Gina Detwiler

**Forsaken** Gina Detwiler,2018-08-31 He was forsaken but not forgotten. Nine months have passed since Grace Fortune saw the boy she loves, Jared Lorn, die before her eyes. But Grace's suspicions have her wondering if Jared really dead. Along with her friends, she sets out to find answers, and the investigation leads to an unexpected place: Silo City, an abandoned silo complex that houses as many dark secrets as it does forsaken people. Very much alive, Jared's on a mission to save the girl he loves by collaborating with the enemy—a young, brash rock star named Lester Crow who fronts the punk metal band Blood Moon. Jared's "deal with the devil" will take him on a cross-country journey into the heartland of darkness. The music of Blood Moon is a weapon against God, and Jared must wield this weapon while trying desperately to preserve his mind and soul from its power. Jared and Grace are desperate to be reunited, but first, they must defeat the demonic forces arrayed against them. And pray that Jared, a Nephilim forsaken in God's eyes, has a chance at a future.

**Leading from the In-Between** John McAuley,2015-07-01 The nurture and care provided to potential leaders during the early years of their development is crucial to ensuring they become healthy and mature leaders of the future. In *Leading from the In-Between*, John demonstrates this principle as he draws on his many years working with emerging leaders and shares his poignant insights into successful leadership development. He shares how he systematically built into the lives of these younger leaders the mindset and skills that eventually nurtured them into strong, well-rooted "oaks." The depth of his understanding is evident throughout the book. His invaluable experience with both younger and seasoned leaders, is brilliantly captured in his insights which he compares to a bridge that will help others avoid the pitfalls and celebrate the prizes to be won as we equip future leaders for their maximum impact and success. John's faith story is equally part of the interlacing that underscores the importance of each individual's relationship to leadership and spiritual formation. His concept of "cadence," which invites emerging leaders to "be in step with wisdom" is refreshing. This book is enriched by John's decades of leadership experiences at Muskoka Woods. His passion for developing emerging leaders into their full potential will inspire the rest of us to do the same.

**Death** Valerie Willis,2023-06-26 When death comes, life can at last begin again... Which will prevail, Life or Death? Iapetos has come back into the lives of Talib and Hotan, but what will happen when his own memories come flooding back? Hotan must come to terms about his emotions regarding the man who is his father while deciphering his newfound feelings for Abigail. Meanwhile, Iapetos faces past regrets and must decide to let the past still haunt him or choose a life more fitting for who he wants to be. Talib can only wait for judgments to be made and decide if he even has the right to intervene in this epic closing to a century's worth of family struggles. Includes Bonus materials from Author including Artwork, complete list of Immortals and Powers, the song playlists for all three books, and the Back story on how the trilogy came about.

**The Last Day of Regret** Matthew J. Diaz,2019-03-30 "I don't want to live anymore!" my sister admitted to my parents when she was fourteen years old. This cry for help increased with time and I would not fully grasp her inner demons until years after she died. Was it suicide, was it an accident, was it pre-planned or in the moment? At twenty four years of age my sister's life suddenly ended and all I have left are my broken memories. Why did my compassion stop when she desperately needed it from me? These memories of guilt and the regret that I carry have brought me to my knees. This is a story about God picking me up again after the events leading up to, and following my sister's last breath.

**Head Hunters** Kaylyn Gabbert,2015-05-15 This tale follows a music nymph and her friends learning to be themselves and facing the deadly Head Hunters (poachers of supernatural beings). When Angel gets her powers she finds out she's on the endangered species list. Her friends who are were creatures, angels, and witches are being poached as well. Head Hunters want the were creatures' pelts and the angels' wings and such. How would you feel if people wanted to kill you for a certain body part? Would you be okay if hunters wanted to kill a family member of yours just for a piece of them?

**Archon Than** Michael McCloskey,2013-12-23 The planet Athapon, capital of a vast space empire, houses a populace dedicated to pastimes of leisure and imagination, both real and virtual. Supported by legions of robotic workers, android and gynoid companions, and powerful computers, the inhabitants do not know labor, sickness, or fear. High Archon Thanatos is the last of an elite minority tasked with security in a time when all people are united and resources are plentiful. Constantly training and engaging in exercises of tactics and strategy in a society where the concept of war is archaic, Than is considered a vestigial oddity of ancient times. Then the Emperor of Athapon sets upon a senseless campaign of conquest targeted at the distant and mysterious planet Vovok. This brings a retaliation more immediate and deadly than any anticipated, leaving Than as one of the few standing between Athapon and destruction.

*The Wall* Owen Lee Grace,2021-11-19 Everything seems perfect in 2065 for high school senior Dorothy Parker. However, reports of a wall being built around the United States surface under safety pretenses to keep in the Texas nationals that formed a coalition for independence from the People's Republic of Earth. Before she knows it, the five-hundred-foot monstrosity is finished. The wall's true purpose becomes clear when hundreds of flesh-eating zombies land in the streets of large cities, infecting most of the population inside the wall in just a few weeks. Her dreams of running cross-country and living independently at Northwestern are crushed. The safest place known left is surprisingly rumored to be Texas, which had been mostly destroyed by fire bombing just before the wall was in place. She begins her journey from her home city of Rock Haven, North Dakota, with her parents and a scared eight-year-old brother, but she soon finds herself alone after a series of tragic events. Her only friend is her crossbow. This cold new world of America will bring out the worst in people and the best. She encounters an unlikely friend, a psychotic prison guard, a broken best friend, an unreliable ex-boyfriend, a hidden rebellion, and a strange book. She will have to lose everything before uncovering the path to true, pure joy but also the cold hard truth about life in the North American region and the wicked man behind the wall.

*God's Plenty* William Closson James,2011-09-20 God's Plenty examines the religious landscape of Kingston, Ontario, in the twenty-first century. The rich religious life of Kingston - a mid-sized city with a strong sense of its history and its status as a university town - is revealed in a narrative that integrates material from sociological and historical studies, websites, interviews, religious and literary scholarship, and personal experience. In Kingston, as in every Canadian city, downtown parishes and congregations have dwindled, disappeared, or moved to the suburbs. Attendance at mainline churches - and their political authority - has declined. Ethnic diversity has increased within Christian churches, while religious communities beyond Christianity and Judaism have grown. Faith groups have split along liberal and conservative lines, and the number of those claiming to have no religion - or to be spiritual but not religious - has increased. Yet amidst all this, religion continues to be evident in institutions and public life and important to the lives of many Canadians. God's Plenty, a ground-breaking contribution to the study of religion in Canada and a model for future community-based research, is the first overview of the religious topography of a Canadian city, telling the story of various faith communities and adding to the study of religious diversity and multiculturalism.
