*The Holy Grail of Eris, Vol. 1 (manga)* Kujira Tokiwa, 2022-05-31 The Grail family has a single guiding principle in their lives—Thou Shalt Be Sincere. However, sincerity alone can only get a lady so far in the twisted world of high society...as meek Constance Grail soon learns after she is framed for petty theft and loses her fiancé and reputation in a matter of minutes. But one gaze on her isn't quite as chilling as the others, though the woman's uncanny resemblance to Scarlett Castiel must be a coincidence. After all, Scarlett isn't just extremely wicked...she's also very much dead.

**The Holy Grail of Eris, Vol. 5 (manga)** Kujira Tokiwa, 2023-09-19 Having survived the Silent Ladies' Tea Party with the help of Scarlett and Abigail, Constance must now prepare for her meeting with Cecilia—the sly, deceitful princess. She hopes it'll be a chance to learn more about the incident ten years ago... but when Connie arrives at the palace, the mystery only deepens as a member of the royal family goes missing. All clues point to one suspicious Solditan merchant, but if Connie wishes to track him down, she'll need to face even greater dangers lurking in the shadows...

**The Holy Grail of Eris, Vol. 6 (manga)** Kujira Tokiwa, 2024-01-23 After discovering that the series of mysterious happenings around her all point to the criminal organization Daeg Gallus, it dawns on Connie just how much danger she's in. She tries to keep her best friend at a distance...but it's all for naught when Kate is kidnapped! Connie must leap into action to save her, though she's not the only one on the move—the reporter Amelia Hobbes has dug up some nasty details about Crown Princess Cecilia's birth, and the merchant Vado is putting his own shady plans in motion...

**The Holy Grail of Eris, Vol. 2 (light novel)** Kujira Tokiwa, 2022-08-16 BE CAREFUL WHO YOU TRUST Kindhearted Connie has been possessed by the ghost of notorious villainess Scarlett Castiel and forced to aid in her revenge. On top of searching for the truth about Scarlett's execution, Connie is busy navigating her fake engagement to the intimidating Earl Randolph Ulster, petty noble spats, and last but not least—a secret plot that could undermine the whole kingdom! As more clues surface, the danger grows, and even Connie herself becomes a target. Who is really responsible for Scarlett's death? And what exactly is the Holy Grail of Eris...?

*The Holy Grail of Eris, Vol. 4 (manga)* Kujira Tokiwa, 2023-06-20 Constance Grail has finally abandoned her sincerity and devoted herself to Scarlett Castiel's revenge. Now, what awaits her is a subpoena delivered in an ominous envelope. Summoned to an investigative committee known as the Silent Ladies'

Tea Party (hosted by none other than Deborah Darkian), Connie must stand up for herself in a twisted trial of lies and malice. Will she face punishment for her sins...or will she manage to pass judgment on the scheming women who are out for her head?

*Critical Sermons of the Zen Tradition* Shin'ichi Hisamatsu,2002-11-30 This book brings together two giants of the history of Zen: Linji (Japanese, Rinzai) and Hisamatsu Shin'ichi. Linji is looked upon as the founder of the Rinzai sect in Japan. Hisamatsu was a leading twentieth century master/thinker who lived in Kyoto and was a tremendous influence on the development of the Kyoto school of Japanese philosophy. The translators and editors have translated and annotated twenty-two of Hisamatsu's Zen teisho (Dharma talks, in effect, sermons for Zen practitioners) of a classical Zen text, the Record of Linji, the recorded sayings of the Chinese founder of Rinzai Zen.

**The Holy Grail of Eris, Vol. 3 (manga)** Kujira Tokiwa,2023-02-21 In their quest to uncover the truth behind Scarlett Castiel's death, Constance and Scarlett attend Emilia Godwin's soiree to fish for clues. Fishing in a sea of sharks is never easy, however, and their investigation is sidetracked when barbed insults escalate into an attack. And with Randolph Ulster popping up every which way they turn, finding answers is going to be much harder than they thought!

