Geological Evolution of Central Asian Basins and the Western Tien Shan Range Marie-Françoise Brunet,Tom McCann,Edward R. Sobel,2017-10-10
The geological evolution of Central Asia commenced with the formation of a complex Precambrian–Palaeozoic orogen. Cimmerian blocks were then accreted to the southern margin in the Mesozoic, leading to tectonic reactivation of older structures and discrete episodes of basin formation. The Indian and Arabian blocks collided with Asia in the Cenozoic, leading to renewed structural reactivation, intracontinental deformation and basin development. This complex evolution resulted in the present-day setting of an elongated Tien Shan range flanked by large Mesozoic–Cenozoic sedimentary basins with smaller intramontane basins distributed within the range. This volume presents multidisciplinary results and reviews from research groups in Europe and Central Asia that focus on the western part of the Tien Shan and some of the adjacent large sedimentary basins. These works elucidate the Late Palaeozoic–Cenozoic tectono-sedimentary evolution of the area. Emphasis is given to the collision of terranes and continents and the ensuing fault reactivations. The impact of climatic changes on sedimentation is also examined.

Dan-Tien Christopher J. Markert,1998-05-01 The Dan-Tien is a source of primal wisdom and vital energy that resides within each of us. For thousands of years people in the East have learned to gather life energy (ch'i) in this center to promote wellbeing and longevity. Now, Christopher Markert reveals the secrets of the DanTien to Westerners in this friendly guide. When you think or act in a way that disagrees with who you really are, you may experience an unpleasant sensation in your Dan-Tien center. When your behavior is in tune with your emotions, you experience a sense of physical wellbeing. You have an inner compass that functions as a sensor (or an indicator); your compass communicates if you listen. Learning to use your Dan-Tien in everyday life is easy and the benefits are immediate. When you engage the energy of your Dan-Tien, your daily tasks become artful activities in which you joyfully engage yourself. Markert says that listening to your DanTien can bring you millions of happy minutes in all that you do and in all of your relationships. With the author's examples and visualizations, you can learn to let your DanTien bring you self confidence, love, and

happiness.

NILO Ha Tien HL Serra,2009-07-02 Historical Fiction, U.S. Navy, Vietnam War In the early months of 1970, LT Thomas Medici, NILO Ha Tien, enters Cambodia on U.S. Naval Intelligence missions and negotiates a secret weapons agreement with the Cambodian Navy, then thwarts the destruction of the Port of Sihanoukville-- for which he is tried at a Naval Board of Inquiry. This remarkable novel relates many events that our Naval Intelligence Liaison Officers actually experienced during the Cambodia episode of the Vietnam War. The details of these events are fascinating. VADM Rex Rectanus (Ret.), former Director of Naval Intelligence and Ass't. Chief of Staff (Intelligence) for VADM Elmo Zumwalt, Commander Naval Forces, Vietnam (1968-1970) HL Serra's novel draws the reader into the clandestine world of covert operations and Navy spy networks operating in Cambodia in early 1970. The book is a terrific read and one of those rare novels that speaks truth on every page about an innovative and effective strategic intelligence program. Prof. Larry Berman, UC Davis, author of books on Vietnam, including *Perfect Spy*, *No Peace, No Honor*, and the forthcoming first biography of Admiral Elmo Russell Zumwalt, Jr.
