R. Austin Freeman

T. Thorndyke, Attorney-at-law Herbert Irvin Goss,1907

*The Complete Dr. Thorndyke - Volume I* R Austin Freeman,2019-03-12 Volume I contains the first three Thorndyke novels, published in 1907, 1911, and 1912, respectively. Set in London during the time that Sherlock Holmes was still in practice, these introduce us to Thorndyke and his world, as well as painting a vivid picture of the London of that era. *The Red Thumb Mark* - In which Dr. Jervis encounters his old friend, Dr. Thorndyke. Soon after, they're drawn into a mystery where a man is accused of murder, and his own bloody thumbprint, evidence that cannot be denied, places him absolutely at the scene of the crime. As Thorndyke investigates, it becomes apparent that he is too much of a threat and must be removed. *The Eye of Osiris* - Wherein a man vanishes and is presumed dead. But from where and when exactly did he disappear? That is the initial question, but by the end it's much more complex, with one of the most unique solutions in mystery history! *The Mystery of 31 New Inn* - Dr. Jervis is summoned at night by closed carriage to treat a gravely ill patient - but is he simply sick or being murdered? His suspicions continue to grow, and Thorndyke provides a unique solution. But that's only half, as the two also become involved in an unusual death related to a young man's inheritance. When Sherlock Holmes began his practice as a Consulting Detective, his ideas of scientific criminal investigations caused the London police to look upon him as a mere theorist. And yet, through his work, the science behind catching criminals became so important that it's hard to now imagine the world without them. Many famous Great Detectives followed in Holmes's footsteps - Nero Wolfe and Ellery Queen, Hercule Poirot and Solar Pons - but before they began their careers, and while Holmes was still in practice in Baker Street, another London consultant - Dr. John Thorndyke - opened his doors, using the scientific methods developed and perfected by Holmes and taking them to a whole new level of brilliance. Between 1905, with his first appearance in a nearly forgotten novella (see below), to 1942, and through the course of twenty-one novels and over forty short stories, Dr. Thorndyke, often with the assistance of his friend Dr. Christopher Jervis, unraveled some incredibly complex puzzles. Besides providing very satisfying mysteries - some of which turned the literary form inside out - these adventures present vivid pictures of England in the late Victorian and early Edwardian eras, ranging from the doctor's own vividly drawn chambers at 5A Kings Bench Walk in the Temple to the surrounding London streets, and beyond into the villages and towns of the countryside. Many of the Thorndyke volumes have been difficult to obtain for decades. MX Publishing is proud to announce the return of Dr. Thorndyke in a collection of omnibus editions, bringing these masterful adventures of one of the world's greatest detectives together in an easily available format for modern readers. Thorndyke will cheerfully show you all the facts. You will be none the wiser . . . . - Dorothy L. Sayers, *Chronicler of Lord Peter Wimsey Introduction - Great Stories of Detection, Mystery, and Horror* (1928) Over the next few years, MX will publish the entire Dr. Thorndyke series. First up are these two books . . . .

**The Witch's Castle** George Howard Thorndyke,1903

*A Certain Dr. Thorndyke* R. Austin Freeman,2018-03-15 A winding adventure that begins in an exotic, teasing location. Richard Austin Freeman introduces the reader to the delights of an extraordinary jewel heist. Hollis is a retired soap manufacturer, richer than Croesus and some say mad. Obsessed with amassing precious stones and bullion, Hollis chooses a strong room to deposit his dazzling hoard. But when he discovers that he's the victim of an elaborate and enigmatic robbery, even though the room was never broken into, Dr Thorndyke is summoned to bring his unrivalled knowledge to bear on a remarkable mystery.