**The Holy Grail of Eris, Vol. 1 (light novel)** Kujira Tokiwa,2022-04-19 Never neglect to read the fine print As a viscount's daughter, Constance Grail is an ordinary girl whose only notable trait is sincerity, leaving her with no real options when someone steals her fiance and falsely accuses her of petty theft at a ball. While Connie awaits her undeserved punishment, a ghost appears to offer a bargain. The spirit is none other than Scarlett Castiel, a noblewoman once praised for her beauty, lineage, and undeniable charisma—and executed some ten years earlier for her wicked deeds. When Connie accepts this proposal, she is possessed by the infamous spirit who instantly turns the tide on her tormenter, thus saving the hapless girl from her miserable fate. It's never wise striking a deal without knowing exactly what you've committed to, though...or you might find yourself bound to a ghost dead set on revenge against her own enemies!

*The Holy Grail of Eris, Vol. 4 (light novel)* Kujira Tokiwa,2023-10-24 NEW FRIENDS AND OLD SECRETS Lucia O'Brian is heading to the Republic of Soldita to visit a friend, and Connie, Randolph, and a certain glamorous ghost wind up coming along for the ride. At first, Scarlett doesn't think much of the idea, but that all changes once she learns their destination—the island of El Sol, where her mother once told her the starry crown of Cornelia Faris lies hidden. But there's more to this treasure hunt than meets the eye and plenty of trouble waiting for Connie and Scarlett across the sea!

**The Holy Grail of Eris, Vol. 2 (manga)** Kujira Tokiwa,2022-08-23 Thanks to aid from the ghost of Scarlett Castiel, Constance escaped the incident at the Grand Merillian as the triumphant victim. Good deeds don't come for free however, and the price for Scarlett's help is vengeance! Although she was unabashedly wicked, the villainess is adamant that she was framed for poisoning the crown princess—but with no evidence, Constance has her work cut out for her. Perhaps the strange circumstances behind the apparent suicide of Lady Lily Orlamunde might provide some clues...

**Tokiwa** Mrs. Ashley Carus-Wilson,2016-08-30 Excerpt from Tokiwa: And Other Poems Argument. - In a.d. 1159 there was war in Japan between two great feudal clans, the Hei or Taira, whose banners were red, and the Gen or Minamoto, whose banners were white. Yoshitomo, the Gen chief, was defeated and Slain; and his three little sons escaped with their mother Tokiwa, the fairest woman in Japan. Availing himself of the Japanese belief that any deed done for a parent's sake is justifiable, fikiyomori, the victorious Hei chief, got his rival's sons into his power, and then, by equally cruel stratagem, used her maternal love to get possession of Tokiwa herself. Her youngest son, Ushiwaka or Yoshitsune, afterwards became the great national hero and first Shogun of Japan. To thwart their plan, Connie allows herself to be framed and imprisoned, ensuring Randolph's freedom. She never dreamed, though, that her actions would result in the first execution order in ten years—with her head on the chopping block!

**Experimental Design Process** Tokiwa Smith,2019-11-23 Have you wondered why some high school students compete in higher-level STEM Fairs and others never make it beyond their school-based science fairs? All students have the potential to complete great STEM fair projects--the difference between those that compete in higher-level STEM Fairs is the preparation process they follow. Entering a competitive

project is much more than conducting a great experiment. You must follow a process similar to what research scientist follow when they are conducting research, which is known as the Experimental Design Process. Through this process, researchers use their scientific literacy, laboratory, research skills and their oral and written communication skills to conduct an experiment and present their findings to diverse audiences. Experimental Design in the process of planning your experiment before conducting your experiment. It includes becoming familiar with scientific theory and writing a step by step procedure. It also includes following proper laboratory, research and data collection skills during the process. Once the experiment is conducted, scientist use specific data analysis skills to prepare oral and written reports. After ten-plus years of experience helping prepare high school students through her non-profit organization's Experimental Design Program, Ms. Tokiwa Smith, author developed the curriculum in this book. Through this book, she aims to teach high school students the skills needed to prepare for a STEM Fair competition using the same strategies and procedures that research scientists use to prepare for presentations at professional STEM conferences.
