The Letters to Timothy and Titus Philip H. Towner,2006-07-12 The most accessible, most broadly pitched full-length commentary on Timothy and Titus, this NICNT volume explores Paul's three letters to Timothy and Titus within their historical, religious, and cultural settings. In his introduction, Towner sets out the rationale for his historical approach, questions certain assumptions of recent critical scholarship, and establishes the uniqueness and individuality of each letter. Significantly, Towner's work displays unprecedented interaction with four recent major commentaries on these Pauline letters. Centered on an outstanding translation of the Greek text and including thorough footnotes, bibliographical citations, and indexes, Towner's commentary on Timothy and Titus is sure to become a standard reference for busy pastors, students, and scholars.

The Titus Diary Gene Edwards,1999 This title is no longer available from Tyndale, but it can be ordered from SeedSowers / 4003 N. Liberty Street / Jacksonville, FL 32206 In this fictionalized account of the apostle Paul's second missionary journey, told through the eyes of Titus, readers accompany Paul as he travels throughout Asia Minor and Greece, and they listen in as he writes his letters to the Thessalonians. Churches are started, disagreements are settled, persecution is endured--and the life-changing gospel moves forward.

Titus Livius's Roman history, with the supplement of J. Freinsheim. Tr., with notes Titus Livius,1761

Titus Andronicus William Shakespeare,2023-06-23 Titus Andronicus, a famous Roman general, has just returned to Rome after a war against the Goths. He brings with him five prisoners: Tamora, the Queen of the Goths, her three sons, and her lover Aaron the Moor. After losing two of his sons to the Goths, Titus kills Tamora's eldest son as retribution, triggering a blood feud between the two families. Saturninus is elected as the new Emperor of Rome with the support of Titus Andronicus. He declares he will marry Titus's daughter Lavinia. Titus agrees, but she has already been promised to Bassianus, Saturninus's brother. A violent argument breaks out, resulting in Titus killing one of his sons and Tamora becoming the new empress. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition.

Software Engineering at Google Titus Winters,Tom Manshreck,Hyrum Wright,2020-02-28 Today, software engineers need to know not only how to program effectively but also how to develop proper engineering practices to make their codebase sustainable and healthy. This book emphasizes this difference between programming and software engineering. How can software engineers manage a living codebase that evolves and responds to changing requirements and demands over the length of its life? Based on their experience at Google, software engineers Titus Winters and Hyrum Wright, along with technical writer Tom Manshreck, present a candid and insightful look at how some of the world's leading practitioners construct and maintain software. This book covers Google's unique engineering culture, processes, and tools and how these aspects contribute to the effectiveness of an engineering organization. You'll explore three fundamental principles that software organizations should keep in mind when designing, architecting, writing, and maintaining code: How time affects the sustainability of software and how to make your code resilient over time How scale affects the viability of software practices within an engineering organization What trade-offs a typical engineer needs to make when evaluating design and development decisions

The Titus Ten J. Josh Smith,2022-10-04 Everything in a man's life hinges on the kind of man he is. Yet, none of us is naturally a godly man. That's something we have to learn, pursue, and cultivate. We need a manual to help us. This book is a manual for becoming the kind of man God intends for you to be, and leading other men to do the same. Taking ten qualities from the Apostle Paul's short letter to his mentee Titus, The Titus Ten will help you grow in your understanding of the gospel, your identity, your character, your doctrine, and more. Each chapter includes questions for reflection and discussion, to both process the way the Lord is growing you, and read in a group with other men. As you grow in these areas of your life, you'll become the kind of man God desires to use in your family, your church, and the world.