**John Thorndyke's Cases Illustrated** R Austin Freeman,2020-12-28 Visiting a lonely hamlet perched on a cliff above the English coast, forensic detective Dr. John Thorndyke goes for a walk on the long, deserted beach. In the sand he finds two sets of footprints, made some hours apart. They lead to a crime scene. A man has been found stabbed through the heart, his body thrown from the cliffs above. The local police are on the hunt for clues, but Thorndyke is certain the killer's identity can be determined from the footprints in the sand. With the tide coming in, he has only a few hours to catch his man.

**John Thorndyke's Cases Annotated** R Austin Freeman,2020-11-08 About John Thorndyke's Cases by R. Austin Freeman In the early years of the 20th Century, public interest in science is growing, and science is also being used by the police to solve more crimes. Doctor and detective John Thorndyke uses science, experiments and reasoning to solve the most puzzling cases. ...

**The Best Dr. Thorndyke Detective Stories** R. Austin Freeman,2017-04-28 Eight compelling tales by the father of the scientific detective story feature inverted mysteries, in which crime and culprit are revealed at the outset and Dr. Thorndyke formulates evidence from subtle clues.

**The Complete Dr. Thorndyke - Volume VII** R Austin Freeman,2021-03-12 Volume VII contains the thirteenth, fourteenth, and fifteenth Thorndyke novels, published in 1931, 1932, and 1933, respectively. *Pontifex, Son, and Thorndyke* - Jasper Gray is an enterprising fellow going about his typical day when he's drawn into a series of curious events. Meanwhile, Thorndyke is consulted on a seemingly unrelated but unusual suicide. When their stories collide, Jasper's life will never be the same. *When Rogues Fall Out* - A disagreement between thieves and a policeman doing his duty leads to the policeman's death. Thorndyke, Jervis, and Polton assist the official force to bring the killer to justice - and along the way investigate a most mysterious house . . . . *Dr. Thorndyke Intervenes* - An old case has current consequences when a human head is abandoned in a train station. Before the investigation is concluded, a visit to an ancient crypt and explorations in ancient British mines will lead to a restored inheritance. When Sherlock Holmes began his practice as a Consulting Detective, his ideas of scientific criminal investigations caused the London police to look upon him as a mere theorist. And yet, through his work, the science behind catching criminals became so important that it's hard to now imagine the world without them. Many famous Great Detectives followed in Holmes's footsteps - Nero Wolfe and Ellery Queen, Hercule Poirot and Solar Pons - but before they began their careers, and while Holmes was still in practice in Baker Street, another London consultant - Dr. John Thorndyke - opened his doors, using the scientific methods developed and perfected by Holmes and taking them to a whole new level of brilliance. Between 1905, with his first appearance in a nearly forgotten novella (see below), to 1942, and through the course of twenty-one novels and over forty short stories, Dr. Thorndyke, often with the assistance of his friend Dr. Christopher Jervis, unraveled some incredibly complex puzzles. Besides providing very satisfying mysteries - some of which turned the literary form inside out - these adventures present vivid pictures of England in the late Victorian and early Edwardian eras, ranging from the doctor's own vividly drawn chambers at 5A Kings Bench Walk in the Temple to the surrounding London streets, and beyond into the villages and towns of the countryside. Many of the Thorndyke volumes have been difficult to obtain for decades. MX Publishing is proud to announce the return of Dr. Thorndyke in a collection of omnibus editions,

bringing these masterful adventures of one of the world's greatest detectives together in an easily available format for modern readers. Thorndyke will cheerfully show you all the facts. You will be none the wiser . . . . - Dorothy L. Sayers, Chronicler of Lord Peter Wimsey

**John Thorndyke's Cases** R. Austin Freeman, 2022-07-22 This book has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.

