The Making of Another Major Motion Picture Masterpiece Tom Hanks, 2023-05-09  
NEW YORK TIMES BEST SELLER • AN NPR BEST BOOK OF THE YEAR • From the legendary actor and best-selling author: a novel about the making of a star-studded, multimillion-dollar superhero action film...and the humble comic books that inspired it. Funny, touching, and wonderfully thought-provoking, while also capturing the changes in America and American culture since World War II. Wild, ambitious and exceptionally enjoyable. –Matt Haig, best-selling author *The Midnight Library*, *The Humans* and *Reasons to Stay Alive* Part One of this story takes place in 1947. A troubled soldier, returning from the war, meets his talented five-year-old nephew, leaves an indelible impression, and then disappears for twenty-three years. Cut to 1970: The nephew, now drawing underground comic books in Oakland, California, reconnects with his uncle and, remembering the comic book he saw when he was five, draws a new version with his uncle as a World War II fighting hero. Cut to the present day: A commercially successful director discovers the 1970 comic book and decides to turn it into a contemporary superhero movie. Cue the cast: We meet the film's extremely difficult male star, his wonderful leading lady, the eccentric writer/director, the producer, the gofer production assistant, and everyone else on both sides of the camera. Bonus material: Interspersed throughout are three comic books that are featured in the story—all created by Tom Hanks himself—including the comic book that becomes the official tie-in to this

novel's major motion picture masterpiece.

**Uncommon Type** Tom Hanks, 2017-10-17 A collection of seventeen wonderful short stories showing that the legendary Tom Hanks is as talented a writer as he is an actor. "Reading Tom Hanks's Uncommon Type is like finding out that Alice Munro is also the greatest actress of our time." –Ann Patchett, bestselling, Pulitzer Prize-winning author of *The Dutch House* A gentle Eastern European immigrant arrives in New York City after his family and his life have been torn apart by his country's civil war. A man who loves to bowl rolls a perfect game--and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive assistant venture into America looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories. They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!

**The World According to Tom Hanks** Gavin Edwards, 2018-10-23 An entertaining and insightful homage to Tom Hanks, America's favorite movie star, from the New York Times bestselling author of the cult sensation *The Tao of Bill Murray*. Niceness gets a bad rap these days. Our culture rewards those who troll the hardest and who snark the most. At times it seems like there's no place anymore for optimism, integrity, and good old-fashioned respect. Enter America's Dad: Tom Hanks. Whether he's buying espresso machines for the White House Press Corps, rewarding a jovial cab driver with a night out on Broadway, or extolling the virtues of using a typewriter, Hanks lives a passionate, joyful life and pays it forward to others. Gavin Edwards, the New York Times bestselling author of *The Tao of Bill Murray*, takes readers on a tour behind the scenes of Hanks's life: from his less-than-idyllic childhood, rocky first marriage, and career wipeouts to the pinnacle of his acting career and domestic bliss with the love of his life, Rita Wilson. As he did for Bill Murray, Edwards distills Hanks's life story into ten commandments that beautifully encapsulate his All-American philosophy. Contemplating the life, the achievements, and the obsessions of Mr. Tom Hanks may or may not give you the road map you need to find your way. But at the very least, it'll show you how niceness can be a worthy destination.

Uncommon Type Tom Hanks, 2018-09-04 One of the Best Books of the Year: NPR, USA Today National Bestseller A small-town newspaper columnist with old-fashioned views of the modern world. A World War II veteran grappling with his emotional and physical scars. A second-rate actor plunged into sudden stardom and a whirlwind press junket. Four friends traveling to the moon in a rocketship built in the backyard. These are just some of the stories that Tom Hanks captures in his first work of fiction: a collection of shorts that explore—with great affection, humor, and insight—the human condition in all its foibles. The stories are linked by one thing: in each of them, a typewriter plays a part, sometimes minor, sometimes central. To many, typewriters represent a level of craftsmanship, beauty, and individuality that is harder and harder to find in the modern world. In these stories, Hanks gracefully reaches that typewriter-worthy level. By turns whimsical, witty, and moving, Uncommon Type establishes him as a welcome and wonderful

new voice in contemporary fiction.

Waiting for Tom Hanks Kerry Winfrey, 2019-06-11 A rom-com-obsessed romantic waiting for her perfect leading man learns that life doesn't always go according to a script in this delightfully charming and funny novel. Annie Cassidy dreams of being the next Nora Ephron. She spends her days writing screenplays, rewatching *Sleepless in Seattle*, and waiting for her movie-perfect meet-cute. If she could just find her own Tom Hanks—a man who's sweet, sensitive, and possibly owns a houseboat—her problems would disappear and her life would be perfect. But Tom Hanks is nowhere in sight. When a movie starts filming in her neighborhood and Annie gets a job on set, it seems like a sign. Then Annie meets the lead actor, Drew Danforth, a cocky prankster who couldn't be less like Tom Hanks if he tried. Their meet-cute is more of a meet-fail, but soon Annie finds herself sharing some classic rom-com moments with Drew. Her Tom Hanks can't be an actor who's leaving town in a matter of days...can he?

**Not Like the Movies** Kerry Winfrey, 2020-07-07 What happens when your life is a rom-com . . . but you don't even believe in true love? Chloe Sanderson is an optimist, and not because her life is easy. As the sole caregiver for her father, who has early-onset Alzheimer's, she's pretty much responsible for everything. She has no time—or interest—in getting swept up in some dazzling romance. Not like her best friend, Annie, who literally wrote a rom-com that's about to premiere in theaters across America . . . and happens to be

inspired by Chloe and her cute but no-nonsense boss, Nick Velez. As the buzz for the movie grows, Chloe reads one too many listicles about why Nick is the perfect man, and now she can't see him as anything but Reason #4: The scruffy-bearded hunk who's always there when you need him. But unlike the romance Annie has written for them, Chloe isn't so sure her own story will end in a happily-ever-after.