Don't Put Me In, Coach Mark Titus,2013-03-12 An irreverent, hilarious insider's look at big-time NCAA basketball, through the eyes of the nation's most famous benchwarmer and author of the popular blog ClubTrillion.com (3.6m visits!). Mark Titus holds the Ohio State record for career wins, and made it to the 2007 national championship game. You would think Titus would be all over the highlight reels. You'd be wrong. In 2006, Mark Titus arrived on Ohio State's campus as a former high school basketball player who aspired to be an orthopedic surgeon. Somehow, he was added to the elite Buckeye basketball team, given a scholarship, and played alongside seven future NBA players on his way to setting the record for most individual career wins in Ohio State history. Think that's impressive? In four years, he scored a grand total of nine—yes, nine—points. This book will give readers an uncensored and uproarious look inside an elite NCAA basketball program from Titus's unique perspective. In his four years at the end of the bench, Mark founded his wildly popular blog Club Trillion, became a hero to all guys picked last, and even got scouted by the Harlem Globetrotters. Mark Titus is not your average basketball star. This is a wild and completely true story of the most unlikely career in college basketball. A must-read for all fans of March Madness and college sports!

Titus Coan Phil Corr,2021-10-21 In this book Phil Corr provides a tour de force by writing for both the biography reader and the scholar. In this hybrid work he vividly portrays the life of Titus Coan, the pen painter, while also filling gaps in the scholarship. These gaps include: the volume itself (no full-length published book has previously been written on Titus Coan) and the following chapters-- Patagonia, Peace, and Other Religions. Using the unpublished thesis by Margaret Ehlke and many other primary and secondary sources, he significantly deepens the understanding of Coan in many areas. This book is presented to the future reader for the purposes of edification and increasing the scholarship of this man who lived an incredible life during incredible times.

Titus Awakes Maeve Gilmore,2011-07-07 The final novel of the acclaimed fantasy series continues the adventures of Titus, Earl of Groan, completed by the author's widow based on his fragments. Mervyn Peake's series of novels featuring the inhabitants of Gormenghast castle are "a work of extraordinary imagination." After Titus Groan, Gormenghast, and Titus Alone, Peake was working on a fourth chapter in the series before his death. Maeve Gilmore, Mervyn Peake's widow, wrote Titus Awakes based on those pages left behind by Peake (The New Yorker). Titus Awakes picks up the story of Titus, 77th Earl of Groan, as he wanders through the modern world. Fans of the Gormenghast novels will relish this continuation of the world Peake created and of the lives of unforgettable characters from the original novels, including the scheming Steerpike, Titus's sister Fuchsia, and the long-serving Dr. Prunesquallor. Published a century after Peake's birth, this strikingly original novel provides a moving coda to Peake's masterwork.

1-2 Timothy & Titus Philip H. Towner,1994 Questions about the nature of Christian leadership and authority, attitudes toward wealth and materialism, proper responses to cults, the role of women in the church, and even the validity of the institution of marriage are not new. Paul addressed these issues in personal letters to Timothy and Titus as leaders of first-century congregations in Ephesus and Crete. What he had to say to them is as relevant to us as today's newspaper headlines.In this clear, pastorally oriented commentary, readers will find helpful background material on authorship, date and purpose, as well as an overview of theological themes in the Pastoral Epistles. The introductory material is followed by passage-by-passage explanation of the meaning these letters had for their first-century hearers in order to pave the way for understanding their significance for readers today.Students, pastors, Bible teachers and eveyone who wants to understand the message of the Pastoral Epistles for the church will benefit from this excellent resource.

2 Timothy and Titus Aida Besancon Spencer,2014-05-16 A thorough and insightful commentary on Paul's letter to his coworker Timothy, which the apostle wrote before and during Nero's persecution. Spencer carefully examines each part of the letter and relates it to the overall flow of the argument and in light of the larger biblical, historical, social, and cultural contexts. How Paul's writing related to the ancient communities is highlighted in the light of original data gleaned from her explorations on location in Crete, Ephesus, and Rome. In addition, Paul's rhetorical and ministry strategies, especially as they relate to women and their role in the church, are explored. Throughout, Spencer presents an in-depth exegesis in a readable format enhanced by forty years of ministry.