**The Complete Dr. Thorndyke - Volume VI** R Austin Freeman, 2021-03-12 Volume VI contains the tenth, eleventh, and twelfth Thorndyke novels, published in 1927, 1928, and 1930, respectively. A Certain Dr. Thorndyke - Unique among the Thorndyke narratives, this story is as much an adventure tale as a mystery. A man falsely accused finds a new, exciting, and dangerous life on the African coast. But when he's ready to return home to England, only Dr. Thorndyke can clear his name. As a Thief in the Night - What seems to be a routine death uncovers a trail to a past heartbreaking murder - and a most surprising killer who is willing to hide old secrets, even if it means killing Dr. Thorndyke as well! Mr. Pottermack's Oversight - A good man is driven by blackmail to terrible extremes. And by the slimmest of clues, he finds Dr. Thorndyke upon his trail . . . . When Sherlock Holmes began his practice as a Consulting Detective, his ideas of scientific criminal investigations caused the London police to look upon him as a mere theorist. And yet, through his work, the science behind catching criminals became so important that it's hard to now imagine the world without them. Many famous Great Detectives followed in Holmes's footsteps - Nero Wolfe and Ellery Queen, Hercule Poirot and Solar Pons - but before they began their careers, and while Holmes was still in practice in Baker Street, another London consultant - Dr. John Thorndyke - opened his doors, using the scientific methods developed and perfected by Holmes and taking them to a whole new level of brilliance. Between 1905, with his first appearance in a nearly forgotten novella (see below), to 1942, and through the course of twenty-one novels and over forty short stories, Dr. Thorndyke, often with the assistance of his friend Dr. Christopher Jervis, unraveled some incredibly complex puzzles. Besides providing very satisfying mysteries - some of which turned the literary form inside out - these adventures present vivid pictures of England in the late Victorian and early Edwardian eras, ranging from the doctor's own vividly drawn chambers at 5A Kings Bench Walk in the Temple to the surrounding London streets, and beyond into the villages and towns of the countryside. Many of the Thorndyke volumes have been difficult to obtain for decades. MX Publishing is proud to announce the return of Dr. Thorndyke in a collection of omnibus editions, bringing these masterful adventures of one of the world's greatest detectives together in an easily available format for modern readers. Thorndyke will cheerfully show you all the facts. You will be none the wiser . . . . - Dorothy L. Sayers, Chronicler of Lord Peter Wimsey

**John Thorndyke's Cases** **John Thorndyke's Cases: Large Print** R. Austin Freeman, 2019-02-09 About John Thorndyke's Cases by R. Austin Freeman In the early years of the 20th Century, public interest in science is growing, and science is also being used by the police to solve more crimes. Doctor and detective John Thorndyke uses science, experiments and reasoning to solve the most puzzling cases. Stories in this collection: The Man with the Nailed Shoes The Stranger's Latchkey The Anthropologist at Large, The Blue Sequin, The Moabite Cipher, The Mandarin's Pearl, The Aluminium Dagger, A Message from the Deep Sea. R. Austin Freeman was a 20th century fiction author best known for detective mysteries. He went so far as to claim he invented the inverted detective genre, but regardless of what credit he deserves, his work continues to be read today.

**John Thorndyke's Cases** R. Austin Freeman, 2016-06-27 In the early years of the 20th Century, public interest in science is growing, and science is also being used by the police to solve more crimes. Doctor and detective John Thorndyke uses science, experiments and reasoning to solve the most puzzling cases. Stories in this collection: The Man with the Nailed Shoes The Stranger's Latchkey The Anthropologist at Large The Blue Sequin The Moabite Cipher The Mandarin's Pearl The Aluminium Dagger A Message from the Deep Sea

**The Mystery of 31 New Inn** R Austin Freeman, 2014-09-03 As I look back through the years of my association with John Thorndyke, I am able to recall a wealth of adventures and strange experiences such as falls to the lot of very few men who pass their lives within hearing of Big Ben. Many of these experiences I have already placed on record; but it now occurs to me that I have hitherto left unrecorded one that is, perhaps, the most astonishing and incredible of the whole series; an adventure, too, that has for me the added interest that it inaugurated my permanent association with my learned and talented friend, and marked the close of a rather unhappy and unprosperous period of my life.

