This Present Darkness Frank Peretti, 2012-02-14 “For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places.” Ephesians 6:12 After the film in her camera is mysteriously destroyed at a small-town festival, reporter Bernice Kreuger knows she’s found something worth covering up. She brings the investigation to her boss, Marshall Hogan. Along with the local pastor of a struggling church, Hank Busch, they find something much bigger than they expected—a demonic plot to enslave their town and, eventually, the world. The tiny college town of Ashton becomes the unlikely battleground in a cosmic clash between good and evil. Unseen by the human protagonists, armies of angels and demons wage war against one another in the spiritual realm for the souls of the people of Ashton. Up against supernatural forces, the future of the town seems bleak – but the power of prayer might be able to influence the outcome of the fight. This fast-paced thriller birthed an entirely new genre, setting the standard for spiritual suspense. It has since sold over 2 million copies worldwide, sparking a renewed interest in the concept of spiritual warfare.

Piercing the Darkness Frank Peretti, 2012-02-14 Now in ebook, the classic sequel to bestseller *This Present Darkness*, about another small town in the midst of an unseen supernatural battle for truth. This sequel to *This Present Darkness* follows the supernatural battle over the small town of Bacon’s Corner, where, once again, armies of angels and demons are at war. Sally Beth Roe is trying to escape her past and struggling to find the truth, while Tom Harris finds himself embroiled in a battle to save a Christian school threatened by outside forces.

This Present Darkness Stephen Ellis, 2016 Nigeria and Nigerians have acquired a notorious reputation for involvement in drug-trafficking, fraud, cyber-crime and other types of serious crime. Successful Nigerian criminal networks have a global reach, interacting with their Italian, Latin American and Russian counterparts. Yet in 1944, a British colonial official wrote that 'the number of persistent and professional criminals is not great' in Nigeria and that 'crime as a career has so far made little appeal to the young Nigerian'. This book traces the origins of Nigerian organised crime to the last years of colonial rule, when nationalist politicians acquired power at a regional level. In need of funds for campaigning, they offered government contracts to foreign businesses in return for kickbacks, in a pattern that recurs to this day. Political corruption encouraged a wider disrespect for the law that spread throughout Nigerian society. When the country's oil boom came to an end in the early 1980s, young Nigerian college graduates headed abroad, eager to make money by any means. Nigerian crime went global at the very moment new criminal markets were emerging all over the world.

This Present Moment Mary Savig, Nora Atkinson, Anya Montiel, 2022-06-21 A highly illustrated, important volume inspired by the way craft artists have united during the COVID pandemic and engaged in artistic conversations about race, gender, and inclusivity. During the summer of 2020, the space outside the Renwick Gallery--the Smithsonian American Art Museum's dedicated museum for contemporary craft and decorative arts--became home to a new discussion about racial justice on Black Lives Matter Plaza. The curators at the Renwick Gallery felt the need to align themselves with what was going on right outside the Gallery's door, the organizing rationale for understanding the objects presented in this volume, many of which are

new acquisitions. The title is taken from Alicia Eggert's 2019-2020 eponymous neon work, and the 85 objects in the main plates section lead the reader from the idea of shelter, through layers of expanding spaces to the vast expanses of the universe. The volume looks at contemporary American craft in the whirlwind of now revealing possibilities for contemporary makers to respond to a more empathetic future.

Book jacket.

Prophet Frank E. Peretti, 2004-03 Anchorman John Barrett knows something is wrong. The story doesn't add up. Prompted by extraordinary spiritual experiences, he begins to uncover a story about abortion that no one wants to hear.

This Present Darkness Kristen Welch, 2021-08-17 As a Christian—as a college student—do you want to be a feminist? Why would anybody want to be a feminist? And what, if anything, have Christians done to advance women's rights? The answers lie in this book where the history of women preachers, the rise of the publishing industry, the

creation of eighteenth- and nineteenth-century female seminaries and academies, and the work of feminist theologians is explored. This book introduces the Christian college student to a coherent story of First, Second, and Third Wave Feminism and how these interlocking histories overlap with Christian faith and practice. Designed for the student who has little or no knowledge of feminist histories, theories, and practices, this book offers timelines, reading lists, and glossaries to help orient the student in a field of study often filled with irony and contradictions.

Furthermore, the influence of anti-feminists and the impact of visual culture tell a story of how power is made and how it is challenged. Throughout this book, students are invited to consider their relationship with feminism and to critically reflect on a position that holds true to their faith as they are experiencing it in the twenty-first century.

This Present Moment Gary Snyder, 2015-04-01 This present moment That lives on To become Long ago. For his first collection of new poems since his celebrated *Danger on Peaks*, published in 2004, Gary Snyder finds himself ranging over the planet. Journeys to the Dolomites, to the north shore of Lake Tahoe, from Paris and Tuscany to the shrine at Delphi, from Santa Fe to Sella Pass, Snyder lays out these poems as a map of the last decade. Placed side-by-side, they become a path and a trail of complexity and lyrical regard, a sort of riprap of the poet's eighth decade. And in the mix are some of the most beautiful domestic poems of his great career, poems about his work as a homesteader and householder, as a father and husband, as a friend and neighbor. A centerpiece in this collection is a long poem about the death of his beloved, Carole Koda, a rich poem of grief and sorrow, rare in its steady resolved focus on a dying wife, of a power unequalled in American poetry. As a friend is quoted in one of these new poems: I met the other

lately in the far back of a bar, musicians playing near the window and he sweetly told me listen to that music. The self we hold so dear will soon be gone. Gary Snyder is one of the greatest American poets of the last century, and *This Present Moment* shows his command, his broad range, and his remarkable courage.

