes mothers love their daughters. All her life, Rosie has known this...and turned to stories for comfort. Then, on the night Rosie decides to throw her stories away forever, an invisible ally helps her discover the Witch Hunter’s Guide to the Universe, a book that claims that all of the evil in the world stems from thirteen witches who are unseen...but also unstoppable. One of these witches—the Memory Thief—holds an insidious power to steal our most precious treasures: our memories. And it is this witch who has cursed Rosie’s mother. In her quest to save her mom—and with her wild, loyal friend “Germ” by her side—Rosie will find the layers hidden under the reality she only thought she knew: where ghosts linger as shades of the past, where clouds witness the world, and a ladder dangles from the moon leading to something bigger and more. Here, words are weapons against the darkness, and witch hunters are those brave enough to wield their imaginations in the face of the unthinkable. At the core of this stunning novel—the first of the Thirteen Witches trilogy from critically acclaimed author Jodi Lynn Anderson—is a passionate argument that stories have the power to create meaningful change...and a reason to hope even when the world feels crushing.