**John Thorndyke's Cases** Richard Austin Freeman, 2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

John Thorndyke's Cases R Austin Freeman, 2020-03-06 We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades in its original form. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

*The Mystery of 31 New Inn: a Dr John Thorndyke Mystery Novel* R. Austin Freeman, 2015-01-27 It was nearly nine o'clock. The noisy little clock on the mantelpiece announced the fact, and, by its frantic ticking, seemed as anxious as I to get the consultation hours over. I glanced wistfully at my mud-splashed boots and wondered if I might yet venture to assume the slippers that peeped coyly from under the shabby sofa. I even allowed my thoughts to wander to the pipe that reposed in my coat pocket. Another minute and I could turn down the surgery gas and shut the outer door. The fussy little clock gave a sort of preliminary cough or hiccup, as if it should say: Ahem! ladies and gentlemen, I am about to strike. And at that moment, the bottle-boy opened the door and, thrusting in

his head, uttered the one word: Gentleman.

**Pontifex Son and Thorndyke** R. Austin Freeman,2018-09-10 Pontifex Son and Thorndyke: Large Print By R. Austin Freeman This puzzling plot is related by two different characters: messenger boy Jasper Gray, who experiences several strange adventures, and Dr Jervis, friend of Dr Thorndyke. Dr Thorndyke is investigating a terrible crime, the solving of which remains elusive because of key facts remaining unknown. He needs the facts to confirm his case: Jasper could complete the blank spaces if only Thorndyke were aware of his existence

**The Singing Bone (The Adventures Of Dr.Thorndyke)** Richard Austin Freeman,2019-07-26 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

**THE DR. THORNDYKE TRILOGY (Forensic Science Mysteries)** R. Austin Freeman,2017-08-07 Dr. John Thorndyke is a fictional detective in a series of novels. He is a medical jurispractitioner - originally a medical doctor, he turned to the bar and became one of the first, in modern parlance, forensic scientists. His solutions were based on his method of collecting all possible data (including dust and pond weed) and making inferences from them before looking at any of the protagonists and motives in the crimes. It is this method which gave rise to one of Freeman's most ingenious inventions, the inverted detective story, where the criminal act is described first and the interest lies in Thorndyke's subsequent unraveling of it. Table of Contents: The Red Thumb Mark The Eye of Osiris (The Vanishing Man) The Mystery of 31 New Inn Richard Austin Freeman (1862-1943) was a British writer of detective stories, mostly featuring the medico-legal forensic investigator Dr. Thorndyke. Freeman used some of his early experiences as a colonial surgeon in his novels. Many of the Dr. Thorndyke stories involve genuine, but often quite arcane, points of scientific knowledge, from areas such as tropical medicine, metallurgy and toxicology.

**Colonel Thorndyke's Secret** G. A. Henty,2013-05-16 The knowledge of their danger was evident to all the men, and, nerved by desperation, they rushed at the prize fighters; but the eight were now nine, and each of them in a fray of this kind was equal to half a dozen ordinary men. Scarce a word was spoken, but the sound of crushing blows and scuffling, and an occasional, oath, made a confused din in the half lighted room. Mark burst his way through his assailants to the spot where Flash and Emerson were standing, somewhat in the rear of the crowd, for they had been sitting at the other end of the room. Flash had a pistol in his hand, but the man who was standing in front of him was struck with such violence that he fell backwards, knocking Emerson to the ground and almost upsetting Flash, and before the latter could steady himself Mark struck him with all his force under the chin. A moment later the landlord blew out the two candles, and in the darkness the ruffians made a dash for the door, carried Tring and Ingleston off their feet, and rushed out into the lane.

This is likewise one of the factors by obtaining the soft documents of this **Thorndyke** by online. You might not require more grow old to spend to go to the books introduction as well as search for them. In some cases, you likewise attain not discover the revelation Thorndyke that you are looking for. It will definitely squander the time.