This Present Glory Rodney Howard-Browne, 2004-05 A Practical handbook on spiritual warfare according to the Word of God. Compares the Word of God with some current beliefs about warfare to find out what really is factual and what is fiction.

This Present Triumph Richard M. Cozart, 2013-09-17 The author of *Ephesians* shows an interest in the Isaianic new exodus (INE) in facilitating his focus on the present triumph of the people of God. The recipients required both insight and confidence, especially in regard to the certainty of their salvation, its mysterious nature, Jewish-Gentile relations, and their former manner of life. In the face of these challenges the author maintains that victory is secured through God's choice of them and the working of his redemptive program--which inevitably leads to triumphal blessings. As with the exodus-era Hebrews, the readers participate in paschal redemption, now embodied in Christ, along with his resurrection and ascension as the triumphant new exodus warrior over principalities and powers. In addition, and as predicted by OT writers, Gentile proselytes share the blessings of the new exodus, but now on equal footing and access as Jewish Christians--creating a new eschatological temple. Triumphant Christ distributes gifts, facilitates Spirit-endowed living, and enables Christian warfare that mirrors Yahweh and his servant. The recipients of the epistle appear to be called to view INE triumph as above, below, now and not yet, while not discarding current applications on earth.

Lauren Child,2009-03-05 Lola wants to buy Lotta a special birthday present and thinks up all sorts of imaginative gifts, like a musical jump rope or wings so Lotta can fly. Hope for This Present Crisis Michael

Youssef,2021-03-02 Our culture has lost its mind. Now, we are waging a bigger fight—a war for our soul. Is it possible our world has gone mad? We are under siege and the war is not from without; it is from within. The collapse of the Roman Empire occurred in a single generation and was not so much the result of invasions by their enemies but the result of moral decay and internal corruption. Similar patterns are emerging in America. We neglected or abandoned our traditional institutions long ago, but now it's time to take them back. Today, forces are at work to strip the principles and precepts of faith from public venues or minimize their significance. Many progressive leaders are convinced that when Christianity disintegrates it will create peace on earth. But the loss of our heritage will merely create a spiritual vacuum that will be filled with folly, crammed with chaos, or invaded by Islam. The reality is: Western civilization will become so decadent and reckless that America will collapse like a house of cards. In *Hope for This Present Crisis*, Dr. Youssef provides a diagnosis of the insanity of the current culture and a seven-step prescription for restoring sanity to a world gone mad. Here's the seven-step path to restoring a world gone mad: Remember the Truth – Stand firm on the truth of the gospel. Restore the Soul – Seek God's approval— not the approval of other people. Revitalize the Family – Guard your children from the

horrors of the Internet. Reestablish the Classroom – Support conscientious, caring public school teachers. Respect our Freedoms – Know your rights. Reform our Society – Morally and spiritually purify yourself. Revive the Church – Demonstrate the forgiving love of Jesus at all times. This book will teach you how to stand up to attacks on your faith, and defend Christianity as a meaningful contribution to society.

This Present Paradise Claire Dwyer, 2021-01-10 Decades before Vatican II called for the sanctification of the laity, St. Elizabeth of the Trinity prophetically claimed that holiness is not exclusively the domain of priests and nuns but is truly for everyone. God created the human soul to be

a special channel of His grace on earth and to serve as a unique image of His love. Few saints have spoken to hearts as acutely as St. Elizabeth of the Trinity, who has helped even the busiest, weariest, and most distracted of us create an inner chamber within our souls where we can rest in God's peace and love. In this tender yet powerful book, author Claire Dwyer takes you on a spiritual journey with this little-known but fast-ascending saint. She shows you how to overcome aridity in prayer and discover ways to bring peace to familial relationships. You will learn how to identify and fulfill the specific mission God has for you and how to draw courage and meaning from

This Present Reality Madson Baptiste, 2019-11-21 Are you struggling to find wisdom to fight the fear in your life? In *This Present Reality*, author Apostle, Madson Baptiste offers a selection of revelatory letters to facilitate new breakthroughs for you and give you the freedom to serve God acceptably and passionately with boldness and without fear. The first in a three-part series, this book addresses current events taking place globally to a church in need of guidance where resources are limited. Baptiste describes the current state of spiritual warfare so the church can more accurately understand its role as it moves through the timeline of God's redemptive plan. In this discussion, old foundations are rediscovered, and new revelations are brought forth. *This Present Reality* shares the hope that the church can find a commonality of purpose in a day when God's people appear to have lost their focus as his instrument for impacting the world for Him.
