Thunderstrike & Other Stories Richard Strachan,Eric Gregory,David Guymier,Gav Thorpe,C L Werner,Darius Hinks,Robert Rath,Dale Lucas,Jamie Crisalli,Anna Stephens,David Annandale,Michael R Fletcher,Dave Gross,Ben Counter,2021-08-31 Get started in the fantastic Worlds of Warhammer with this great value book. Enjoy a collection of tales from the Mortal Realms, covering a host of races and factions and providing a taste of the flavour of the Age of Sigmar. The city of Excelsis is in mourning. Thousands were slain in the great greenskin siege, the streets of a proud civilisation reduced to bloodied pits. The sheer might of Sigmar's allies may have won the battle, but the war between Order and Destruction is far from over, and out in the Ghurish wildlands a new evil lurks. When Freeguild captain Holger Beck and his regiment are ambushed on patrol, there is no time to fathom the cunning intellect of their foe – all they learn is terror. Broken and beaten, Beck latches on to a retinue of Thunderstrike Stormcasts led by Knight-Relictor Actinus, a formidable warrior under whose intrepid shadow Beck falls. Together, mortal soldier and divine warrior must strike forth into the dark heart of Ghur to destroy their enemy, before it takes advantage of the weakened city. But their trials have only just begun, and when even the indomitable Thunderstrike's mettle is tested, what chance is there for a human soul to claw at victory? This anthology contains the thrilling novella Thunderstrike by Richard Strachan, and a host of short stories that showcase the many warring armies that exist within the worlds of Warhammer Age of Sigmar.

**Tarnish** J. Brink,2016-02-07 Two adventures of the Thunderstrike Saga in one volume: The complete, critically-acclaimed novel Tarnish, plus the sword and soldiery novella The Prince of Luster and Decay. \* Evil has risen from the Blood Marsh. Redfield needs a hero. Billy Cole takes the name Wil Thunderstrike, straps on the sword of Trevor the Red, and ventures beyond the borders he's always known to find saviors for his hometown. He's following in the footsteps of the legendary Colors Three. But being a hero takes more than a blade and a thirst for adventure. Beyond Redfield is a world of back-alley thieves, traveling talespinners, and warriors of renown. And a would-be champion of justice traveling the road to glory might very well happen down the wrong path, and become a villain instead... \* In war, men don't only fight the enemy... Sergeant Jacob Knox leads a band of scout-saboteurs in the World's Shadow War. After a devastating ambush, his squad is sent to investigate a village as the possible source of the attack.

Something waits for them there. And they'll need both steel and heart to defeat it. Creepy dark fantasy at its finest.

**Way of the Sword** J D Brink, 2020-08-08 With a mythic sword in his fist and a washed-up rogue in his corner, Wil Thunderstrike embarks on an epic quest for honor and glory. But at what price? What choice did he have? Billy Cole is sixteen springs old. A man, by his reckoning. His father-legendary warrior Ian the Black-should have taken the responsibility. But ever since the war, Ian's appetite for battle has dwindled, replaced by a thirst he cannot quench. So when undying legions besiege their homeland, it's up to Billy to fill the void. As the warrior-poet Wil Thunderstrike, Billy blazes his own path to destiny. He metes out justice, defends the defenseless, and is ambushed by love. But the way of the sword is double-edged and a champion who fails to temper strength with wisdom might lose more than just his life... To win the way of the sword you need only slay your enemies, lose your innocence, and sacrifice those you love. Or is there another way? An amazing fantasy achievement that cuts straight to the heart. The hero's journey will never be the same. Way of the Sword is a standalone novel that can be read with or without the prequel, The Prince of Luster & Decay. Previously published under the title Tarnish. □□□□ This is good vs. evil, but complex and interesting. The surprise ending was a total surprise... one of the most interesting plot twists I've ever come across. -MC Spats □□□□ I loved this book. I was all prepared for some long-winded, drawn-out, fantasy rehash and was completely flattened by how clean and original the writing felt. - Janna A. Kepley □□□□ Compelling adventure fantasy with depth. [Brink's] characters are as distinct as they are engaging. - Wytwave □□□□ I loved the structure of tales within tales, I loved the poetry in the prose, and I loved the tales spun and those who spun them. - Krista Gimeno □□□□ Great book that draws you in and doesn't let go! I found myself so involved with the story that I often forgot to put down the book to eat lol! - Carrie Phillips

**Lightning Strike** William Kent Krueger, 2022-07-05 An instant New York Times bestseller, this prequel to the acclaimed Cork O'Connor series is "a pitch perfect, richly imagined story that is both an edge-of-your-seat thriller and an evocative, emotionally charged coming-of-age tale" (Kristin Hannah, #1 New York Times bestselling author) about fathers and sons, small-town conflicts, and the events that shape our lives forever. Aurora is a small town nestled in the ancient forest alongside the shores of Minnesota's Iron Lake. In the summer of 1963, it is the whole world to twelve-year-old Cork O'Connor, its rhythms as familiar as his own heartbeat. But when Cork stumbles upon the body of a man he revered hanging from a tree in an abandoned logging camp, it is the first in a series of events that will cause him to question everything he took for granted about his hometown, his family, and himself. Cork's father, Liam O'Connor, is Aurora's sheriff and it is his job to confirm that the man's death was the result of suicide, as all the evidence suggests. In the shadow of his father's official investigation, Cork begins to look for answers on his own. Together, father and son face the ultimate test of choosing between what their heads tell them is true and what their hearts know is right. In this "brilliant achievement, and one every crime reader and writer needs to celebrate" (Louise Penny, #1 New York Times bestselling author), beloved novelist William Kent Krueger shows that some mysteries can be solved even as others surpass our understanding.
